"Guaranteed Havana Filler."

The cheapest rubbish made into cigars in many cases is branded on the cigar box or label "Guaranteed Havana Filler." The guarantee may be readily understood when the public are informed, which is a fact, that Havanna filler can be bought from 12 cents per pound upwards. The only safe guarantee and the only one we offer to smokers, is brands of cigars that have stood the test for nearly half a century, that are recognized as honest goods, and always reliable as is attested by the many millions of Cables, Mungos, El Padres and Madre E Hijos that are sold yearly, and for which the demand is constantly increasing.

Castoria is recommended by physicians for children teething. It is a purely vegetable preparation; its ingredients are published around each bottle. It is pleasant to the taste and absolutely harmless. It relieves constipation, regulates the bowels, quiets pain, cures diarrhœa and wind colic, allays feverishness, destroys worms and prevents convulsions, soothes the child and gives it refreshing and natural sleep. Castoria is the children's panacea—the mother's friend. 25 doses, 35 cents.
