Local and Provincial.

AUCTION.—At H. C. Vaughan's auction sale on Wednesday last hay sold for $9.50 per ton and cows for $35 and $30.

BOY WANTED.—To learn the barbering business. Must be active and quick to learn, and about 15 years of age. Apply to J. M. Shaw, Wolfville.

PROPERTY CHANGES.—J. S. Dodd, Esq., has purchased from J. W. Hamilton, Esq., his farm, and has sold the Dr McLatchy house and premises to Mr Hayes, of Halifax

A WHITE SHEET.—The entertainment given by Mr Walter H. M. Greenhill on Wednesday evening, in Witter's Hall, was a success so much so that Mr Greenhill has decided to repeat it at the same place next Tuesday evening. We would advise all who can to attend and spend a pleasant evening.

MUNICIPAL COUNCIL.—We devote a large portion of our space this week to the proceedings of the Municipal Council. We have thought it well to have it all in one issue so as to make it convenient for reference. We would advise our readers to preserve this paper as it will probably be the only report many of them will receive, and may be useful in the future

APOLOGY.—Owing to the illness of the most of our staff the ACADIAN appears this week some hours later than is usual, and next week we may be unable to get out our regular issue. We trust our readers will overlook any deficiency at this time and we promise to do all in our power to make up for the loss. As this is the first time in several years that we have lost an issue we feel sure our patrons will pardon us.

$6.50 for High Patent Flour at Rand Store, Kentville.

RUNAWAY.—Arthur Thompson, a lad of some 14 years of age, from Briar Island now stopping in this village, had a narrow escape from serious injury on Tuesday While delivering a load of coal for J. W. Higgins at Rev. Mr Hemmeon's his horse took fright at a lump of ice thrown at him by a boy and becoming unmanageable ran toward its stable. Turning suddenly into the yard the truck came in contact with some obstacle and overturned both horse and cart. The boy seeing his danger jumped from the cart and fell, striking his head upon a stone inflicting an ugly cut. The cart wheel also struck him on the hip and bruised him considerably though not seriously.

WOLFVILLE DIVISION.—Wolfville Division is in a most prosperous condition at present. During the past quarter many new names have been added to its membership and the new quarter gives every promise of being a successful one The officers for the present quarter are as follow:—

A. R. S.—W. H. Evans
F. S.—G. H. Patriquin

Cond.—F. B. Sandford

O. S.—B. O. Davison

Undoubtedly the largest and finest display of holiday goods in town let be seen at R. Prat's.

VOCAL MUSIC.—We are glad to state that Mr Burpee Witter has formed a singing class in connection with Wolfville Division, and will give a course of twenty lessons in his hall during the winter months. This most useful and desirable art we regret to say is too apt to be neglected by the youth of our village, perhaps on account of the limited opportunities that have been offered of gaining instruction. We congratulate Wolfville Division on this excellent opportunity it has of giving its members such a course in vocal music. Mr Witter also informs us that he will be pleased to add any persons to his class on payment of $1.00. As Mr Witter's ability as a teacher of vocal music is well known we do not doubt many will avail themselves of the excellent opportunity of joining his class, which meets on Tuesday and Friday evenings of each week.

BEAN SUPPER.—We understand that Acadia Lodge intends having a "Bean Supper" some evening next week.

ADVANCE IN REAL ESTATE.—It is reported that the purchaser of the H. C. Vaughan farm has resold at an advance of $1,000.

BUNNY.—Rabbits are reported very plentiful on Long Island and quite a number have been shot by our Wolfville boys. Three members of the Wolfville Gun Club are reported to have spent a half a day in hunting for them last week but unfortunately returned empty handed.

ANOTHER POKER.—The past year seems to have been a good one for pigs. The news of another good-sized one being killed has reached us this week. Mr Stephen Dodge, of Greenfield, has sent us word that he killed one last Friday, eight months old, which weighed 354lb. Come again!

