MacSWINEY NEVER MORE COMFORTABLE THAN IN BRIXTON

Hot Water Bottles Packed Around Body and Nurses in Attendance Always.

Special to The Standard.

London, Sept. 30. — If his hunger strike is not a fake, Cork's Mayor and citizens have smashed some world's records. Nothing is heard of the Cork jail strikers now, but they started on August 10th, and if not among those removed on the British destroyer last week, they must now be on their 46th day. MacSwiney is on his 47th, and, although "dying" weeks ago and so reduced even his relatives could not talk to him last week, he was able to endure a 20-minute visitation from Archbishop Mannix yesterday. Mannix is repeating "Miracle! Miracle!" Dr. Tanner, the professional faster, went 40 days. Succoli did 45 days. E. Lowe did 50 days. Anne Gestha, Austrian girl, went 65 days.

Not Like a Prison.

The drain of vitality on the hunger strikers is reduced to the lowest possible. They lie packed in hot water bottles maintaining body heat artificially and changed at the slightest covering of the temperature. Oil gentles maintain the temperature at as all summer heat. Medicated water are administered constantly. Relatives are allowed at all hours, and there is in reality no lack of excellent food within his belt. There is nothing to prevent food being taken, not even the presence of the room guards, who are constantly in Brixton. The Lord Mayor's quarters in jail are as good as he ever had in court. There is no indication of confinement in the large, bright, well furnished bedroom except the bars of the window. In such circumstances the human body practically vegetates, feeding on itself like a potato in a pit.

An average of works of charity and prayers have nothing but beer and wine to drink. Toronto Liberty League is just about to suggest hot water bottles as a tag day for relief.

WEDDINGS.

Ougler-Ellis.

On September 29th a wedding of much interest took place at the home of Edwin Ellis, when his sister, Miss Mabel C. Ellis, only daughter of the late Henry Ellis and Mrs. Ellis, of this city, was united in marriage to Leonard E. Ougler, of West St. John. Rev. H. A. Cody performed the ceremony. The bride was becomingly attired in a blue suit with picture hat to match and carried a bouquet of Ophelia roses. She entered the room on the arm of her brother, Charles, while the wedding march was being softly played by Mrs. Albert Ellis. Miss Jessie Ougler attended the bride, while Charles Ellis supported the groom. The rooms were beautifully decorated with cut flowers and maple leafs. After the ceremony the guests sat down to a wedding supper. Many beautiful and costly presents were received including cut glass, silver and cheques, and the happy couple have the best wishes of a large number of friends for their future happiness. Mr. and Mrs. Ougler will reside at 350 Duke street, West St. John. The groom is a veteran of the great war, having served four years overseas.

Dearest Merton, how we miss thee—
Friends may think the wound is healed,
Little do they know the sorrow
That lies within our heart concealed.

Four years are gone, our hearts still sore.
As time goes by we miss thee more;
His sunny smile, his laughing face,
No one can ever fill his place.
In loving memory of Sergt.-Major M. N. Crawford, No. 111118, 6th C. M. R., who gave his life at Regina Trench on Sunday, October 1st, 1916.
