RECORD BREAKING AT CHICAGO.

Henry Young Won the Columbus Handicap and Made a New Record For 1 3-16 Miles.

CHICAGO, July 14.—Record-breaking is almost a common thing at Washington Park this meeting. To-day in the Columbus Handicap Henry Young won in a gallop and knocked a second and one-quarter off the record of 1 3-16 miles, he covering the odd distance in 1.58 1-2. The field was small but full of class. Dr. Rice, the Brooklyn Handicap winner, and Yo Tambien were favorites at 11 to 5 and 2 to 1. Henry Young was a 15 to 1 shot. They got away with Rudolph ahead, Cash Day second, Yo Tambien third, Dr. Rice fourth, Henry Young fifth and Wildwood last. Cash Day made the running and passing the grand stand a length and a half in front of Yo Tambien, she being the same distance ahead of Dr. Rice. At the half-mile pole Cash Day and Yo Tambien were on even terms, Dr. Rice third and Henry Young fourth. At the head of the stretch Cash Day was first, a length before Henry Young, who had come up easily. The others were strung out. The first mile was run in 1.39 3-4 and that stopped Dr. Rice, Rudolph and Wildwood. At the eighth pole Tambien and Cash Day were both in trouble, but Henry Young came on with a rush and passed the wire an easy winner by a length and a half. The winner is a fine looking colt by Duke of Montrose, out of Perfection. OVER THE NETS.

All the Lawn Tennis Players Will Compete in the Victoria Tourney.

The tournament of the Victoria Lawn Tennis Club, which commences to-morrow afternoon on the club's pretty grounds in Huron-street, promises to be the racquet event of the year. Many entries have so far been received and close and exciting matches are sure to result. In addition to the ordinary events of men's and ladies' singles and men's and mixed doubles the committee have decided to have a ladies' double, and there appears to be a great deal of rivalry amongst the fair sex over this event. Miss Osborne will be here to meet Miss Hague, who, after a beautiful game defeated the Canadian champion last week. Boys, who has held the Victoria Challenge Cup for the past two years, has to meet the winner of the open tournament, and hopes to again carry the trophy back with him to Barrie.

Two Victories for the Tecumsehs.

Saturday afternoon the Tecumseh seniors played a C.L.A. game in Georgetown, which resulted in a victory for the Tecumsehs by 4 goals to 3. They play throughout was very even, and one of the best seen in Georgetown this season, though at one time the home team had it 3 to 1 in their favor. The Tecumsehs, however, settled down to work and made it a draw just before time was called. Play was resumed, and the Tecumsehs scored in about 10 minutes, thus winning the game. J. J. Manning of Brampton acted as referee to the satisfaction of everybody.

The Tecumseh III. team also scored another victory Saturday afternoon by defeating the Elms II. on Stanley Park by 5 goals to 1. THE SCOTS AT BUFFALO.

Toronto's Brawny Kickers Defeat the Bison Aggregation 4-2.

BUFFALO, July 14.—The Toronto Scots and the Buffalo Football Club had a game of football to-day at Olympic Park in the presence of about 900 people. The Brawny Scots at once began to push matters. The home team had the kick-off, and for 15 minutes the ball played back and forth between the two goals, but finally the Scots put it through. They repeated the trick five minutes later and did it a third time in 11 minutes more. Just before the first half of 45 minutes was up they added another goal to their string. The score then stood: Scots 4, Buffalos 0. The second half was far more exciting, and although the Buffalos managed to prevent the visitors from scoring they did not make enough themselves to escape defeat.

Time and time again the Buffalo punters got the ball within a foot of the Scots' goal, only to have it sent back in their own direction. There was intense applause when, after 17 minutes of rapid play they scored a goal. This was redoubled when the feat ed 11 minutes alter. After that neither side scored, the tide favoring first one and then the other. The final score stood 4 to 2 in favor of the Scots. The teams:

MONTREAL DEFEATS CORNWALL.

The Senior Lacrosse League Match Results in Favor of the Home Twelve.

MONTREAL, July 14.—There was but a limited number of spectators on the Montreal lacrosse grounds to-day to witness the match between the Montrealers and Cornwalls. Both teams appeared to be in the pink of condition, and the visitors especially seemed determined to win. Fournier and Macdonald were the new men on the team. Butler of the Shamrocks was referee, and McKenna and McKeown umpires, all Shamrock men. The ball was faced at 3.30 sharp. While there was some good individual play on the part of Cornwalls, they were outshined by the superior team play of their opponents, who appeared to have a decided advantage from the start. There was considerable rough play during the third game, which somewhat disgusted the spectators. The games were scored as follows: 1st, Cornwall, Moss, 6¼ min.; 2nd, Montreal, Traynor, 10 min.; 3rd, Montreal, Field, 13 min.; 4th, Montreal, Hamilton, 25 min.; 5th, Montreal, Hamilton, 2 min. A VICTORY FOR THE WEST.

Toronto Cricketers, Representing the East, Badly Beaten at Hamilton—Score 391-258.

