Get the old and shattered stovepipe
From its corner in the shed;
Let the liniment be ready—
Papa soon will break his head.—[Ex.

And Ma will let the stove-pipe slip,
And cover him with soot.
And he will call her ugly names,
And she'll say he's a brute.

CONVALESCENT.—We are pleased to learn that Mr. Registrar Dickson, who has been ailing for the past three weeks, is now about again, although he looks as if he had experienced a hard siege. We hope to see him enjoying his usual vigor shortly.

NEW BUSINESS.—We understand Messrs. Chrystal & Black have purchased the good will and plant of the boiler works of the old Goderich Manufacturing Co., and will carry on the business hereafter. They are thoroughly practical men, of long experience, and we have no doubt will work up a profitable trade in this section.

COMPLIMENTARY.—We have received an invitation from the Chancellor of Queen's College and University to attend a conversazione on Friday evening, given by him in connection with the opening of the new University buildings. We regret an inability to be present.

ACCIDENT.—On Monday last Mr. Wm. Watson met with a painful accident while working on a vessel at the dock. The adze which he was using slipped, inflicting a deep gash on the shin. The wound although painful is not dangerous, and we hope to soon hear of Mr. Watson resuming his labors.

PEDESTRIANISM.—An hour and a half go-as-you-please race will be held in the Skating Rink, on Wednesday evening, Nov. 3rd. About $20 in prizes will be awarded on the occasion, and a keen competition is expected, as a number of our local "peds" have been busily engaged for some time past "fitting" for the event.

QUOIT MATCH.—The quoit match which was to have been played at Smith's Hill on Monday next, between Colborne and Goderich Township has been postponed until Wednesday 21st Oct., on account of Sir Richard Cartwright's meeting in Goderich on the first named date. The play will begin at the usual hour.

Mr. R. H. Cozzens left town on Monday last for the Parry Sound District, on business connected with the firm of Secord & Cozzens. He will be absent about a week, and will visit all the sawmills in that section.

ATTEMPTED SUICIDE. — On Monday constable Paisely brought from Clinton Mrs. Appleby, of that town, charged with attempting to commit suicide. The prisoner will appear before Judge Squier on Monday next for election. Mrs. Appleby is in a demented state and should be sent to a lunatic asylum.

SKULLS.—Last week the schr. Jennie Rumball, Capt. A. Bogie, arrived from Cove Island, about 120 miles distant, with six human skulls. Capt. Bogie informed us that they were discovered by fishermen, and are supposed to be the remains of some luckless crew who at one time were shipwrecked, and who found on the inhospitable island no sustenance, and perished by starvation.

SENTENCED.—The lad Pugh, formerly a resident of Clinton, charged with stealing a valise in London East; was brought before Judge Squire on the 8th inst., and remanded to the 13th. On Wednesday he was brought up again and sentenced to two weeks in gaol. The lightness of the sentence was owing to the lad's previous good character and the representations made by the magistrate of the place where the offence was committed.

HURON LIVE STOCK ASSOCIATION SALE.—On Wednesday next the Huron Live Stock Association will hold its annual sale. This body has done a good deal to foster the raising of thoroughbred stock in Huron, and we have no doubt that the result of the sale on Wednesday will be satisfactory to all concerned. Some prime animals will be offered, and a better collection of short horns was never booked for sale in this county before. Mr. F. Graham, of this town, is the auctioneer.

TO SPORTSMEN.—It may be necessary to remind some sportsmen that changes have been made in game laws. The killing time is now fixed:—Deer, Oct. 1 to Dec. 15; partridge, Sept. 1 to Jan. 1; quail and turkey, Oct. 1 to Jan. 1; woodcock, Aug. 1 to Jan. 1; snipe, Aug. 15 to Jan. 1; ducks and geese, Aug. 15 to May 1. Sportsmen throughout the country are awakening to the truth that there will be no game in the country unless prompt steps are taken to carry out the laws.

MEDICAL ASSOCIATION.—The Huron County Medical Association met at the Commercial hotel, Clinton, on Tuesday, Oct. 5th. Present, the President, Dr. McLean of Goderich, in the chair, Drs. Taylor, of Goderich; Stewart and Hurlburt, of Brucefield; McDonald, of Wingham; Graham and Holmes, of Brussels; Sloan, of Blyth; Dunsmore, Mitchell; Campbell, of Seaforth; Williams and Worthington, of Clinton. The minutes of last meeting were read and approved. Dr. Sloan showed a case of enlargement of the right side, which created considerable interest. Drs. Stewart and Hurlburt exhibited a case of Pott's curvature, treated with the divided plaster jacket connected by Wyeth's extension bars, to relieve the intervening diseased portion of the spine from the superincumbent weight, thereby preventing the further progress of the disease, and they also exhibited a case of exopthalmic goitre which was a well marked case. Dr. Campbell gave a brief and succinet account of the meeting of the Canada Medical Association, held at Ottawa, on the 1st and 2nd of Sept. last, and exhibited a case of rickets. Dr. Graham read the notes of a case of Duchenne's disease or locomotor ataxy. A resolution was passed, approving the formation of a Provincial association.

