A West Side fighting case was finished before Police Magistrate Ritchie yesterday afternoon. The two principals were fined $8 each.

Gordon Sutton and a young man named Robinson were the parties concerned. They had an altercation the ferryboat Saturday evening and after a wrestle on the West Side floats were arrested by Policemen Lee and Gosline.

John Casey, William Burns and Sutton went on the stand. The evidence showed that both Sutton and Robinson were to blame for the scrap.

After hearing the evidence, his honor asked:

"How many drinks had you on Saturday?"

Robinson said he had had exactly three. Sutton confessed that he could not recollect the number or beers he had imbibed.

"Now, you see if it hadn't been for the liquor you would not have got into this trouble. You're each liable to a $20 fine, but I think I'll let you off with $8."

FRANCHOT'S BODY DUG UP SECRETLY IN $30,000 SUIT

Insurance Company's Doctors Performed Autopsy in Cemetery

NIAGARA, FALL, April 15.—A weird disinterment scene in which doctors slipped into Riverdale Cemetery and took up the body of State Senator Stanislaus P. Franchot before it had been in the grave an hour was brought to light here.

Indeed while Governor Hughes, Lieutenant Governor Chanler and the legislative delegation were still driving back through the streets of Niagara Falls, preparing to return to Albany, grave diggers were at work for a stake of $30,000 and now, as the result of the disinterment, Mrs. Fanchot, the widow, must go into court to collect the accident insurance policy upon her husband's life.

Some surprise was caused on the day he was removed to Montreal by Mrs. Franchot's sudden announcement that the paralysis was the result of an accident. According to her statement, Mr. Fanchot left his bed in the middle of the night, and in the darkness, had fallen over a stair railing, landing on his back ten feet below. When members of his family reached him they found his back paralyzed from the waist down.

At that time the reason for this announcement was not clear, nor did the community understand it, until after death on March 4, when it was announced that the supposedly wealthy Senator had left an estate consisting of less than $10,000 in property and $30,000 in accident policies.

Instead Dr. McBrien, of Niagara Falls, and several other physicians were posted with a body of grave diggers in the cemetery. They remained out of sight while the services at the grave went on, nor did they leave concealment until the grave had been filled and the last of the carriages carrying the mourners had gone from the cemetery.

But then they came forth quickly and had the body disinterred within half an hour. A thorough autopsy was performed on the spot, after which the body was returned to the grave.

As a result of this extraordinary examination the doctors have reported Senator Franchot's death due wholly to natural causes, and with no trace of injury or fall.

WILL BE ARRANGED ON CHARGE OF MURDER

PROVIDENCE, R. I., April 15 — The mystery concerning the death of Henry Kelley, who was found shortly after midnight Sunday morning on Canal street with his head crushed under a heavy stone, was solved this morning by the alleged confession of Frank Lyons, who was arrested yesterday evening on suspicion.

Tonight Chief Inspector Horton, after being closeted an hour with the prisoner, declared that Lyons had confessed that he had murdered Kelley, following a saloon quarrel.

Lyons will be arraigned in the sixth district court tomorrow morning on a charge of murder. He is 21 years old.

SYNOPSIS OF CANADIAN NORTH-WEST HOMESTEAD REGULATIONS

Any even numbered section of Dominion Lands in Manitoba, Saskatchewan and Alberta, excepting 8 and 26, not reserved, may be homesteaded by any person who is the sole head of a family, or any male over 18 years of age, to the extent of one-quarter section of 160 acres, more or less.

Application for entry must be made in person by the applicant at a Dominion Lands Agency or Sub-agency for the district in which the land is situate. Entry by proxy may, however, be made at an agency on certain conditions by the father, mother, son, daughter, brother or sister of an intending homesteader.

The homesteader is required to perform the homestead duties under one of the following plans:

(1) At least six months' residence upon and cultivation of the land in each year for three years.

(2) A homesteader may, if he so desires, perform the required residence duties by living on farming land owned solely by him, not less than eighty (80) acres in extent, in the vicinity of his homestead. Joint ownership in land will not meet this requirement.

(3) If the father (or mother, if the father is deceased) of a homesteader has permanent residence on farming land owned solely by him, not less than eighty (80) acres in extent, in the vicinity of the homestead, or upon a homestead entered for by him in the vicinity, such homesteader may perform his own residence duties by living with the father (or mother).

(4) The term "vicinity" in the two preceding paragraphs is defined as meaning not more than nine miles in a direct line, exclusive of the width of road allowances crossed in the measurement.

(5) A homesteader intending to perform his residence duties in accordance with the above while living with parents or on farming land owned by himself must notify the Agent for the district of such intention.

Six months' notice in writing must be given to the Commissioner of Dominion Lands at Ottawa, of intention to apply for patent.
