The knowledge of Autumn Fashions will interest every woman and many men. So many new goods are open for your inspection that we haven't the room here to fitly speak of them. We have been receiving them from here and there and we are ready to invite your verdict on our work. Every department contains the newest and most fashionable goods, and the prices—we'll leave them to your judgment.
It isn't practicable to give particulars in the papers, it would take too much space. We can't afford to pay the paper too much for helping to sell our goods. We ask you therefore to come for whatever you may want from day to day.
