TO EXTEND THE ROAD TO WESTON

As Soon As the Highway Is Sufficiently Widened—The Question Before the York Township Council.

Messrs. Fraser, Morton and H. H. Dewart, solicitor, appeared before the York Township Council yesterday asking for the privilege of extending the City and Suburban Electric Railway from its present terminus at Toronto Junction, along the Weston-road and Weston-road south, to the village of Weston.

The members of the council expressed themselves as favorable to granting the privileges asked for, but as Weston-road is only 42 feet wide they did not think it wise to grant such privilege until the road is widened to 66 feet. The matter was left over until a special meeting for further consideration, when plans of the proposed extension will be laid before the meeting.

Messrs. Fullerton, Neville & Wallace, solicitors, wrote the council claiming, on behalf of R. Griffin, $110 for damages sustained by water from Davenport-road, and which flooded his garden. Left in the hands of Mr. Goulding and the Engineer to investigate.

A petition was presented from a number of ratepayers stating that at the present time, in order to travel from points along the Don Mills-road to points along the town line between the townships of Scarboro and York, it is necessary to make a detour of about two miles to and from Don Mills-road, [illegible] that the original allowance for road [illegible]ut adjoining the south side of lots [illegible] 6 in the third concession from the [illegible] has been opened up westerly from the [illegible]own line road at the easterly limit of lot [illegible] westerly to a point near the intersection of the original allowance for road with Woodbine-avenue. The petitioners are desirous of having such original allowance for road continued and opened for travel westerly to the junction with the Don Mills-road. The matter was left over until next meeting.

On motion of Messrs. Heslop and Lucas it was decided to accept the tender of Chalmers & Hill for the improvement of Moore Park steel viaduct at $750, as recommended by the engineer.

The treasurer reported that the overdraft in the bank on July 3 amounted to $45,285.69.

In answer to the request of the council Bull & Werrett, solicitors, sent in a lengthy opinion citing many instances of illegal payments to members of last year's council and that any ratepayer of the township can bring as well on behalf of all the ratepayers of the township as on his own behalf, or the corporation as represented by the present municipal council, may bring same to recover the amount of such illegal payments. The communication was laid over until next meeting.

Special Auditor A. C. Neff presented his account amounting to $365, but it was laid over, as the members thought it higher than it should be.

A bylaw was passed granting the school funds for the year as follows: To the several school sections $42.75 each, union schools $21.40 each.

Suburban News.

John Dignum's residence, Davisville, was entered by a burglar early Tuesday morning, and silverware and cutlery to the amount of about $100 carried away. Entrance was effected by a window, and evidently the thief was acquainted with the premises. Chief Lawrence has the matter in hand.

The Little York Fire Brigade went to Guelph on Monday to take part in the games there on Tuesday and more than exceeded their expectations in the number of prizes secured. Every individual event entered was won by members of the brigade. The brigade was represented by Chief W. H. Lucas, F. Gilding, H. Hare, Thomas Humphrey, Chris Curtis, F. Chambers, J. Bouvette, A. Stinson, E. Jobbitt, Joseph Slemin, R. Crew, George Grieves, S. Cooper, G. Brett, James Ironsides and C. Tippitt. The Little York brigade challenge any of the brigades competing at Guelph for any amount from $50 to $300 to compete in a hose reel or hook and ladder contest. W. H. Lucas is the man to write to.

George Vaughn, Islington, and Charles Murphy, Sheridan and Dundas-streets, were up before Magistrate Wingfield yesterday charged by Mrs. Driscoll with driving through the Dundas-street tollgate without paying the tolls. Vaughn was fined $1 and costs, and Murphy got off by paying the toll and costs.

An Old Dispute Settled.

An arbitration case that had some amusing points was concluded yesterday. About two years ago a transaction in grain was made between J. B. McKay & Co. and J. Carruthers & Co. Owing to a shortage in weight, etc., the first-named firm claimed $550 from Carruthers. The latter, whenever approached by a representative of McKay & Co., always said he would allow $28 for the wrong done, but the McKays would not entertain such damage; they claimed $550. The award was taken up yesterday, and is as follows: That James Carruthers & Co. pay J. B. McKay & Co. within three days from date of this award the sum of $28. The costs, amounting in all to $14, to be paid by J. B. McKay & Co. The arbitrators were Messrs. J. L. Spink, J. H. G. Hagarty and William Galbraith.

Still Another Triumph.—Mr. Thomas S. Bullen, Sunderland, writes: "For fourteen years I was afflicted with piles; and frequently I was unable to walk or sit, but four years ago I was cured using Dr. Thomas' Eclectric Oil. I have also been subject to Quinsy for over forty years, but Eclectric Oil cured it, and it was a permanent cure in both cases, as neither the piles nor quinsy have troubled me since."

Pickpocket at Burlington Beach.

HAMILTON, Ont., July 4.—Charles E. Kramer, arrested at the Beach on Dominion Day while picking a woman's pocket, was committed for trial by the police magistrate to-day. John Noton of Rochester, N.Y., preferred a charge against Kramer of stealing $57 from him on the same day.

One or two bottles of Northrop & Lyman's Vegetable) isoovery will purify the blood, remove Dyspepsia and drive away that extreme tired feeling which causes so much distress to the industrious and persons of sedentary habits. Mr. W. E. Ellis, Druggist, Fenelon Falls, writes: "The Vegetable Discovery is selling well and giving good satisfaction."
