LOSS OF APPETITE.

A lack of desire for even the most wholesome food is always observable when there is a weak and disordered stomach, consequently dyspeptics rarely take food enough for its proper nourishment of the body, and run into a decline. By toning up the stomach to the performance of its proper functions, the appetite soon improves, digestion goes on, and a marked improvement directly takes place. For this purpose there can be nothing better than

Ayer's *Hair Vigor,*

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. *Faded or gray hair is soon restored to its original color, with the gloss and freshness of youth.* Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous, and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre and a grateful perfume.

—OF—

THE DAY

TO THE

LIGHT-RUNNING

ROYAL

If a good machine you want to buy
I'll tell you where to call,
The best are sold by Fishers
So say the people all.
And they are always willing
To give every one a trial,
They sell the championsewing machine
It is the Family Royal.
If you ain't got the money
You need not fear,
If you cannot pay the cash
They'll trust you for a year.
And when the year is ended
And the money is come due
You never need to be afraid
That they will trouble you.
There are other agents
That sell the Wanzer and the Howe,
But they will never trade
On a horse or yet a cow.
But Fishers, they are willing
That the Farmer too should live
And they will take in change
Whatever they will give.
So if you want to deal with them
You need not be afraid,
For they are always willing
And open for a trade.
The blacksmiths, they have dealt with them
And now their women smile
To think their men were sensible
And bought for them the Royal.
The butchers too, who live in town
Whose women used to scold,
Have bought from them the Royal
That's worth its weight in gold.
Their women now are singing
And on their face a smile
They say that sewing is but play
Since they have got the Royal.
The bakers too have purchased one
But not to mix their dough,
They say it is the best machine
That ever was to sew.
Mr. Harney has been in town
He knows that this is true,
So if you want to purchase
We would like to deal with you.

Ayer's Cathartic Pills,

For all the purposes of a Family Physic, and for curing Costiveness, Jaundice, Indigestion, Foul Stomach, Breath, Headache, Erysipelas, Rheumatism, Eruptions and Skin Diseases, Biliousness, Dropsy, Tumors, Worms, Neuralgia, as a Dinner Pill, for Purifying the Blood,

Are the most effective and congenial purgative ever discovered. They are mild, but effectual in their operation, moving the bowels surely and without pain. Although gentle in their operation, they are still the most thorough and searching cathartic medicine that can be employed: cleansing the stomach and bowels, and even the blood. In small doses of one pill a day, they stimulate the digestive organs and promote vigorous health.

AYER'S PILLS have been known for more than a quarter of a century, and have obtained a world-wide reputation for their virtues. They correct diseased action in the several assimilative organs of the body, and are so composed that obstructions within their range can rarely withstand or evade them. Not only do they cure the every-day complaints of everybody, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are, at the same time, the safest and best physic for children. By their aperient action they gripe much less than the common purgatives, and never give pain when the bowels are not inflamed. They reach the vital fountains of the blood, and strengthen the system by freeing it from the elements of weakness.

A dreaded cold, sores and conditions in all climates, containing neither calomel nor any deleterious mineral, these Pills may be taken with entire safety. Their extreme sensitiveness, when ever fresh and mildness when put up to take, while leaving perfect activity to the Liver, can alone recommend them to a trial.
