Capt. Corcoran of Cincinnati Caught the Pirates Cold in Their 2 to 1 Game on Saturday.

BROOKLYN AND BOSTON TIED.

Eastern League Reserved List Shows Toronto With 11 Players Retained for Next Year.

Pittsburg, Sept. 29.—Cincinnati made it three out of four by winning from Pittsburg to-day. The Pirates scored in the first innings on a base on balls, Hahn's error and Wagner's single. Cincinnati tied the score on two hits and McCreery's error in the fourth. After two were out in the sixth, Leach's error put Peitz on second, and singles by Irwin and Corcoran scored the winning run. A diversion came in the eighth, when Corcoran, Breitenstein and Emslie held a consultation on the diamond. The spectators, believing that the Reds were playing for darkness, became noisy, but quieted down when Captain Corcoran, accompanied by Geier, ran to the centre-field fence, which the outfielder scaled. Once on top, he pointed gleefully to something behind it, and then threw a black iron bar to Corcoran, who sprinted back to the diamond with his find, which, he said, was part of a signal service bureau. He said that the bar was turned across a white-letter advertisement by a player beyond the fence. President Dreyfuss said that if any signal bureau was working he did not know of it. Score:

At New York—Philadelphia was unable to do anything with Hawley's delivery at the Polo Grounds, and, as a result, suffered defeat at the hands of the New Yorks. Wolverton's home run, with Flick on base, saved a whitewash. Bernard ran into the 50-cent seats in the seventh in going after a fly, and hurt himself so badly that he had to retire. The game was called at the end of Philadelphia's last half of the eighth on account of darkness, and reverted to the seventh innings. Score:

New York	1 0 1 1 1 0 0 —	4	8	4

At Chicago—Twelve men faced Powell in the opening innings of the first game, seven of them scoring on four errors and five hits. Chicago made no more runs. Menefee was wild, poorly supported and hit hard in the fourth and fifth. St. Louis tied the Chicago's big lead. Garvin came in, pitched one good innings, but was hit for three runs in the sixth.

The second game was a pitcher's battle between Sudhoff and Griffith. Heidrick preventing Chicago from winning in the last innings by his wonderful running catches in deep centre. Game called at the end of the seventh innings on account of darkness. Attendance, 1200. Scores:

Line catches by Collins and Tenney and heady plays by Demont and Dineen were the features. Two games will be played on Monday. Score:

TWO NEW ATHLETIC RECORDS

Long Ran 440 Yards in 47 4-5 Seconds and Flanagan Threw the Hammer 169 ft. 3 in.

ALEX. GRANT WON TWO RACES.

Toronto Runner Captured Mile Handicap From Scratch and Also 2-Mile Steeplechase.

New York, Sept. 29.—The annual fall games of the New York Athletic Club were held to-day at the club's summer home, Travers Island, on the Sound, in the presence of about 7000 spectators. The weather was raw and unsuitable to clever performances on track and field. Notwithstanding this, two world's records were broken. In the 440-yard run, handicap, Maxwell W. Long of Columbia University covered the distance in the remarkable time of :47 4-5. These figures eclipse all former records, amateur and professional, on a circular track. The best previous record was :48¾, made by the late L. E. Myers at Stenton, Pa., on Oct. 13, 1881. The present English record is 48⅕, held jointly by H. C. L. Tindall and F. C. Bredin. Wendall Baker of Harvard holds a straightaway exhibition record of :47¾, made at Beacon Park, Boston, in 1887, but as his best record for a circular path is :50, the former one has never been seriously accepted by athletic authorities. Long ran from scratch in a handicap race and had to run rather wide at one of the turns, winning by 18 yards.

The other world's record was made in the hammer-throwing event, in which John Flanagan of the New York Athletic Club sent the missile 169 feet 3 inches, beating the former record of 167 feet 8 inches made by himself on the same ground two years ago. In the shot-putting event, Horgan, holder of the English record, failed in his attempt to beat the American record of 47 feet, his best effort being 45 feet 3 inches.

Alexander Grant, Toronto, was in great form, winning the steeplechase and the mile handicap from scratch.

The swimming championships of the Amateur Athletic Union were held in conjunction with the meet and E. C. Schaefer of the University of Pennsylvania carried off the 100-yard, 200-yard and 440-yard events.

In the 100 yards he lowered the American record of 1.18-3-5 to 1.05 3-5. Dr. W. G. Douglas, the old-time champion swimmer, carried off the half-mile in capital style and his victory created great enthusiasm among aquatic enthusiasts. Summaries:

Certificate by Dr. Clark, Glasgow.

