HUNT CLUB'S FOURTH DRIVE BIG SUCCESS ON SATURDAY

Many Members in Sleighs Regardless of the Cold Wind—Those Present.

There was considerable excitement around the guns in the Queen's Park on Saturday afternoon, when the fourth meet for this winter of the driving section of the Toronto Hunt Club took place. The wind was bitterly cold, with the result that the horses would not stand and there were very nearly several mix-ups with tandem leaders, who, wisely they thought, refused to be placed on exhibition this unsummer-like weather. However, with the assistance of expert grooms and the master calling the start sharp at the hour mentioned in the invitations, matters were put to rights and all got away safely, many of the equines showing their metal by stepping to their elbows and looking their best.

It was a pretty sight as the cavalcade drove round the east circle of the park. There were tandems, pairs, one unicorn, a large number of single sleighs and saddle horses to no end. The master, who had reached St. Alban's-street before the last trap left Sir John AMacdonald's statue, so that no one can doubt as to the popularity of the sport. The full pack of hounds were there, in charge of Mumford and two whips and looked as fit as the proverbial fiddle. Several dealers turned out to show the members their superb animals, among them being Crow & Murray with that grand pair SportingD uchess and Empress; T. Rolston, manager for John Macdonald, drove a rather green pair of cobs, tandem, who nearly got him into a mess thru some fancy plunging they did; Mr. Gregory drove a high-stepping brown cob to a light cutter. Some of those riding horseback were: Miss Muriel Barwick, Mr. Dinnick, Mr. Pote, Dr. D. K. Smith, Mr. Sandy Smith, Mr. Shirley Stewart, Hugh Wilson, Teddy English and a lot of others.

The master led off round the park at a good smart pace, driving a tandem of a pair of blacks. Immediately behind Mr. Beardmore came Dr. Young, accompanied by Mrs. Young, driving his favorite pair of hackneys tandem. Following the doctor drove Mr. and Mrs. Lionel Clarke, tandem; then Mr. Arthur Reinhardt with a tandem; Mr. and Mrs. Walter Beardmore, a spanking tandem of bays. Some distance behind came Col. Stimson and party on a coach, driving unicorn, followed by Mrs. J. J. Dixon and Miss Boulton, a pair; Mr. Widmer Hawke, a pair; Mr. Harry Beatty, single; Col. Williams, single; Dr. Charles Temple, single; Mr. John Rogers, single; Mr. H. C. Tomlin, single, Dr. A. A. Macdonald, single, and half a score of others, followed by a squadron of cavalry made up of the ladies and gentlemen who prefer the saddle to driving. The route was round the park, St. George, Bedford-road, Davenport-road, down St. George-street, and Beverley to John, east on Adelaide street and thence by Eastern-avenue to the Hunt Club, where the members stayed for dinner and a dance.

VARSITY, QUEEN'S, McGILL

Will Form an Intercollegiate Athletic Union.

The delegates from Queen's, Varsity and McGill to attend the annual hockey association meet got together on Saturday and considered the formation of an inter-university annual athletic meet. The matter was not decided finally, but it is probable that the association will be formed. The recommendations agreed to by the representatives of the three athletic bodies last fall came up, but were laid over for final consideration by the three associations. McGill has adopted them but Queen's and Varsity have not as yet. Queen's denied that Mr. McInnis represented them at all. The clauses recommended were:

1. That no one shall be allowed to compete in any inter-university contests who is not a bona fide student in actual attendance at lectures.

2. Certificates of eligibility must be signed by the professor of the department whose lectures the student attended, and by the academical head of the university.

3. Students of affiliated colleges are bona fide students.

Dominick had the mount on Phil Finch, and rated him along easily until they reached the end of the mile. He then sent him to the front and the colt won with plenty in reserve by a length from Stonewall, a strong second choice.

Charley Thompson, who was sacrificed to Phillips' poor ride, and Curate, who stumbled over the prostrate horses in the sixth race, were the beaten favorites.

In the last race Belle of Milford and Murmur fell in the stretch turn, and Curate stumbled over the pair. Neither horses nor boys were hurt. The weather was clear and the track good.

One of the largest crowds ever assembled at a racecourse in this city was out at the New Orleans Jockey Club's new city park track Saturday. The talent had things pretty much their own way. Garnish, the winner of the mile handicap, ran a good race. Ben Heywood finished second and Lauralighter, with Tod Sloan up, third. Jockey Dies From Injuries.

Hot Springs, Ark., Feb. 18.—Jockey Edward Wenrick, who fell with his mount, Col. Simpson, in the fifth race here yesterday, is dead from his injuries.

Handicap Speculation.

