LOCAL MARKET.

London, Wednesday, Oct. 28.

One load of hay was offered today, which sold at $11 50 per ton. Hay will sell well tomorrow, and also straw.

WEEKLY REVIEW.

There was a fairly brisk demand in all lines at the markets held here the past week. Prices held fairly steady. Hay, oats and dressed hogs were firmer.

Grain—Owing to the small supply, prices of oats were a little higher than the previous week; sales were made at $1 10 to $1 18 per cwt. Wheat is selling at 83c per bu; and barley at $1 15 per cwt.

Hay and Straw—There is a good demand for hay, and prices are firm, at $11 50 and $12 per ton for choice, while $10 to $11 per ton is paid for inferior and medium quality. Not for a long time has straw been so scarce as at present; prices are firmer, at $7 per ton.

Butter and Eggs—Butter is firm in price, as the demand is good and the supply is on the light side; sales are made at 23c for crocks and 24c to 25c for pound rolls in wholesale lots. Fresh-laid eggs sell readily at 24c and 25c per dozen by the basket lot; for crate lots 23c is most frequently paid; for candled stock the dealers are paying 21c per dozen.

Potatoes—Sales are slow, as car lots have been received by the dealers, who sell to grocers, and as they guarantee 90 lbs to the bag, they have the preference over those sold onthe local market; about over those sold on the local market; about 70c per bag is most frequently paid; a few loads sold on Tuesday at 65c and 67½c per bag; at Mount Brydges it is said that 55c per bag is the price for shipment.

Fruits—The quality of the apples offered on the market is mostly inferior, and prices range from 40c to 75c per bu, or $1 50 to $2 50 per barrel; grapes sell at 20c and 25c per basket; pears sell at 60c to 75c per bu; sales are slow; chestnuts are firm, at $2 50 per bu; the bulk of the crop has been marketed.

Poultry—The farmers have started to weed out their flocks, and from now until Christmas this line will form an important part of the offerings; the dealers quote prices as follows: Old fowl, 5c per lb alive, 7c dressed; chickens, 8c per lb alive, 10c dressed; ducks, 7c per lb alive, 9c dressed; turkeys, 11c per lb alive, 13c dressed; geese are quiet, but the demand will be brisker later in the season; prices are 7c per lb alive and 8c to 9c dressed.

Dressed Hogs—Prices are firm at present, but there is a probability that they will go lower, as the butchers claim that they are too high compared with live hogs; sales are made mostly at $8 50 per cwt.

Live Hogs—Prices paid here last Monday were $5 90 and $6 per cwt; about the same price will be paid for next Monday's shipment; small pigs are slow, at $4 50 to $5 per pair.

Butchers' Meats—Beef is in fair demand, especially for choice stuff; prices range from $5 50 to $6 50 per cwt; lamb is plentiful, at 9c and 9½c per lb; veal, $8 50 to $9 per cwt.

Hides—No change in prices; sales are made at 8c for No. 1, 7c for No. 2, and 6c for No. 3; calfskins, 11c per lb.

LIVE STOCK MARKETS.

TORONTO.

Toronto, Oct. 27.—With an extremely light run of cattle, trade today on the city cattle market was a little better than last week. The quality of the cattle showed no improvement, but as there was an under-supply rather than an over-supply, drovers were able to obtain slightly higher prices. Everything was sold easily by noon, including a few loads that were left over from last Thursday's market. On the other hand, buyers say that the market is not in a position to absorb heavy runs this week, as butchers show an indisposition to purchase more than enough for immediate use, especially if the warm weather continues, for during this month there has been an unusually heavy demand for ice, stocks of which are becoming light, and the iceman is raising prices.

Export cattle are conspicuous by their absence, and are in moderate demand. Quantities of inferior stock have been purchased for shipping in order to fill up contract vessel space. Prices quoted below for export cattle are practically nominal.

Few choice butchering animals were obtainable, and these, indeed, were nothing to boast of. No sales at over $4 25 were reported. Good useful loads went at $3 50 to $5. Good cows are in demand and are scarce, bringing up to about $3 75, but the bulk sold at from $2 to $3 35.

The demand is still strong for heavy distillery feeding steers and bulls, prices of which were stronger today. Steers sold at $3 60 to $4, and bulls at $2 50 to $3. Choice stockers are also wanted by farmers for winter feeding, but the majority of those offering are too light to be of much use. Canners sold at $1 to $2.

Good milking cows brought high prices, but there is little sale for the inferior quality.

Sheep and lambs were in large supply, and the former were a little easier, but dealers do not expect and reduction from the already low price of lambs.

The market for hogs is off 25c, following a similar decline yesterday at Buffalo. The run was light, only about 300 head offering.

Sixty-eight cars of live stock composed the run, included in which were 1,072 cattle, 2,000 sheep and lambs, 300 hogs and 78 calves.

