DR. HALSEY'S GUM-COATED FOREST PILLS.

(A Medical Discovery of unmitigated efficacy.)

These Pills are prepared from the best Sarsaparilla, combined with other vegetable properties of the highest Medical virtue. They are warranted not to contain any Mercury or Mineral whatever. They purge without griping, purify the blood, strengthen the system, and in short, have no equal. Nature can be tested at any time without hindrance from business, change of diet, or the fear of taking cold. They neither have the taste nor smell of medicine, and are free from more effectual in the cure of disease than any Pills in use.

But a short time has elapsed since these great and good Pills were first made known to the public, yet thousands have already experienced their great effects. Invalids given over by their Physicians as incurable have found relief, and been restored to sound and vigorous health from their use.

TO FATHERS OF FAMILIES.

Bile and foul state of the stomach occasions more sickness and deaths in families than all other causes of disease put together. In the latter part of Summer and Autumn, when the stomach and bowels are poisoned from putrescent vegetable matter, fevers, cholera morbus, and other dangerous disorders, all proceeding from a bilious and foul state of the stomach. No parent can be so ignorant as not to know the great danger existing from biliousness—no parent would be guilty of causing the

DEATH OF THEIR OWN CHILDREN!!!

Yet thousands of children and adults die every year through neglect of parents to attend to the early symptoms of bile and foul stomach.

Superfluity of bile may always be known by some unfavorable symptom. Either a yellow tinge of the sick stomach, which has of nights, bitter taste in the mouth, yellowness of the skin, sluggishness, costiveness, or other symptoms of a similar nature. Costiveness is with every person at the season of the year in bilious, the highest of which is sure to bring on some dangerous disease, frequently terminating in death. A single 25 cent box of Dr. Halsey's Gum-Coated Forest Pills are sufficient to keep a whole family from bilious attacks and sickness for three months to a year. A dose from two to 5, of these mild and excellent Pills for a child, from 5 to 4 for an adult, and from 5 to 8 for a grown person, carry off all bilious and morbid matter, and restore the stomach and bowels, curing and preventing all manner of bilious attacks and many other diseases.

SALTS AND CASTOR OIL.

No reliance can be placed on Salts or Castor Oil. These, as well as all other purgatives, if taken without touching the bile, leave the bowels costive to an extent far worse than before taking. Dr. Halsey's Forest Pills act on the gall ducts, and carry all morbid bilious matter from the stomach and bowels, leaving the system strong and buoyant, mind clear, and every person in good health.

Dr. Halsey's Forest Pills are alike all others. They act directly on those vital organs of the Stomach, Liver, Kidneys, &c., which secrete the fluids of the body and separate the impurities from the blood. While they purge all bilious and morbid matter from the bowels, they thereby destroy the seeds of disease. The Forest Pills do not weaken, but give strength and invigoration to both body and mind. They neither cause griping nor any inconvenience whatever, and the patient is better able to attend to business while under their influence than before taking them. They are mild in operation, yet powerful in restoring health.

The great amount of good these Pills have done for the sick and afflicted, have induced thousands to commence them to their friends and the public. Individuals of worth and integrity in almost every part of the country have testified to the world in favor of their great effects in curing disease.

Testimonial after testimonial showing their great powers of curing in almost every class of disease have been tendered to us by individuals of undoubted character and responsibility. The following testimony is from a respectable and wealthy farmer residing near Utica, New York:—

UTICA, November 9, 1848.

Dr. G. W. HALSEY,—Every fall, for several years back, I have had much sickness in my family, of Bilious Disorders, and Ague and Fever. In the fall of 1848 two of my sons were down sick at the same time with Bilious Fever. In December, when sickness occurred in my family, I had always employed a Physician. But at this time having two boxes of your Forest Pills in the house, I concluded to try them. I gave to each of them six Pills, and four hours after I gave them three Pills more. They soon operated, bringing away much black and green matter. On the following day the fever left them, and they both recovered without any more medicine. Since this time I have always kept your Pills at hand, and in all cases of sickness we have used them with the best happy results.

NOTICE TO THE PUBLIC.

In 1840 Dr. Halsey's Pills were first made known to the public, both in the form of Halsey's Sugar-Coated Pills." Their excellent qualities soon gained for them a high reputation, and the annual sale of many thousand boxes. This great success excited the envy of designing men, who commenced the manufacture of counterfeits, which they coated with Sugar, to give them the outward appearance of Dr. Halsey's, in order to sell them under the good will Dr. Halsey's Pills had gained by curing thousands of diseases.

The public are now in no danger of unwittingly buying Dr. Halsey's genuine Pills will hereafter be coated with

GUM ARABIC.

An article which is every regard superseding Sugar, both on account of its healing virtues and its durability. The discovery of its healing virtues was the result of a succession of experiments during three years. For the benefit of invalids, it may be mentioned that the Gum-Coated Forest Pills present a beautiful transparent glossy appearance. The well-known wholesome qualities of pure Gum Arabic, with which they are coated, render them still better than Dr. Halsey's celebrated Sugar-Coated Pills. The Gum-Coated Pills are never liable to become dampness, but remain unimpaired of time, and are perfectly free from the disagreeable and nauseating taste of Medicine. In order to avoid all imitations and to obtain Dr. Halsey's true and genuine Pills see that the label of each box bears the signature of G. W. HALSEY.