The winter slate of Messrs. Goodwin Bros., 1440 Broadway, New York, indicate some play on the handicaps. In the Brooklyn and Suburban First Mason has been backed from 25 to 20, Israelite from 40 to 25, and Jason from 100 to 50. In the Brighton, they have touched The Picket and Santon, as well as Israelite and Jason.

O.H.A. Judgments.

The action of the mail vote which suspended Woodstock was confirmed at the meeting of the O.H.A. executive on Saturday. Further investigation is being continued and the promoters of the importing business will likely be next dealt with. Col. McLean and Secretary W. C. Giddy of Port Hope appeared on behalf of the Port Hope juniors, who had been suspended pending an explanation of the false junior certificate for Wilfrid McLean. The committee found the player and the executive committee of the Port Hope Club responsible for the deception, and the suspension of the club was raised, but the committee, W. C. Giddy, H. Southorn and N. Baird, with the suspended player, Wilfrid McLean, were continued under suspension, and are debarred from any connection with hockey under the O.H.A.

Barrie, not having settled the account due Midland, was suspended until the amount is paid. The same action was taken with regard to the Owen Sound Wellingtons and the share of the referee's expenses in the suspension. The Woodstock, not being in good standing, Dr. Sinclair, under the rules, lost his status as a member of the O.H.A. executive, and Louis Blake Duff of Welland, recently of Galt, was elected to the vacancy.

All the members were in attendance except Messrs. Nickle of Kingston and Turner of Midland, who were snowed up.

Won Waterloo Cup.

Liverpool, Feb. 17.—The competition for the Waterloo Cup, the principal coursing event of the world, was held on the Altcar course to-day and was won by W. H. Pawson's Pistol II. L. Pilkington's Prince Plausible was second.

Schultz String Sold at Hot Springs.

Hot Springs, Ark., Feb. 18.—The horses comprising the estate of H. C. Schultz were sold at auction in the paddock of Oaklawn to-day before the racing began. The purchases and prices paid follow:

Red Reynard, $1100, to J. W. Schorr; Shrine, $1050, to G. Peters; Honolulu, $700, to G. Borkel; Dr. Helsworth, $250, to S. H. Barron; Sassparilla, $200, to A. G. McCormack.

Trouble for Eastern League.

Furthermore, it was shown in the course of time that there is a fierce factional fight under way in the Eastern League, the object of which is the ousting of P. T. Powers, the man who made and saved this organization from ruin a half dozen times, from the presidency of the league and also from the presidency of the National Association of Minor Leagues. There was additional evidence of friction between Hanlon of Baltimore and Stallings of Buffalo, both Eastern League men, because the latter claimed that Hanlon did not "cover up" two Buffalo players, Clymer and Courtney, who were eventually turned over to National League clubs, while Hanlon succeeded in "covering up" the whole Baltimore team by placing them on the drafting list of the Brooklyn Club. In other words, there was every indication that the minor leagues were ready to tear one another to pieces rather than to stand together in a fight for so-called rights.—New York Sun.

Juggling the Ball Players.

New York, Feb. 18.—In the effort to encourage base-running in the American League this year the president of the organization has instructed the umpires to enforce more strictly the rules regarding balks by the pitchers. Last season more allowance was permitted to the twirlers in the American League than in the National, and base-running was somewhat at a discount in consequence. The fact that a world's series will be played this fall has caused the presidents of both leagues to desire the championship season games to be played under conditions as nearly alike as possible.

Manager Hanlon of the Brooklyns was busy during the last week in thinning out the 54 players who are on the reserve list of that club. Jennings, Adkins, Burchell, Mason, Wiltse, Byers, Jordan, Hayden, Loudenschlager and Kelley have been returned to Baltimore. Mueller, Merritt, Patree and Clement have gone back to Jersey City. Cargo has been released to Albany. The other Jordan, who had been selected by the Brooklyns, will play with the Atlanta (Ga.) Club this year, acting as manager and second baseman. Joe Corbett is probably out of eastern company for good, having been released to San Francisco.

Racquet Club for Toronto.

For some time past a movement has been on foot to start a racquet club in Toronto. The committee, which has been working on the preliminary details, is so satisfied with the support promised to the scheme that notices have been sent out calling a general meeting of those interested for next Tuesday afternoon, when the necessary steps will be taken to organize the club.

Wood Won at Pittsburg.

Pittsburg, Feb. 18.—Four thousand five hundred people saw the one and five miles of the national championships to-night in Duquesne Gardens. Morris Wood winning both, with Kearney second. Bellefeuille did not seem to have any speed and was supplaced. The time in both was slow as compared with last year. Kearney has speed and will be a dangerous man next year.