The match between Eastern and Western Ontario was completed yesterday at Hamilton. When stumps were drawn on Friday afternoon the West had two wickets down for 80 runs, and resumed batting with Morris and Kenny, the two not outs. Thirty runs were added before Kenny was bowled by Wood for a well-played innings of 42, containing 7 fours, 5 of them successive. Neither Dean nor Fritz Martin got into doubles, but Morris, who went in at 5.35 the previous day, was scoring at a great rate and bade fair to make a century, but he was retired by Wood at 84, and he was deservedly applauded for his really brilliant exhibition. Atkinson and Gillespie were the only remaining doubles, contributing 14 and 20 respectively, and the innings closed for the very respectable total of 207, leaving the Easterners 248 to get to equal their total in the two innings, 391.

The Easterners men started out badly, Le Roy and Forester being bowled for ducks and 4 wickets falling for 18 runs. The next five batsmen all reached double figures, Lyon, Pellatt and Clark making 11 and Wood and Chambers 22 each, the latter leading out too far for a short run which his partner, Clark, refused to attempt and being run out. The inning closed for 113, leaving the Westerners winners by 133 runs.

The bowling was good throughout, the best performances being Chambers 2 for 7 and Wood 11 for 131 for the Easterners, and for the West Kenny 6 for 99, Gillespie 5 for 37 and Martin 8 for 95. The wicket was hard and very fast, which account to some extent for the high scoring, 649 runs being scored in the four innings. The following is the score of the match in full:

NEW BICYCLE RECORDS.

Bliss of Chicago Performs Some Wonderful Feats on the Wheel.

WALTHAM, Mass., July 14.—Several world's bicycle records were broken at the meet on the Waltham track this afternoon. The meet was gotten up to enable the Chicago riders to try to lower the world's mile record of Class B., 1.56, held by Johnson for the same track, and of Class A., 2.03, made by Arthur Porter of Waltham on the same track. Both attempts succeeded. The world's tandem record was broken, and the two-thirds and three-quarter mile world's records, and also Harry Tyler's world's mile record, with standing start, of 2.03 2-5.

Julian P. Bliss of Chicago was the man who performed the major part of these wonderful feats of speed, paced by three teams of tandems of fast Class B. men. The first trial was by Bliss, with flying start, for the mile. He made the first quarter in 28 1-5 secs., the half in 55 3-5, and the mile in 1.54 4-5, which is 1 4-5 secs. faster than the previous world's record. All the distances above the half-mile are new world's records.

Nat Butler of Cambridge, Mass., came out to beat the Class A world's record of 2.03, held by Porter. He lowered the record to 2.01 1-5 with flying start. His quarters were 30, 58 1-5, 1.31, 2.01 1-5. C. G. Williams and F. M. Haggarty of Waltham lowered the mile tandem record, flying start, 1.59 3-5, doing it unpaced. Although they are Class A men this is better than all Class B or professional tandem records. Bliss wound up by breaking another world's record, that of Tyler for a mile with standing start and paced.

Tyler did it in 2.02 2-5. Bliss did it in 2 minutes even time. The quarters were 32; 1.02, 1.31 1-5, 2.

L. A. W. Races at Asbury Park.

ASBURY PARK, N. J., July 14.—The annual meet of the New Jersey division of the L. A. W. ended gloriously to-day. Raymond McDonald and W. J. Edwards were still too severely jarred by yesterday's accident to ride. There were spills in numerous events and one of them in a trial heat of the Class A handicap brought down five men. In the Class B half-mile open C. M. Murphy and Steenson were disqualified for obvious team work and pacing. Summaries:

VICTIM OF AN ABORTIONIST.

Death of a Montreal Girl From Malpractice—Warrants Issued but No Arrests Made.

MONTREAL, July 14.—Yesterday while Judge Dugas was presiding in the police court in a noted case in which Mrs. Andrew A. Browne of New York is suing her husband, a grandson of the millionaire A. J. White of Mother Seigels Soothing Syrup fame, for non-support, a man named Filion of 34 St. Margaret-street, St. Henri, called on him in company with the coroner. The judge left at once and proceeded to Notre Dame Hospital, where he took the ante-mortem deposition of a Miss Davis of St. Henri, who was dying from the effects of an abortion performed upon her some days previously.

Strict secrecy was maintained, but it is said that her betrayer is a very prominent man. Warrants were issued for him and the doctor, but neither has been arrested as yet. The girl died this morning and an inquest is in progress. It is a long time since such a serious case has come up and great excitement has been caused by the case, especially as the names of the principals have not yet transpired.

Vaccination and Quarantine Expenditures Upheld.

During the great smallpox epidemic here in 1885 the city spent large sums of money in vaccination and quarantine and a man named Dechene objected to the expenditure and carried the case to the Privy Council. Mr. Roy, city attorney, cabled to the mayor this morning that the city had won.

DYNAMITE IN A TOWN-SITE FIGHT.

Two Bridges and a Freight Train Blown Up.

WICHITA, Kas., July 14.—The adverse decision of the Oklahoma Supreme Court against the towns of South Enid and Pond Creek, which desired to compel the Rock Island Railroad to build depots and stop trains at those points, resulted yesterday in the blowing up of a Rock Island bridge near Enid and a freight train was demolished, and Brakeman Cordry and Harry Lyons, a tramp, were badly injured. The blowing up of the bridge was followed about noon by the total demolition of the railroad bridge just north of Pond Creek, the other Government town site that is fighting for railroad facilities. The Rock Island officers have called on the Government for troops.

