FURTHER ADVANCE BY BRITISH IN PALESTINE

London, Nov. 15—An official statement on the operations in Palestine says:—

"General Allenby reports at 11 p. m. yesterday that after stiff fighting on the 12th with Turkish forces which had attempted to take new positions on the Wadi Sukoirr, twelve miles north of Ascalan, the enemy were driven, on the 13th, by a combined attack of our mounted troops and infantry from this position and forced to retire a distance of five miles to the Wadi-Surar, eight miles south of Jaffa. Our troops captured the enemy's strongly entrenched posts at Mesmiyeh, Katrah and Mughar, with magnificent dash, and now hold the line from Eltineh on the east through Katrah and Yebnah to the sea. troops returned to their original positions, according to plans drawn up prior to their advance."

London, Nov. 15—Reuter's correspondent at British headquarters on the Palestine front, in a despatch dated Tuesday, says:

"There has been severe fighting in the vicinity of the Wadi Sukerr since yesterday. The enemy rear guard has taken up a desperate resistance apparently realizing that distance and the lack of proper communication will not stop the British advance and therefore, like a cornered animal, is determined to die game. At Burkah the Scottish troops who had captured the ridge were counter-attacked so vigorously that they were obliged to yield some ground, which afterwards was recovered. Nevertheless the Turks made a second vicious counter-attack but again their temporary success was converted into defeat and they finally were driven off with heavy losses.

"Since early morning fighting has been general along a considerable front. According to the latest reports we have made an important advance, bringing us within seven miles of Ramleh (some twenty miles northwest of Jerusalem), which is the centre of the Turkish position and the Turkish headquarters. Our left has pushed across the Wadirubin and occupied the important hamlet of Yobueh and reached Elkubeibeh.

"The Turks offered stubborn resistance on the front of our right and centre, which nevertheless gained considerable ground. More prisoners were brought in today, bringing the total beyond 6,000, while with four guns discovered yesterday a total of ninety has

"Full details of the captures are not yet available, but one mounted division report having taken 100 prisoners, fourteen machine guns and two guns."

A statement regarding operations in Messopotamia follows:

"Our forces, after most successful actions at Tekrit on the 5th and 6th, remained at that place until the whole of the Turkish forces opposed to them had been withdrawn thirty to fifty miles northward, with the exception of a small detachment at Sparaimjo.

"The clearance of the battle field and the removal or destruction of everything of value having been accomplished, our been reached.

"It is said that the population of Gaza, which, as reported, has been removed by the Turks, is being settled in Asia Minor to replace the massacred inhabitants of an Armenian village."

GROCER TELLS FACTS TO ST. JOHN PEOPLE

Because Adler-i-ka empties BOTH large and small intestine it relieves ANY CASE constipation, sour stomach or gas and prevents appendicitis. It has QUICKEST action of anything we ever sold. J. B. Mahoney, druggist, corner Union and Dock street.

ONLY ONE FRENCH SHIP SUNK IN LAST WEEK

VINOL CREATES STRENGTH

Positive—Convincing Proof

It is all very well to make claims, but can they be proven? We publish the formula of Vinol to prove the statements we make about it.

Cod Liver and Beef Peptones, Iron and Manganese Peptonates, Iron and Ammonium Citrate, Lime and Soda Glycerophosphates, Cascarin.

Any doctor will tell you that the ingredients of Vinol as published above, combine the very elements needed to make strength.

All weak, run-down, overworked nervous men and women may prove this at our expense.

There is nothing like Vinol to restore strength and vitality to feeble old people, delicate children and all persons who need more strength.

Try it. If you are not entirely satisfied, we will return your money without question; that proves our fairness and your protection.

The Ross Drug Co., Limited; Wassons Drug Store, St. John. Vinol is sold in Fairville by T. H. Wilson and in Hampton by Donald's Drug Store. Also at the best druggists in all New Brunswick towns.

Try This If You Have Dandruff

There is one sure way that never fails to remove dandruff completely and that is to dissolve it. This destroys it entirely. To do this, just get about four ounces of plain, ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

You can get liquid arvon at any drug store. It is inexpensive, and four ounces is all you will need. This simple remedy has never been known to fail.

You can get mulsified cocoanut oil at any pharmacy, it's very cheap, and a few ounces will supply every member of the family for months.

Face Peeling Habit Becoming Fashionable

Women of fashion and refinement in this country as in Europe seem to have been acquiring the mercolized wax habit, depending less and less upon cosmetics for their complexion difficulties. It does seem a lot saner to just peel off the worn-out skin when it loses its youthful color and appearance—now that this can be done so easily, safely, painlessly and economically.

There's no trouble getting mercolized wax at any drug store (an ounce will do), since its virtues have become generally known here, and there's no trouble using it—just as you use cold cream, applying at night, washing it off next morning. The wax takes off the old scarf skin, in tiny flakes, a little each day. This new under-skin which gradually appears, is velvety soft and beautifully white, radiant with girlish loveliness. Any surface trouble like chaps, pimples, red or yellow patches, freckles, etc., vanishes of course with the discarded cuticle.

Best Home Treatment For All Hairy Growths

(The Modern Beauty).

Every woman should have a small package of delatone handy, for its timely use will keep the skin free from beauty-marring hairy growths. To remove hair or fuzz, make a thick paste with some of the powdered delatone and water. Apply to hairy surface and after 2 or 3 minutes rub off, wash the skin and it will be free from hair or blemish. To avoid disappointment, be sure you get real delatone.