TORONTO'S CITY SOLICITOR.—Mr. McWilliams, of the law firm of Robinson & McWilliams, Toronto, has been appointed city solicitor, at a salary of $3.000 per annum. Mr. McWilliams is a brother of Mr. A. B. McWilliams, the genial proprietor of the Albion Hotel, of this town.

BREAD AND BUTTER.—A loafer named Lawler entered the residence of Judge Sinclair, Hamilton, last week and asked for something to eat. He was given some bread and butter, but he evidently thought it too frugal fare, for he refused to take it, and became abusive. The Judge had the rascal arrested, and he was sentenced to six months in the Central Prison. It is quite clear that his Honor must have been out of prime Huron butter, for that, on good bread, would surely have satisfied the most fastidious tramp.

AUTUMN LEAVES.—A stroll through Canadian woods at this season is one of the most delightful and healthful of excursions imaginable, and the pressed leaves make very pretty ornaments during the dreary winter months:—To preserve autumn leaves, spread the fresh leaves and press them in a suitable dish with alternate layers of fine sand which is thoroughly dry and as hot as the hand can bear. When the sand has cooled they may be removed, smoothed under a hot iron, dipped for a moment in clear French spirit-varnish and allowed to dry in the air.—[Ex.

COURT OF REVISION.—On Wednesday, 6th Oct., His Honor Judge Squire held the Court for the revision of the Voters Lists for the Town of Goderich. The name of Richard Fulford was changed to Robert Fulford in sub. 5, John Tackaberry was added as owner of Lots 1377, 1378 and 1379, and Thomas Sturdy as owner of lots 1220 and 1221. The names of John and David Curry were substitued for that of William Snell as tenants of part of Lot 26. Wm. Connell was struck off as owner of lots 1220 and 1221. John Wynn was struck off as tenant of 311 and added as tenant of 550 in the 6th sub-division.

A GOOD STORY.—Rev. J. Sieveright tells a good story of an impatient bridegroom who once came to him for the knot matrimonial, after having been delayed some time by the issuer of marriage licenses. The irate groom was loud in his denunciation of the licenser's tardiness, and wrathfully exclaimed to the minister: "You won't catch me going to him for a license again." With a twinkle in his eye, and the future of the fair bride in view, Mr. Sieveright assured him that he hoped so, too.

FOR MANITOBA. — Another party of emigrants under the surveillance of Mr. Greenway, who intend trying their fortunes in the Great Lone Land, left Centralia last week. They were joined at London by the Patterson party from Paris, Ont. The following are the names of those leaving this section of the country:—Mrs. Johnson and four children, Varna; Geo. McLure and T. Hay, Seaforth; Mrs. Mollison and Miss Jory, Exeter; A. Naylor, wife and two children, Belgrave; T. Greenway wife and five children, Centralia; Mrs. McLean, Misses McLean and three children, Brucefield; Major Kirkley, wife and five children, Leadbury; W. Gilley, Corbet; Joseph Rollins, wife and child, Centralia; Mrs. and Misses Teskey, Seaforth; John Parsons, Crediton; Mrs. Collins, Miss Collins, and one child Exeter; G. Anderson, Varna; John Dew, T. Downey and R. Collins, Exeter.

REVIVAL SERVICES.—Revival services are being held at Sheppardton in the Methodist church. May much good be done.

RELIGIOUS.—The funeral sermon of the late Mr. Watson, Colborne, was preached in the Methodist church on the 10th inst. by Rev. L. O. Rice.

Brussels.

Mr. Geo. Ball is at present attending Georgetown Academy. He is preparing for the Methodist ministry.

Mr. Archie Scott, of Brussels, took $32 in prizes at Hamilton Caledonian games last week. He got 4 first prizes and 2 seconds.

The fall show held here last week, was a great success. It is said that 3,000 visitors were present. The officers of the society are encouraged to make a "big push" for next year.

The magnificent two year old stallion owned by Mr. P. Scott, out of "Clear Grit," died on Saturday, from an obstruction of the bowels. He was one of the prettiest horses in the County, and $200 had been refused for him.
