FROM ALL OVER THE MARITIME PROVINCES

Saturday, July 16.

Two widely diverging interests engaged the attention of St. John people this week—the Campbellton fire and the races at Moosepath. While there would seem to be but little connection between the two events, one could not help being struck by the fact that the same merry fashionable throng that gathered at Moosepath to witness the races, have at other times of the day occupied themselves in making strenuous efforts for the relief of the stricken city. Possibly public opinion might have reason to change its mind if by chance a peep was taken into the assembly rooms of the York theatre, where numbers of the society women of the winter vied with each other in the work of receiving and packing goods for the Campbellton sufferers, under the direction of a committee from the Women's Council, of which Mrs. David McLellan is the energetic president. At the races, thousands have enjoyed the sport. Such a long time has elapsed since anything of the kind has been held in St. John that society turned out in force and the road leading to the course was throughout the week a lively one, to say the least. A few of those seen in autos and carriages at the race track were: Mr. and Mrs. J. Walter Holly, Mr. and Mrs. deB. Carritte, Mr. and Mrs. R. Keltie Jones, Mrs. E. T. Sturdee, Dr. and Mrs. J. V.