PROF. SAUNDERS.—Professor Saunders, chief director of the government experimental farms, is coming to Nova Scotia and will address the fruit growers' meeting next week. The Professor is already well known here, having spoken before the fruit growers in 1887, and no doubt many will avail themselves of another opportunity of gaining valuable information from him.

Choice Labrador herring in ½ barrels at Prat's

SHEEP RAISING.—Alexander Taylor has sold the Grandison Eagles farm, situated on the Gaspereau mountain, to Edward C. Johnson and Edgar Atherton. We understand that Messrs Johnson and Atherton intend going into the raising of sheep on a large scale and have bought this farm, which is well adapted for the purpose, with that object in view. Sheep raising is a new industry here, but if properly managed cannot fail to be successful.

SAD.—It becomes our sad duty this week to record the death of one of our brightest and most promising young ladies, Miss Bessie Allison Payzant, which took place on Tuesday morning at the residence of her father, Dr E. N. Payzant. Miss Payzant was a general favorite and her early death by that fell disease, consumption, has caused deep sorrow in the community. Up to last spring she was the picture of health, at which time she was taken ill and has since been slowly fading. The funeral took place on Thursday and notwithstanding the severity of the storm, was largely attended. Acadia Lodge, of which she was a member, attended and assisted at the burial. The students of the College also formed in the procession, Miss Payzant having matriculated with the present junior class. We tender our deepest sympathy to the bereaved family and friends.

ANNIVERSARY.—Wolfville Division, S. of T., celebrated it thirty sixth anniversary last Monday evening and made quite a manifestation in commemoration of the event. Evangeline Division, of Lower Horton, was invited, and accepted the invitation *en masse*. Both Divisions were well represented and the hall was filled. The entertainment throughout was of a high order. Speeches were given by prominent members of both Divisions and were of an interesting nature and heartily enjoyed. Some excellent dialogues were given, several fine choruses, and a good reading. At the close of the evening refreshments were furnished and these, it is needless to say, were thoroughly appreciated. As the meeting was brought to an end by the closing ode all returned to their homes with the remembrance of one of the pleasantest evenings they had spent for a long time.

—The mass temperance meeting in the Baptist meeting-house last Tuesday evening was one of the largest and most enthusiastic meetings ever held in Berwick. The evening was favorable and the people flocked in from all directions, among whom were many of the most solid and intelligent supporters of the temperance reform. The pulpit was represented by Rev. E. O. Read, Rev. A. S. Tuttle, of Berwick, Rev. Mr McFall, of Somerset and Rev. Mr Price, of Cambridge. The Women's Christian Temperance Union, the Band of Hope, together with the Somerset and Berwick Divisions, were out in mass, clothed in their distinguishing badges. F. H. Parker, Esq., presided. The meeting was protracted to a late hour and near its close under the discussion of exciting questions, became rather noisy. A strong resolution was heartily passed pledging all necessary assistance for the enforcement of the law and a strong committee to preside over our temperance interest, with F. H. Parker as chairman. The women took a prominent part in originating and bringing the meeting to a successful issue. A very timely and pointed paper was read by Mrs J. B. Thomas, of Somerset. The exercises were enlivened with vocal and instrumental music, the thanks of the meeting are specially due to Mr and Mrs E. E. Lawrence, of Woodville Division, for their very choice and appropriate service of song.

GOD SAVE THE QUEEN.

—"The Bank Tragedy" is the title of a serial story of great power, written by Mrs Hatch, author of "The Upland Mystery," which was published in the *Transcript* two years ago, which has since then had a sale of about 100,000 copies in book form. The new serial is a detective story, the plot of which is constructed with remarkable skill. It will exercise the ingenuity of those who are experts in guessing the plots of half read novels. The scene is laid in northern New Hampshire, but some of the tragic and romantic incidents of a recent famous bank case in Maine are worked into it. The story is being published in the *Portland Transcript*, beginning Jan. 2d. The publishers offer several premiums for the best guesses at the plot sent in by subscribers before Feb. 20th. Subscriptions, $2.00 a year, 6 months, $1.00.