One-mile race—M. Wood, Verona Lake, 1; Phil J. Kearney, New York A.C., 2; W. Sutphen, Brooklyn, 3. Time 2.54 3-5.

Five-mile race—M. Wood 1, Phil J. Kearney 2, W. Merritt, Verona Lake, 3. Time 16.12 1-5.

MARLBOROS 5 GOALS AHEAD IN SENIOR FINAL OF O. H. A.

A Hard Close Game With Considerable Rough Work and a Bumper House in Mutual Street.

The final game in the senior O.H.A. series at least so far as Toronto is concerned, was played Saturday night at the Mutual-street Rink. The contesting teams were the strong easterners from Smith's Falls and the Marlboros of Toronto. The Smith's Falls team came in in plenty of time for a hard work out at the Mutual-street Rink Saturday morning and doubtless did their best in the evening to hold down the score.

The Toronto hockey loving public, as if realizing that the hockey season is almost done, turned out in chunks and fairly filled every available nook and cranny of the none too large hockey rink. About 100 Smith's Falls supporters were present to cheer their team to victory.

The game was a strenuous contest thruout and the Marlboros were responsible for a good deal of the strenuousness exhibited, mainly owing to the fact that this was the best time in which to get a good lead if possible.

As a result of the match the Marlboros go into the second game at Smith's Falls next Wednesday night with a lead of five goals. The Marlboros won out by five goals on Saturday, and if they play any kind of a game at all at Smith's Falls on Wednesday, should win out the championship.

At the end of the first half of the game the score stood 2 to 1 in favor of the Marlboros. The second half of it was 6 to 2 for the Marlboros, making the final tally 8 to 3 in favor of the Toronto team.

The first half was first-class hockey, with play a little in favor of the Marlboros. Some delay occurred at the start owing to trouble in getting the officials. The puck at the start went to Smith's Falls end, but at once was returned to the Marlboro end. The pace at the start was severe and telling, and it was kept up pretty much thruout the game. Birmingham secured the first tally of the game after 1 minute's play. A rush up the right wing by Ridpath enabled Birmingham to shoot handily. The second score was a long time coming; it required 17 minutes' play and it came to Smith's Falls, Cowan getting it. The Marlboros had most of the play the first ten minutes. Birmingham showed especially good form and was ably supported by Ridpath, the find of the Toronto hockey season in Toronto, Smith's Falls' right wing, Serviss, was quite often now up in the rushes, sub-committee for position, their positions well, Ridpath being especially prominent in the rushes. Winchester seemed off at times and interfered with his own players. Young combined well with Ridpath and Birmingham. The Smith's Falls defence showed up exceptionally strong. Lesueur in goal for Smith's Falls and captain of the team, was easily the best of the goal-keepers. He stopped repeated shots billed for the nets in cases where ordinary goal-keepers officiate. Farran and May played their positions perfectly. Farran did what little accurate lifting there was during the game. Cowan shot many straight ones, most of which Tyner stopped. The Marlboros had the better combination; the Smith's Falls team, on the whole, showed little of the combination play for which they are said to be noted. The first half the Smith's Falls team held their own. Both sides showed weakness at shooting.

A shot by Serviss was stopped by Tyner, who came out of his goal a little to get it. Then Cowan put it into Bobby Tyner could get back into his position.

Winchester made a good rush up the side and shot cleanly from the side, putting the Toronto team again in the lead. Ridpath and Smith mixed it up a little and were ruled off.

The second half Birmingham was able to score 5 goals, which, with the one he scored in the first half, made 6 goals for him—a pretty good record. He took the first the second half on a good combination rush by Young and Ridpath. There was much close checking thruout the game, a good deal of slashing and considerable rough play. Smith, the centre of the Smith's Falls team, was the mainstay of the forward line. He played his position well and got most of the side passes besides making some good individual rushes. He often worked combination with one or other of his team mates. Thirty seconds after the Torontos' last score he came up with a rush and with Fraser as his support tallied. The Marlboros made hard rushes and notched two more, Ridpath and Birmingham combining for the first and Birmingham shooting neatly from the side for the second. Lesueur stopped several difficult ones just here and won the admiration of the crowd. Cowan was hit in the nose with a stick and retired. Young broke his skate and the sides were evened. The next goal went to Smith's Falls, Fraser shooting, making the score 5 to 3 for the Marlboros. Lesueur stopped Armstrong and Birmingham cutting out a goal Birmingham took the next after six minutes' hard play, mostly individual work. With 12 minutes to play, Smith was hurt and retired. He was put into the boards head first by Young. Referee Rankin was right in ruling Young off for five minutes. Smith was carried off and Young was roundly hissed. Smith came on shortly after partly dazed and played one minute, when he fell to the ice, apparently not having recovered from the effect of his injury. He was carried off again and did not return. Winchester went off for the rest of the game.

