MAGISTRATE HAD BUSY DAY IN NORTH TORONTO

Looks Like Good Roads Schem Will Go Thru—Suburban Jottings in Brief.

NORTH TORONTO, Aug. 23.—(Special).—Magistrate Ramsden dealt with a great many minor offences in the local police court here this morning, sidewalk riding, keeping unmuzzled dogs, and automobiles speeding, constituting the bulk of the offences. Donald Gurney, for riding on the sidewalk, was assessed $1 and costs, and Albert Peters for the same offence, $1 without costs.

Benjamin Walker and John Fraser were fined $1 and costs for keeping unmuzzled dogs, and Jos. Stalker, Fred Pitts, and A McMullen, $2 without costs, while J. McNamara added $1 to the town treasury for the same offence.

For the failing to use the spark arrester on his threshing machine, J. Everton was before the magistrate, but sentence was suspended.

L. C. A. Strothers was charged by the town constables with having greatly exceeded the speed limit, running, it was claimed, at a speed of 22 miles an hour. Case dismissed.

Lee Chung has not been in high favor for some time with the health officers, and his case charged with breaking health act, was put over for a week.

In addition to the forgoing fifteen other cases were laid over for a week.

Principal Urmy of the Davisville Public School, knows how to enjoy a holiday. Accompanied by Mrs. Urmy and daughter, they have just returned from a ten days' driving trip thru a number of western towns.

The death occurred to-night, at her late residence, 39 Balliol-street, of Mrs. Peter Hagerman, for many years a resident of the town. Deceased maiden name was Harriet Gordon Mustard, and the interment will take place at Markham, about 12 o'clock on Wednesday.

MARKHAM VILLAGE.

MARKHAM VILLAGE, Aug. 23.—(Special).—The Orangemen of the village are already laying plans for a monster demonstration here for July 12, 1911. They are taking time by the forelock and have already invited 75 lodges.

The regular meeting of the Markham Christian Churches will be held at the home of Mrs. Frank Nighswander, Church-steet, on Wednesday afternoon, August 24 (to-morrow) at 2 o'clock. Everybody welcome.

THORNHILL OLD BOYS.

A meeting of the Thornhill Old Boys was held at 64 George-street last night, when a very large and enthusiastic number of old boys assembled.

Preliminary arrangements were made for to hold the reunion at Thornhill on September 17, and a second meeting will be held on Tuesday, August 30, to complete all necessary details.

The following officers were elected: Honory president, Dr. McConnell, Geo. Ramsden, Andy Collins, Jos. Hopper; chairman, Frank Kendall; secretary-treasurer, Chas. H. Ellistcn.

All old boys are urgently requested to be present at this meeting, Tuesday, August 30.

THINKS PLAN WILL GO THRU.

The World had a chat last night with High Constable Ramsden, and, incidentally, picked up some information regarding this important project.

There is a good deal of misapprehension in some parts of York County as well as in the city respecting the jurisdiction of the York County Council with respect to the proposed "good roads" movement.

"With the endorsation of the York County Council, which meets in November, as well as that of the city council, there will be no reference of the matter to the local municipalities included in the district," said Mr. Ramsden.

"In other words, if the members of the county council are satisfied that the scheme is a good one, no bylaws will be submitted in the Townships of Markham, Scarboro, etc. The reeves of these districts, who constitute the county council, will have spoken for the townships."

That the scheme will go thru is now conceded on all hands. With the city giving one-third, the government one-third, the plan appeals very strongly to the average farmer.

"Simcoe and Peel Countries," said Mr. Ramsden, "each receive government aid, but York County is singularly favored in only giving one-third, whereas Peel and Simcoe, having no city contiguous, contribute two-thirds and the government one-third."

The only fly in the ointment is the fact that wit hbetter roads will come more autos, and the auto is not a favorite with the average farmer, nor yet the farmer's wife.

The members in the northern part of York County, while they will be eligible to vota on the project, are not interested, as the plan does not apply north of the boundary line between Markham and Whitchurch and King and Vaughan Townships.

CONTROLLER IS CURIOUS

Foster Wants Some Information From the Engineer.

Controller Foster yesterday had five questions referred to the city engineer. He wants to know the cause of delay with the new waterworks engine; the date for cleaning the reservoir; his arrangements for extending the intake; when it is proposed to empty the water tunnel, and the delay in commencing Weston-road bridge.