SARNIA LIBERALS GREATLY ENTHUSED

Over Election of F. F. Pardee—Barrelfulls of Money for Church Treasury.

[Special to The Advertiser.]

Sarnia, Oct. 27.—Such a spontaneous outburst of enthusiasm was never before known in the history of Lambton as displayed last night, when it was known that F. F. Pardee had been returned as a supporter of the Liberal Government, under Sir Wilfrid Laurier. The crowd assembled in Victoria Opera House, which was filled to overflowing, hundreds lining the streets outside. Speeches were made by the candidate and R. I. Towers, after which the crowd formed into procession, and Mr. Pardee was drawn in a carriage by a number of enthusiastic Liberals through the business portion of the town. The Citizens' Band provided lively music for the occasion.

Daniel McCurt, Sarnia's oldest businessman, has sold his business to Wm. J. McIntyre, who was a clerk for George Wenino for a number of years.

A large number of entries are expected in the Thanksgiving Day tenmile road race. The Watson Bros., gentlemen's furnishers, are donating a handsome cup, and it is on exhibition in their store window.

Quite a number of Sarnia music lovers will attend the Sheffield Choir concert in London on Nov. 11.

The Orangemen of Sarnia and Port Huron and the Sons of England will atted divine service in Devine Street Metholdist Church next Sunday, Nov. 1.

The Lambton Rifle Association will hold a shoot Thanksgiving Day, Nov. 9.

Wesley Nahmalin, the Sarnia reserve Indian, has been sentenced by Judge Watt to six months in Central Prison on a charge of false pretences.

The Clement drug store has been purchased from the executors of the estate by Mr. Andrew Johnston, who has been a partner under the firm name of the Clement Drug Company. Mr. Johnston has been connected with the above store for nearly ten years.

Barrelsful of Money.

It is not often that a church has barrelfulls of money cast into its treasury, but such was literally the case in Sarnia on Sunday last at the Devine Street Methodist Church. It was Sunday school anniversary day, and the children brought in their "Barrel" money, and they brought such a weight of coppers, nickles and dimes that the pastor, Rev. J. E. Holmes, formerly of this city, at the evening service announced it had required two boys and a lady to carry it away in a big dish pan. Addresses were given by Mr. F. J. Sleightholm, of Strathroy, and Mr. John Ferguson.

The ferryboat Ruth is now plying daily on the ferry route between Point Edward and north Port Huron.

A linen shower and sale of homemade dainties in aid of the Sarnia General Hospital will be held at the residence of Mrs. David Milne, on Saturday, Oct. 31, from 3 to 6 p.m.

CASTAWAY ON A REEF

Sailors Bring Story of Great Hardship From South Africa.

San Francisco, Oct. 28.—A story of hardships as castaways in the South Pacific as told by seven Chinese who arrived on the steamer Manchuria from Hong Kong. They formed the crew of the barkentine Ebster, which was wrecked on a reef 700 miles from Freemantle, Australia. For 75 days they labored to repair the little vessel so it might again put to sea, subsisting on a scant amount of ship's stores and fish and roots found on the almost barren island. The repairs were completed on May 26 last, and Captain Robison, of the barkentine, proposed to sail for South America. At this the crew mutinied, and for punishment they were left for seven days on the island while the captain stood off with the vessel. Then they were taken aboard in irons, but later released and taken to Cocos Island, where fresh water and supplies were obtained and from this place they eventually made their way to Hong Kong.

SUING FOR $5,000

Mix-Up Over Bequest Made to John Dyment, the Younger.

Barrie, Oct. 27. — An interesting action in the high court was begun this morning by W. E. S. Knowles, of Dundas, against the executors of the estate of Nathaniel Dyment, of Barrie. The action is being brought on behalf of John Dyment, of Barrie, to recover $5,000, which he alleges the executors paid out to another person of the same name. The executors are Albert L. Dyment, Simon Dyment and Joseph Highington. The plaintiff claims that the late Nathaniel Dyment in his will bequeathed "$5,000 to my nephew, John Dyment, the younger, a trainer," and that this money was paid by the executors to John Dyment, a grand nephew of the deceased, who also is known as John Dyment, the younger, but who, the plaintiff claims, is not the person referred to in the will.

Joseph Grace Given Given Six Months Biddulph Fraud Given Stiff Sentence

Worked His Game in London in a Very Nervy Manner.

Joseph Grace, the young man from Biddulph, who pleaded guilty to three charges of fraud last week, was this morning sentenced by Magistrate Love to six months in the Central Prison.

Grace seems to be one of the nerviest frauds that has operated on London for some time.

In the spring he was arrested for obtaining goods from Mr. Sainsbury, morning, and paid $2 on Mr. Sainsand promised to make restitution. He has been doing so for sime time.

