An Elegant Holiday Gift.

The Most Elegant and Recherche Watch ever seen Full Jeweled American Movement Chronometer Balance Adjusted To Heat and Cold. WORTH $25.00 BUT WE SELL YOU ONE AS A SAMPLE FOR $6.75.

The Cases are made of a Metal that resembles, 18 K. GOLD they are not polished but SATIN FINISHED or Enameled and Engraved.

The cases are also artistically engraved with birds, flowers, scrolls, etc. We also engrave any short name or initials on the watch free of charge (see cut) if wanted, but do not advise it unless you do not care to sell the watch—which you can easily do if your name is not on it. Some of our customers have sold them for $25.00, in fact, a dishonest person could easily sell them for three times that amount by representing them to be solid gold, as they are something entirely new and are not for sale in any retail jewelry house in America. We guarantee these watches to be perfect time keepers, the workmanship of American make, and unexcelled workmanship. The case is finished with the best gilt to resemble genuine gold every detail covered. It resists jewelers test that it is not SOLID GOLD, even by the chemical test, as it will STAND ACID and resemble gold very closely. They are suitable for use on RAILROADS, STEAMERS and all other places where ACCURATE TIME is required. Wishing to immediately place one of these valuable watches in every locality in the United States and Canada, we make the following offer:

OUR GRAND OFFER FOR RECEIPT OF $6.75 and this ADVERTISEMENT, we hereby agree to forward by REGISTERED MAIL, to any address, all charges prepaid, one of the above described Watches. We can only send out a LIMITED NUMBER of these Watches at price named, and in order to protect ourselves from jewelers and speculators ordering in large numbers, we insert this advertisement in THIS PAPER BUT ONE TIME. Hence we require you to CUT IT OUT and send to us with your order, that we may know you are entitled to the benefit of this offer. Under no circumstances will we send MORE THAN ONE WATCH AT ABOVE PRICE, to any one person, and if others are desired we will furnish them at regular prices. If you do not want a watch yourself, you can sell it to some neighbor and make a handsome profit. Many of our agents sell those watches at from $15 to $25. We will mail you Catalogues at the same time we send watch, and feel sure that you will be so HIGHLY PLEASED that you will exhibit Catalogues and Watch to your friends, thus ASSISTING us in selling OTHER GOODS of STANDARD QUALITY which we manufacture from new and original designs, and guarantee to give satisfaction. Our firm is known all over the country, and we always do just as we say we will. We refer you to any Bank or Express Company in the city. If you do not find that our Watch is as represented, return it at our expense, and the purchase money will be promptly refunded. Address

A FINE IMPORTED DOUBLE BARREL BREECH LOADER WITH OUTFIT FOR ONLY $13.75

THE GREATEST OFFER EVER MADE TO SPORTSMEN.

We have just purchased **AT A GREAT SACRIFICE** from a LEADING NEW YORK GUN IMPORTING FIRM (who have recently failed) their entire stock of the well-known and standard **"JAMESON" DOUBLE-BARREL BREECH-LOADING SHOT GUNS,** AS ABOVE DESCRIBED AND SHOWN IN CUT. It is equal in every respect to a COLT, PARKER, or REMINGTON for **BRILLIANT EXECUTION** AND OTHERWISE. As we bought a large number, we have decided to offer a LIMITED NUMBER **AT ONLY $13.75** each, **UP TO JAN'Y 15th, 1885,** (for the purpose of introducing them more thoroughly in the United States), **AFTER JAN'Y 15th,** we shall charge the REGULAR RETAIL PRICE OF $26.00. SPORTSMEN AND OTHERS can now lay aside their muzzle loaders and secure this most SUPERIOR BREECH-LOADER at the **UNPARALLED LOW PRICE OF $13.75.** We caution Gun buyers to beware of bogus and imitation Double-Barrel Breech-Loaders offered at near this price. The testimonials of same are generally spurious and used as bait to catch orders. The barrels of such Guns are frequently made of Pot-Metal, Sham-Twist, or Wrought-Iron and are unsafe to shoot. **THE BARRELS OF THE JAMESON** AS OFFERED BY US are made of **THE FINEST SHEFFIELD STEEL** and each Gun is so BRANDED, besides we will send a GUARANTEE with each one. NO OTHER FIRM WILL DO THIS. Upon receipt of part of the amount, to show good faith in ordering and to cover us on Express charges, we will ship C.O.D. by Express, with privilege to examine before you accept it, or if the full amount of **$13.75** is sent with order, we will send **RE-LOADING TOOLS AND A CARTRIDGE BELT FREE** with each Gun. This advertisement will not appear again, and it will be a very long time before we will ever again be able to make such another great and most **ADVANTAGEOUS OFFER.** Nothing gained by correspondence as the Gun is fully described above. THE BEETHOVEN ORGAN.

FOR X-MAS.

A Christmas present for **mother, wife, sister or daughter,** and a delight to the whole family, an ornament to the parlor, and a satisfaction to yourself, can be obtained by sending IMMEDIATELY for one of the justly celebrated Beatty Beethoven Organs. These instruments, of which we have made and sold many thousands, contain more musical combinations and excellencies than other organs of several times the price of our offer for the Christmas season.

We will ship immediately, on receipt of this or our address one of these magnificent instruments, as per illustration, together with a Revolving Piano Stool and large Book of Music.

$75.

BEATTY'S CELEBRATED

20-STOP BEETHOVEN ORGAN:

This is the only organ in the world that contains 20 Stops, 9 Sets (14 octaves), GOLDEN TONGUE REEDS. Hence, this instrument is so superior for grand and beautiful musical combinations, as shown by the following Stop specifications of the

LATEST IMPROVEMENTS.

Mezzo Knee Swell; also Maestoso Percussion Patent Combination Swell.

To which is added the AEROSTATIC EXPRESSION INDICATOR, or REGULATOR, which shows at a glance the amount of pressure upon the Bellows; like a compass to the ship is this new improvement to the organ.

The great popularity of "The Beethoven Organ" makes its sale exceed by many thousands that of any other style made by us. As shown in the picture, it is a beautiful piece of furniture, and an ornament to any parlor. It is made of selected material, Henry Black Walnut Case, with Raised Panels, highly polished, Scroll and Carved Work used freely in the ornamentation, thus making it a model instrument.

The great variety of Patents owned by the Beatty Organ and Piano Co., and used in this instrument, together with the immense variety and beautiful, but simple combination of Stops, and the great care given to its construction in both the Musical and Mechanical effects, make it combine more excellences than instruments that are sold through dealers for several hundred dollars.

A MOMENT'S CONSIDERATION

will show you the certainty of securing a superior instrument by ordering from us. Dealers can trust to their own shrewdness and the ignorance of the purchaser to conceal defects in the instruments they sell. We cannot know who will test our, and must send instruments of a quality so superior that their merits are apparent; therefore you take no risk, so order direct from this advertisement, and REMEMBER the Organ will be shipped immediately on receipt of the money and order. If you find on fair trial the instrument is not equal to guarantee, it may be returned at our expense, and the purchase money will be promptly refunded. Address,