The loss of Smith broke up very considerably the Smith's Falls line and the Marlboros developed good fast combination towards the end of the game and scored two goals, Birmingham shooting them both.

The game was marked by considerable rough work towards the end. Ridpath has a tendency to be always looking for scraps. Young made two fast individual rushes towards the end of the game. Summary:

Wanderers Won at Cornwall.

Cornwall, Feb. 19.—(Special.)—The Wanderers beat the Cornwalls in the Federal League series here last night by a score of 7 goals to 1. The visitors had much the better of the play in the first half and ran in five consecutive goals. At half-time Lalonde, who was playing with a sore leg, dropped out and McCourt came on in his place. The second half saw much faster hockey, and honors were evenly divided. Play was even up, with this exception, that Cornwall's attack was not driven home in the same finished manner as the Wanderers'. The teams were:

Wanderers (7)—Goal, Baker; point, Strachan; cover-point, Boon; forwards, Glass, Marshall, Foley, B. Strachan.

Cornwall (1)—Goal, Hunter; point, C. McDonald; cover-point, G. McDonald; forwards, Mallette, Smith, Montgomery, Lalonde.

Umpires—E. Lockwood, J. Murphy.

Timers—L. McEvilla, Dr. Cavanagh.

Referee—George A. Stiles.

It was a clean, gentlemanly game thruout. Garnet McDonald was ruled off twice in the first half. Marshall was also penalized in this period. In the second half B. Strachan was ruled off for cross-checking.

The referee, George Stiles of Cornwall, gave excellent satisfaction to both teams. The Wanderers were much the better team, but the Cornwall colts made a better showing than the score would indicate.

Markham Tournament.

Markham, Feb. 18.—To-night the fourth night of the hockey tournament saw the largest crowd yet in attendance, nearly 250 coming from Toronto in the special train, and all got full value for their money. The John Inglis team and Sherbourne-street Y.M.C.A. of Toronto came together in the first, and one of the closest cleanest and longest games was the result. Twenty-five minutes each way was the playing time allowed and when time was up each had scored two goals. Eight extra minutes were allowed, but neither team could break thru the opposing strong defence and for over two hours the game went on, until both teams were almost exhausted. In order to play the Lindsay and Broadview game off, the rink decided to call the first game off, and leave it to the O.H.A. sub-committee for settlement.

The second game was of the whirlwind style, and, tho it was generally thought Lindsay would have a walk-over, it proved to be another fast and exciting game, and was anybody's game up to the last minute. Lindsay had the best forward line, while Broadviews had the best defence. At half-time the score was 2 to 0 in favor of Lindsay, and at full time it was also in favor of Lindsay, with Broadviews pressing hard. Monday night the Lindsay and Markham teams play.

Toronto Grocers Won at Hamilton.

Hamilton, Feb. 18.—The Toronto branches of the Canada Grocers, Limited, defeated the Hamilton branches of the Canada Grocers, Limited, to-night at the Thistle Rink by the score of 3—1. This makes the Toronto branch winners of the Bristol Cup. The game was fast and closely contested, but the combination of the Toronto boys proved too much for the home team. Stewart and Warren played the star game for the winners, while Matheson and Drury were the pick of the losers. The latter made some brilliant stops in goal. The line-up of the teams was as follows:

Toronto branches (3): Goal, Howard; point, Willis; cover-point, Barnhouse; rover, Stewart; centre, Horton (capt.); right wing, Smith; left wing, Warren.

Hamilton branches (1): Goal, Dewey; point, Mathison; cover-point, Turnbull; rover, Ramsay; centre, Leith (capt.); right wing, Hickey; left wing, Robertson.

Referee—Harry Truesdale.

Toronto Lacrosse-Hockey League.

An interesting series of final matches will be played in the Toronto Lacrosse-Hockey League during the present week. No game played offers such continued interest for the spectator as hockey, and as the finals will bring together the pick of a 33-team league, there should be a good attendance at all these final matches. The standing of the senior division has already been published, showing the Broadviews and Young Torontos to be the winners of their respective sections. The first game in the finals has already been played, the Young Torontos being the victors on their own ice. The return and final match will be played on Broadview Rink on Tuesday evening at 9 o'clock, when the Broadviews—who were last season's champions—will endeavor to cover lost ground. The Young Torontos, however, are playing a fast game and have shown that they are skilful handlers of hockey sticks, as they have already proved themselves to be of lacrosse sticks. This should be one of the best exhibitions of hockey ever seen on open rinks in Toronto. The standing of the other sections is as follows:
