Ayer's Sarsaparilla

Is widely known as one of the most effectual remedies ever discovered for cleansing the system and purifying the blood. It has stood the test of years, with a constantly growing reputation, based on its intrinsic virtues, and sustained by its remarkable cures. So mild as to be safe and beneficial to children, and yet so searching as to effectually purge out the great corruptions of the blood, such as the scrofulous and syphilitic contamination. Impurities, or diseases that have lurked in the system for years, soon yield to this powerful antidote, and disappear. Hence its wonderful cures, many of which are publicly known, of **Scrofula**, and all scrofulous diseases, **Ulcers, Eruptions**, and eruptive disorders of the skin, **Tumors, Blotches, Boils, Pimples, Pustules, Sores, St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm**, and internal **Ulcerations of the Uterus, Stomach, and Liver.** It also cures other complaints, to which it would not seem especially adapted, such as **Dropsy, Dyspepsia, Fits, Neuralgia, Heart Disease, Female Weakness, Debility**, and **Leucorrhœa**, when they are manifestations of the scrofulous poisons.

It is an excellent restorer of health and strength in the Spring. By renewing the appetite and vigor of the digestive organs, it dissipates the depression and listless languor of the season. Even where no disorder appears, people feel better, and live longer, for cleansing the blood. The system moves on with renewed vigor and a new lease of life.

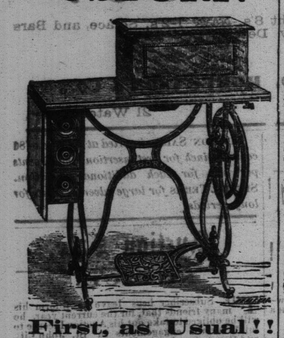
OSBORN



First, as Usual!!

THREE years in succession, The Osborn was awarded at the Great Central Exhibition Guelph, 1874, the first prize for Family Sewing Machine, and second prize as Manufacturing Machine. The new patent shuttle makes the Osborn unrivalled. In this Shuttle there is not the annoyance that is experienced in all other Shuttles; there are no holes in the Osborn Shuttle, and the thread can be put in its place in an instant. The Tension is self-regulating, which cannot be approached for smoothness.

Alexandria,	Ethiopia,	Olympia.
Bolivia,	Hibernia,	Tiopia,
California,	Europa,	Victoria.

We have now the pleasure to announce that the sailing of the Anchor Line Steamships for the ensuing season have been definitely arranged, with a view to afford ample accommodation to importers and buyers generally.

This fact will, we trust, receive such substantial recognition as to assure the proprietors of the Anchor Line that their efforts are duly appreciated, and the encouragement from this source will enable them to continue to perform the service in such a manner as to merit the patronage and support of the public generally.

The dates of sailing from Glasgow and Liverpool, for Halifax, and St. John, N. B., will be as follows (unless prevented by unforseen circumstances), viz:—

Meade's bust of Mr. Lanergan as a Roman Senator, is on exhibition in McMillan's. The likeness is good, the pose of the head natural and dignified, and the folds of the toga graceful.

Breaking Jail.

The trial of Daniel Doherty, charged with breaking jail, is taking place before the Police Magistrate this afternoon.

Accident Insurance.

It will be noticed in our advertising columns that the Accident Insurance Company of Canada has established in this city a very influential local Board of Directors, all of whom, we understand, are stockholders of the Company. With the aid and influence of these gentlemen the general agent of the Company, Mr. C. E. L. Jarvis, will no doubt largely increase the business he has already obtained in this Province.

Important to Ladies.

Mr. T. M. Fraser's dry goods store, Charlotte street, is now filled to repletion with a splendid stock of goods. His shelves and counters groan under the weight of cottons, linens, dress materials, house furnishing goods, trimmings, haberdashery, gents' furnishing goods, etc. Mr. Fraser has marked his goods at the lowest living profits and strictly adheres to the one-price system. Ladies and gentlemen patronizing his store will be gratified with his mode of doing business

Portland Police Court.

Francis Duffy was fined $4 for drunkenness.

Edward McAfee was charged $10 for being drunk and disorderly.

John Moon, drunk and disorderly was fined $8.

Quite an amusing incident occurred at Chubb's Corner last Saturday about 12 o'clock. Mr. Geo. Stewart, the well-known auctioneer, sold a box of French Medicated Pastilles for one hundred dollars. No little merriment characterized the whole proceeding. The bidding commenced at the usual price of a single box, viz., one dollar, when in rapid succession five, ten, twenty and so on up to one hundred, was successively bid, when it was knocked off to a man from New York, Henderson by name, who opened the box and discovered just one hundred dollars.

Money Snatching.

This morning a man named Guilfoil appeared at the Police Office and complained that Edward McCanley had unlawfully taken and detained a $5 bill from him. The affair took place in Ferrie's bar-room, Water street, on Saturday night. The complainant pulled a match out of his vest pocket to light his pipe and in doing this a $5 bill was also pulled out and fell on the floor. McAuley grabbed it and the complainant said that it was on this he had got drunk. McAuley was in custody for drunkenness. No formal complaint was made and the matter was subsequently "arranged" in some way, and he prisoner set free.

The Defence of Rogers.

Mr. John Kerr has been retained to defend Rogers, instead of Mr. S. R. Thomson, as stated by some of the city papers. At the time of arraignment the prisoner, on pleading not guilty, referred to the absence of DeMill, who, he claims, is a material witness for him. This person is said to be now in Boston, and it is likely that, if he cannot be at once procured, Rogers will ask that his trial be postponed until the August Circuit. His counsel will probably endeavor to have this effected.

Shipping Notes.

Point Lepreaux, May 17th, 7.30 a. m.—Brig Mary J. Wilbur passing inward.

9 a. m.—Wind N. W., strong, clear; one brigantine and two schooners inward.

The Alice M.—Advices from Dundalk, Scotland, dated the 3rd inst., report the bark Alice M., Laverty master, from this port, having been towed to the quay that morning, having lost anchor and part of cable in the bay.

Steamers.—The Gulf Ports steamers have commenced running between Quebec and Pictou.

Shipments of Plaster from Windsor, N. S.—From the 23rd April to the 10th May, 23 schooners and 3 brigantines have conveyed cargoes of plaster from Windsor, the total tonnage of which amounted to 7,460. Cheverie has exported 510 tons during the same period.

Shipbuilding in P. E. Island.—A handsomely modelled brigantine named Abray, registering 248 tons, and to class 7 years A English Lloyds, was launched from the yard of Messrs. Coffin and Glover, Mount Stewart, on the 11th inst. She has been built for Messrs. Peake Bros. & Co., of Charlottetown.

Our New Market.

The new Market is ready for occupation, the hooks, scales, tables, &c., of the old one having been removed to it. Some few countrymen have occupied it, and as the fittings are now all ready for use the public will know where to go for their meat.

Loyalist Day.

To day salutes will be fired from Carleton, Fort Howe, and by No. 1 and 10 Batteries in the city. The salutes will take place at 6 a. m. and noon, and will constitute the public observance of the landing of the devoted Loyalist Fathers. The interest in the day seems growing less year by year, and ere long unless there is an awakening, even the customary salute will probably be omitted.
