GERMAN COUNTER-ATTACK CHECKED BY THE BRITISH

Heavy Artillery Fighting Continues in Region of Hurtebise—Surprise Attack West of Mount Carnillet Repulsed by French Forces.

London, June 27—British gunfire checked in its incipiency a German counter-attack attempted early today upon the new British positions on the Arras front northwest of Fontaine-Les-Croisilles. Otherwise only raiding operations along the British front are covered by the statement.

French Statement.

Paris, June 27—Heavy artillery fighting continues in the region of Hurtebise. Among the positions which the French captured on Monday is the "Cavern of the Dragon," more than 100 metres wide and about 300 deep, which had been converted into a veritable fortress. This cavern, with numerous exits and openings from which machine guns were fired, constituted an important position and point of departure for enemy troops in making counter-attacks. A considerable amount of war material was stored there, including nine machine guns in good condition, equipment for more than 300 men, numerous rifles, ammunition depots and electric searchlights and a hospital relief outpost, which fell into French hands. The number of prisoners counted has reached 340, of whom six are officers.

In the Champagne the enemy made a surprise attack west of Mount Carnillet. It was repulsed. We penetrated the German lines near Maison's De Champagne and brought back ten prisoners. About eight o'clock last night German aviators threw several bombs on Nancy. No damage was done and there were no casualties.

THREE SIGNED HONOR ROLL YESTERDAY

Duke of Devonshire Will Inspect Kilties Battalion in Quebec Monday—Artillery Officers Take Special Course—Ordered to Petewawa.

HONOR ROLL.

J. A. Ailton, Newcastle, N. B. Canadian Engineers
William Ogilvie, St. John, N. B.
Charles Magee, Fairville, N. B., Forestry Unit

But three men enlisted in the city yesterday for local units. The Forestry unit received two, and the Canadian Engineers one. J. A. Ailton will probably be the last man to enlist in this city for the engineers for sometime, as recruiting for this branch of the service was officially stopped yesterday.

Will Be Inspected

The 236th Kilties Battalion will be inspected by His Royal Highness the Duke of Devonshire on Monday, July 2. The battalion will parade through the streets of Quebec headed by the regimental band and pipe band. The unit, which is at present at Valcartier camp, will leave on Saturday evening for Quebec. Lieut.-Col. P. A. Guthrie, the officer commanding the 236th Kilties, is expected to arrive in Fredericton today, and it is likely that he will leave the last of the week for Valcartier.

A Special Course at Halifax.

Six officers, at present on Partridge Island, will leave July 2nd for Halifax to take a special course in coast artillery defence. This is not a new branch of service, as would be imagined by the name, but is a part of the regular military course at Halifax. The officers will be away for about eight weeks, part of which time they will spend with the mechanism and operation of the heavy guns, such as the 6in and 9.2. The officers who will leave are: Lieut. R. H. Bruce and Lieuts. H. A. Bridges, A. W. F. Powell, J. H. Crocket, J. C. L. Foster and H. G. Alward.

Ordered Back to Unit.

Lieut. McFarlane, of the 236th Kilties Battalion, who has been on the staff at Aldershot in connection with the training of British recruits enlisted in the United States, has been ordered to report back to the 236th Kilties. It will be recalled that recently several officers of the battalion were transferred to other units on account of the 236th Kilties not being up to strength, but with the influx of men from the United States for this battalion it has been found necessary to recall several officers.

Presentation This Afternoon.

A party of stalwart recruits left last night on the C. P. R. for new training camps in Upper Canada. Thirty-nine of those who departed will go into camp with the Canadian Signallers at Ottawa. This depot is commanded by Major Powers, of St. John. In addition to the signallers there were in the party twenty men for the Canadian Engineers. They will proceed to the training camp for the engineers at St. Johns, Quebec. The party was in charge of Lieut. McBeath and Acting Sergt. Duff. The only St. John boys in the party were R. N. Wetmore, Shirley Ellis, L. A. Head, C. Colwell, F. Naves and J. Mortimer. The majority of the remainder were all natives of this province, with the exception of six or seven.

Ordered to Petewawa.

The members of the 65th Battery, who have been in the province since the departure of the unit to the summer camp at Petewawa for recruiting purposes, have been instructed to report to the unit. This follows a recent order from the military authorities stopping recruiting for the artillery. Sergt. Lockhart will remain at Woodstock for a few days attending to matters in connection with the stores.

Lieut. Lutz, who had the misfortune to break his arm several weeks ago will remain in Woodstock until he has completely recovered from his injury.

Home on Leave.

Private P. L. Quinlan, son of Mr. and Mrs. Patrick Quinlan, of 432 Main street, arrived home yesterday after two years of service at the front. He enlisted in the west with the 2nd C. M. R. and has been through the heavy fighting which has marked the activities of the Canadians on the western front. He escaped unscathed by shot or shell, but was stricken with illness and now is home on six months sick leave in order to recuperate.

WATERBOROUGH

Waterborough, June 27.—The members of Lakeside House, the residence of Mr. and Mrs. T. M. Wiggins, were pleasantly surprised on Monday afternoon when Mr. Arnold Wiggins called with his motor car and conveyed Mrs. E. Stone Wiggins Bice, the wife of his Honor Judge Bice of Denver Colorado, the Misses Louise and Stella Wiggins, and Ronald C. Purdy of St. John, to his home, to share in a social 6 o'clock dinner.

After an enjoyable visit, Mr. Wiggins returned the party to Lakeside House, after which they were met at the beach gy Mr. Charles Smith in his motor boat and taken for a most pleasant sail.

On the return to Lakeside House, the evening was spent in music and games.

On the following morning Mr. Smith accompanied the party to the summer home of His Honor Judge and Mrs. Bice at Princess Park, Grand Lake.

Cox-Bell.

At the residence of Rev. D. J. McPherson, 165 Leinster street, yesterday morning at 11 o'clock, Robert Randolph Cox, of St. John, and Miss Otta Florence, daughter of Mr. and Mrs. Walter H. Bell, 160 Germain street, were married by the Rev. J. H. Jenner of West Side. Miss Mabel H. Bell, sister of the bride, was her assistant, and Gerald H. Cox rendered his brother the usual services. The happy couple left in the afternoon for Summerside, P. E. Island, where they will take up housekeeping.

HAD BOILS

For Six Months.

B.B.B. DROVE THEM AWAY

When the blood becomes impure the very first symptoms which manifest themselves are a breaking out of various forms of skin trouble such as boils, pimples, sores, etc., and to get rid of these troubles you must cleanse the blood thoroughly with a good blood remedy.

The best blood cleansing remedy on the market today is Burdock Blood Bitters.

Thousands of people from one end of Canada to the other have used it during the past forty years, and have nothing but words of praise for its cleansing properties.

Mr. Rufus Beers, Upper Main River, N. B., writes: "I want to say a few words about your medicine, Burdock Blood Bitters. I had boils for six months and sometimes was so bad I could not work. I tried lots of cures but nothing would drive them away for good until I took B. B. B. In a short time I was all better. It is a dandy medicine. I keep it in the house all the time."

Burdock Blood Bitters is manufactured only by The T. Milburn Co., Limited, Toronto, Ont. But so well and favorably is it known that there are many imitations on the market. See that our name appears on the wrapper.