COAL FAMINE IN THE NORTHWEST.

Unless the Dockmen's Strike in West Superior Is Settled.

WEST SUPERIOR, Wis., July 14.—The attempt to arbitrate the differences between the Coal Managers' Association and the striking dockmen has failed, and the managers refuse to treat with the men as a union. Nearly 50 boats are now in the harbor waiting to be unloaded. It is feared there will be a coal famine in the Northwest next winter unless a settlement is soon reached.

WRIGHT GETS THE WORST OF IT.

Cumming, an Englishman, Fouls Him in the Kingston-on-Thames Regatta.

KINGSTON-ON-THAMES, July 14.—[Telegram Special.]—The regatta here to-day and the fine weather attracted a large concourse of holiday makers. Most of the events were well contested. In the first heat for the senior sculls Wright of Toronto and Cumming of England were pitted against each other. The latter went away with a fine lead, but the Canadian soon overhauled him, and Cumming, in trying to cross and give the visitor his backwash, unfortunately brought about a foul, which was repeated a few minutes later by a similar move, but in spite of protest they finished the race, Cumming finally winning by a length. Cumming plainly crossed into Wright's water when the first foul took place, and the Toronto man at once claimed the race, but the referee ordered them to proceed. The second foul occurred a quarter of a mile further on, but protest was of no avail, and again the referee ordered the race to be rowed out, Cumming winning a close finish by reason of the rests which the fouling and consequent disputes gave them.

Another Italian Bank Scandal.

ROME, July 15.—Another bank scandal is threatened in Italy, which may put even the Banca Romana into the shade. The rumors of fraud, corruption and bribery, upon a huge scale, in connection with the Credit Mobiliere, have now taken a more concrete form, a group of shareholders having formally presented a petition to the tribunal at Turin, bringing the gravest charge against Signor Francasa, the manager, and demanding a judicial inquiry. Should such an investigation be authorized astounding revelations will follow, for Francasa is believed to have had in his pay some leading politicians in Rome, including ministers and one ex-Premier, and nearly every journalist of repute or influence in Rome, Turin, Florence, Naples and Venice, spending millions of lire annually in subsidies and for concessions.

THE NEW SOO CANAL.

Alleged Mistake Which May Cause Delay in the Opening.

SAULT STE. MARIE, Mich., July 14.—Considerable excitement exists in both of the Soos because of the crib work at the head of the new Canadian ship canal proving inefficient, necessitating the tearing out and rebuilding of 260 feet of it.

The trouble arose from the pressure of the heavy material at the back of the crib and can only be removed by rebuilding, which is now in progress.

The opening of the canal, which is set for the first week in August, will be delayed for six weeks at least.

A gentleman who professes to know says that owing to a blunder the whole of the crib work will have to be replaced within two years at a cost to the Government of over $100,000. Engineers from this side of the river are loud in their condemnation of the work.

SAFE CRACKERS SECURE $3000.

The Vaults of the Drummond County Railroad Blown Open by Masked Men.

DRUMMONDVILLE, Que. July 14.—Two explosions in quick succession were heard by the residents in the vicinity of the Drummondville county railway station between one and two o'clock this morning. It was discovered that burglars had effected an entrance in the secretary's office of the Drummond County R. R., which is in the station, and had blown open the two safes therein. Something over $3000 in paper money was carried off by the robbers. It was subsequently learned that the robbery was committed by three masked men, who previously overpowered the two nightwatchmen and locked them up in a box car.

WIMAN HAD TO BORROW $5.

Prosecutor Wellman Said to Owe Wiman $2000 With $800 Interest.

NEW YORK, July 14.—The Times, in its account of the release of Erastus Wiman from prison, says: Mr. Wiman's clothing showed wear, and his poverty was attested by the fact that he had to accept the loan of $5 pressed on him by Mr. Rouss at parting, but the people at the ferry house to whom his bustling figure has been so familiar for many years seemed none the less glad to see him again.

Arrived on Staten Island he went at once to the house of his son, Harry Dun Wiman, with whom he and his wife will live for the present.

Two peculiar circumstances relating to Assistant District Attorney Wellman, who prosecuted Mr. Wiman, were talked of yesterday. The first of those was that Mr. Wellman borrowed $2000 from Mr. Wiman about four years ago, giving notes, which as far as known have never been paid. Mr. Wellman was interested in introducing some postage stamp slot machines and secured the $2000 from Mr. Wiman to help along the venture. With the accumulated interest the debt amounted to $2800. When Mr. Wellman was married to Miss Emma Juch there was among the wedding presents to the bride, according to report, a sunburst of diamonds valued at $1800. It was said yesterday that this present had been sent by Mr. R. G. Dun.

ST. JOHN'S, Nfld., July 15.—So plentiful are codfish at Dildo and neighborhood that everything that can float has been utilized, and men are out in all sorts of old crafts, patched up and caulked.
