REAL ESTATE FOR SALE

FACTORY SHOWROOMS DWELLING

I have been instructed to sell one of London's most profitable and up-to-date factories, manufacturing store and office fittings and interior woodwork.

This is a well-established factory, with more business offered than can be handled, with orders now on hand for $8,000 or $9,000 worth of uncompleted work now booked.

Enough lumber on hand to run factory at full capacity for one year. There is a large stock of quarter-cut oak on hand. Owner now able to retire.

Buildings consist of beautiful red pressed brick showrooms and dwelling, steam heated, with garage connected and heated; 44-foot frontage by 215 feet deep with large brick factory, shops, etc.

Owner willing to sacrifice at $28,000 for machinery, building and stock, and will remain with business for six months.

$15,000 for real estate alone. This is worth looking into as an investment alone.