I have made a careful analysis of a fair sample of the Distillers' Company's stock of Very Old Special Scotch Whisky, taken by my assistant from the bonded stores in which it is lying ready for shipment, and the results of my analysis indicate that it is a pure whisky, which has been matured for a long time in wine casks, and I am of opinion that it is exceptionally mild to the taste and of fine flavor.

GRAVESEND GET-AWAY DAY

Not a Favorite Finished in Front and Jockey Henry Won Three Races There.

6 TO 1 SHOTS LAND HANDICAPS.

Closed Also on Saturday at Windsor, Where the Meeting is Said to Have Been a Success.

New York, Sept. 29.—This was a characteristic get-away day at the Gravesend track. Not a single favorite was first to the wire, one after another going down in startling succession. The feature was Jockey Henry's clever work. He rode three winners and one placed horse, and, as it happened, in each case for S. C. Hildreth. His followers reaped a harvest. Two stakes were decided, the Oriental and Prospect Handicaps. Imp was scratched from the Oriental, and Jack Point was then made a hot favorite, with Gonfalon next in demand, Charentus, the outsider in the betting, upset calculations. Well handled by Burns, he made all the running, and won easily from Gonfalon, who closed fast, after dropping out of it on the far turn, and beat Jack Point for the place. Beau Gallant won the Prospect Handicap, largely thru Henry's clever riding. It was not a true run race as far as Blues and Dublin were concerned. The former was practically left at the post, and then finished fourth, and Dublin was crowded out or it on the far turn, when running with the leaders. The other winners were Teamiond, in the first, at 5 to 1; Alsike, in the second, at 3 to 1; Balloon, in the fifth, at 8 to 1, and Wooster Boy, in the last, at 7 to 2. Summaries:

The Hounds on Saturday.

The hounds met in the Queen's Park, and threw off back of Upper Canada College. Rain probably prevented some from turning out, but there was a capital number of enthusiasts, numbering fully a quarter of a hundred, among whom was the Master on The Maligned, Dr. F. A. Campbell on Professor, Mr. Moorehouse on Flood, Mr. William Hyslop on Major, Mr. Hume Blake on Patrol, Mr. Adamson on Exitus, Mr. Phillips on Rifler, Mr. Phelan on Aldington and Mr. Loudon on Gallahad. The going was soft and slippery and the jumping only fair. There were no spills. The hounds ran north near Glen Grove, then west, and then in a circuit round to the east, thru the Don Valley, across Mr. Robert Davies' farm, back to Rosedale.

Windsor Claims a Success.

Windsor, Ont., Sept. 29.—This was get-away day at the track, where a race meeting of 60 racing days has been conducted by the new Windsor Jockey Club, an organization that has come into the field to stay. While it has not been a financial success, owing to a conflict in dates with Highland Park, the Canadian track has been operated just twice as long as was originally advertised. All the purses have been paid promptly and in full and the reputation made with the horsemen for fair dealing insures a big list of horses at the meetings Windsor will hold next season.

OVER THE LINKS AT DIXIE.

O'Flaherty Won the Golf Handicap, and Quebec Beat Ontario in the Match.

Montreal, Sept. 30.—The championship golf meeting was concluded on Saturday on the Royal Montreal golf links at Dixie. It was a miserable day for golf, with the rain pouring down in torrents, the turf thoroly soaked, and the roads and pathways slushy and muddy. The players did their rounds of the links under the protection of umbrellas, with jerseys and flannels soaking wet. The morning was devoted to the open handicap in the championship series, open to all members of the associations affiliated with the United States and Canadian Golf Associations. The handicap was limited to 18 strokes. The result of the matches was as follows:

	Total.	H'c'p.	Net.
J. O'Flaherty	89	10	79
Watson Hall	90	10	80
Stewart Gordon	85	4	81
A. H. Campbell	91	8	83
J. Taylor	89	5	84
C. F. Wylie	94	10	84
Vere Brown	87	Scr.	87
A. G. Thompson	91	4	87
F. W. Watson	97	10	87
H. A. Budden	101	10	91
R. C. H. Cassels	101	9	92
D. W. Baxter	107	5	93
A. Palmer	109	6	96
J. Purcell	121	10	111

Watson Hall is a mere boy of 15 years of age, and his splendid playing was the subject of universal comment.