Last week he failed to come up to the mark, however, and a warrant was ordered for his arrest.

Grace appeared in court on Friday by fraud. He expressed great sorrow bury's account. As soon as he left the courtroom it appears he went to Mr. David Tripp's shoe shop and ordered a pair of boots, saying he worked for Chantler Bros., and Mr. Chantler would telephone an order for them.

He left, and a little later Mr. Tripp was called up on the 'phone and told that it was Mr. Chantler who was talking, and that it would be all right to give Grace the shoes.

In court this morning Grace admitted that it was he who had called Mr. Tripp up from the Grand Central Hotel.

Grace, after telephoning, went back and got the boots, and then went to Grafton's and got $39 worth of goods in the same manner.

"I think your crime is an inexcusable one," said the court. "I have given you every chance and you have acted in a mean and untruthful manner. I am dealing very leniently in only giving you six months."

Saskatchewan's Thumping Majority Makes Up for Manitoba's Loss

Also Looks Like Five to Two in Alberta for Government.

Winnipeg, Oct. 27.—The latest returns from the polls in Manitoba confirm the earlier indications of an utter Liberal rout before the organization of the Roblin-Rogers machine. Even Selkirk, which was considered safe for Jackson last evening when he had a lead of 113, has finally gone over into Opposition for the first time since 1896, and Bradbury, a perennial candidate since 1878, will be the next representative. He has now a majority of about 100, with nine small polls to heard from which will not materially alter the result. This leaves but two Liberal seats, Brandon and Provencher, out of ten, with 30 polls to come, many of which are in his strongholds. It is but a forlorn hope, however, and the Liberals are disposed to concede the seat to the Conservatives.

Likely to Protest.

Hon. Mr. Sifton has a majority of 54 in Brandon with all polls heard from. Talk of a recount and the Opposition claim of only sixteen of a margin are alike false alarms. The Liberals are not disposed to take the dose of medicine prepared for them by the Provincial Government mainly through the lists, and will likely protest every seat. The committees in all, especially in Dauphin, Winnipeg, Portage and Selkirk, claim to have abundant evidence already to unseat the members-elect, and a keen fight may be expected.

Different in Saskatchewan.

No final returns are possible yet from Saskatchewan, but there is no doubt that eight Liberals have been elected. The Conservatives are claiming Qu'Appelle and so are the Liberals. Lake (Conservative) has a lead of 66, but many polls are yet to come. All the later returns tend to increase rather than to diminish seriously the majorities of the Liberals in other seats. Martin has 700 in Regina, with over twenty polls to come; McCraney is 800 ahead in Saskatoon; McNutt about 500 in Saltcoats, and this will be considerably increased; Turriff has defeated R. L. Richardson by over 400, and the end is not yet; Cash is 665 ahead in Mackenzie, and his opponent, instead of being a possible winner, as claimed by the Opposition, may actually lose his deposit. Champagne is 600 in the lead in Battleford, and his lead is gradually climbing, and Dr. Neely is a sure winner in Humboldt, as Little is 643 behind him, and two polls just in will swell this by 100 more.

The prospects are brightening out in Alberta, and tonight it is claimed that Herron is likely to be defeated in MacLeod. He is leading by 236, with 31 polls to come, in several of which the Liberals expect to get an almost solid vote. All the later returns are cutting down Herrons' lead, and the Liberals will be greatly disappointed if he is not knocked out. McIntyre is safe in Strathcona with 207 over Day. Clarke has an advantage of over 200 in Red Deer, and White claims a majority of over 300 in Victoria, while Hon. Frank Oliver has crushed his youthful opponent under a Liberal majority of about 2,200.

A True Bill Against Chief Kimball

Chatham, Oct. 27.—The grand jury today brought in a true bill against Elliott Kimball, who is charged with killing W. J. Healey, formerly of London, at Tilbury. Kimball was the chief of police of Leamington, and he was trying to arrest Healey when he shot him with a revolver.

Opening Games of Indoor League

The indoor baseball league of the Seventh Regiment Athletic Association opened last evening at the Armories. There was a fair attendance of spectators who witnessed two very good games of ball. Major Campbell was present and delivered a short address to the players. He also pitched the first ball.

The opening contest was between "A" Company and "B" Company, which was won by "A" Company by a score of 14 to 8. The winners hit hard, and won handily. The batteries were "A" Company: Langley and Callahan. "B" Company, Becher and Braddon.

The second game was a hummer and "D" Company, last year's champions, won from "G" Company only after an extra innings, by a score of 10 to 9. "G" Company made a runaway of it, and looked like winners in the initial innings, but they got after Galbraith and by hard hitting tied the game in the seventh, winning in the extra round. The fielding of both teams was brilliant. "G" Company alone making eight double plays. Baker, Stinson and Patterson did fine work.