Mr. Stewart Gordon of Toronto, besides winning the third prize in the handicap match, won the prize offered by Mr. Watson, president of the association, for the best natural score, 85.

The event of the day was the interprovincial match between teams representing Ontario and Quebec. The score in detail was as follows, the first name in each case being that of the Quebec player:

Quebec—		Ontario—	
G W Macdougall	0	G S Lyon (captain)	0
J P Taylor (captain)	0	Vere Brown	0
K R Macpherson	1	Stewart Gordon	0
S Blanchet	0	W H Blake	0
H McCreevy	0	A H Campbell	1
A Z Palmer	3	D W Baxter	0
Fayette Brown	2	J H Moss	0
J H Meeker	0	C A Masten	7
N Kippen	0	Prof Cappon	4
W S Clouston	7	G Thompson	0
J O'Flaherty	6	E D Creerar	0
H A Budden	0	B Cassells	0
Watson Hall	5	S C Wood	0
Total	27	Total	24

The match was close enough to be exciting. With five men to come in, Ontario was leading by 10 holes up. The lead was reduced finely, when young Watson, with his five holes up, came in. With two to come in, Ontario was three holes up, and with one to come in, Macpherson, and Gordon, Quebec was two up. At the 16th hole Macpherson was two up and two to play. If he lost both holes the score on the match would remain two up for Quebec, so that the game was practically won. He lost the 17th and won the 18th hole, Quebec thus winning by three holes up.

Hanlan and Columbia Crews.

New York, Sept. 29.—Edward Hanlan, who will have exclusive control of the coaching of the Columbia's crews in the future, was at the University yesterday making arrangements in the gymnasium and boathouse for the fall practice of the candidates for both varsity and freshman crews. The men will be called out early next week and will row on the Hudson in barges for a month if the weather permits. Hanlan will change the method of winter work completely. He does not believe in indoor work on rowing machines, and will not call the men out for regular work until next February, instead of early in January, as heretofore. Captain Nash is arranging for a fall regatta to be held on the Hudson about Nov. 1.

Indications point to an early settlement of the question of superiority between Peter Maher and Gus Ruhlin. The Penn Art Athletic Club has offered the Irish champion and the Akron Giant 60 per cent. of the gross receipts to spar in its arena. Ruhlin has already signed articles of agreement, and it is expected that Maher will do likewise in a few days.

ARGONAUTS EAT TIGERS UP

The Hamilton Footballers Just Saved a Whitewash—The Score Was 21 to 1.

—Junior Series.—

Hamilton III. by default from St. rocks; Toronto, by default from Excelsior-Sham-John's.

The Rugby football season opened in Toronto on Saturday afternoon, when the Argonauts met and beat the Tigers to a pulp, to the tune of 21 to 1. The Ambitious City players barely saved themselves from a whitewash, more by good luck than by good play. The crowd, considering the weather, was a large one, there being pretty nearly 1000 enthusiasts present, including a couple of hundred from the Mountain City, whose faces were as dark and dreary as the day, when the whistle sounded for "time" and the finish of the first Rugby match of the season.

The grounds were in good shape, and in no way hindered or affected the play on the part of the backs, as the Argonaut trio clearly illustrated by their at times clever passing. There can be no hot air story on the part of the Tigers about their losing the game, for they were clearly and cleverly outplayed at every position on the team. Even the wily Joe Wright, whose scrimmaging was considered by Referee Brown not up to his best form, had things all his own way, and the ball went back to the Argonauts' halves four times to the Hamilton's once.

The match at times was flavored with just enough roughness to show that there still remained the old rivalry between the Tigers and the Lambs.

During the match there were several men hurt, and the Hamiltons had to replace two of theirs, while Wylie, who had his ankle badly sprained, had to go off, and Hill went on to fill up the vacancy on the oarsmen's team.

The only pair that were penalized for swapping were Love and Green. This encounter took place near the finish of the game.

Shortly after the scheduled time, the players faced each other, with the Tigers playing south. Langton kicked off for the scullers, and the play went to the visitors' end, where the ball was scrimmaged near the line. Morrison passed back to Wylie, who went round the end and over for the first score of the day. The ball was brought out and placed by Ripley. Darling converted the try, and the score stood 6 to 0. From the time the ball was put into play till the first score was made, it only took 50 seconds.

On resuming play, Russell was hurt, and Murphy replaced him. From the kick off at quarter, Hardisty returned, getting in one of his long punts, which