Because Contractor Leslie would not give a bond for his ability to lay the intake pipe extension the city engineer will do the work.

Several ratepayers have objected to paying the penalty of five per cent on taxes, which they failed to pay before July 10, stating that considerable delay occurred in the deliverance of the bills. The board accordingly instructed the city treasurer and city solicitor to report.

Regarding the application of the Toronto Electric Light Company for permission to do business in sections of the city annexed since the agreement, the board ordered that a report be made, the mayor remarking that it would be advisable to have a stated case in preference to a dispute being dragged on indefinitely in the courts.

It was decided to exempt the Hebrew School of Religion on Simcoe-street from taxation. The city treasurer was instructed to refund the taxes for 1909.

Roman Catholic International Eucharistic Congress, Montreal, Sept. 6 to 11, 1910.

For this great event the low rate of single first-class fare, plus 25 cents, for the round trip has been made by the Grand Trunk Railway, the only double-track line, and the route of Canada's fastest and best train, the "International Limited." Tickets will be good going Sept. 3 to 10, returning until Sept. 15, and apply from all stations in Canada, west of Kingston, also from Buffalo and Detroit. This makes the round trip rate to Montreal from Toronto $10.25. Remember that a double track line contributes to safety, that the excellence of the Grand Trunk roadbed is conceded, that its dining car service is unrivalled and that the ride along Lake Ontario shore and in view of the St. Lawrence makes the trip a delight. Early application for accommodation in sleeping or parlor cars should be made to Grand Trunk agents, or address J. D. McDonald, District Passenger Agent, Toronto, Ont.

Cocaine Seller Caught.

MONTREAL, Aug. 23.—After months of work the police have trapped a druggist in the open sale of cocaine. They arrested on Sunday two boys who had cocaine on them. They gave the name of the druggist.

Compulsory Military Service.

LONDON, Aug. 23.—The British militarist campaign in favor of compulsory training is taking shape rapidly. It is being pushed by the Tory press generally, but more especially by the ultra-Conservative London Express. The proposition is to allow exemption only upon payment of a tax.

Clifford, the 2-year-old son of A. McDonald, living on the outskirts of Woodstock, in the absence of his mother, endeavored to chew up a poisonous fly pad. The youngster was found on the floor in a very serious condition.

At St. John, N.B., Judge Forbes sentenced four men to Dorchester Penitentiary. David Hennessy, for striking a man on the head with a paving block, got five years; Patrick J. Quinlan and Oscar Hanson, for theft, five years each; and Harry Phillips for theft, four years.

The annual winter fair to be held at Guelph will continue a day longer this year than in the past. It will open on Monday, December 5, and close on Friday, the 9th.

The baggage department at the Union Station has issued a circular to the traveling public urging them to put their name in full, and residence on all baggage during the Eucharistic Congress.

Charles Gifford, already serving 8 months for theft of a bicycle, was given a concurrent term of 10 months in police court yesterday for the theft of $48 and a $5 cheque from a drug store.

Frank Tushingham, who had fired two shots which his wife believed to be intended for her because she would not drink wood alcohol with him, was remanded to the jail from police court yesterday morning so that he might be examined as to sanity.

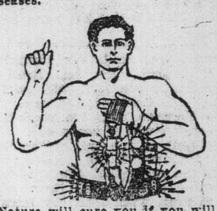
Herbert E. Adams, chauffeur, was sent to jail for thirty days from police court yesterday morning, charged with theft of his employer's automobile. The machine had been used for joy riding.

WHEN YOU PLAN YOUR VISIT TO THE EXHIBITION MAKE A RESOLUTION TO CALL AT MY OFFICE AND SEE

MY ELECTRIC BELT

IT WILL CURE YOU

of indigestion, nervous debility, rheumatism, headache, anaemia, neuralgia and many other acute and chronic diseases.



Nature will cure you if you will give her the right kind of assistance. The reason your nerves are weak is because they are not properly fed. I don't mean that you do not eat enough. Nerve food is a force that comes from electricity. When your supply of bodily electricity has become depleted the nerves do not get the proper nourishment, and various complications result.

The only way to cure nervous troubles is to restore this electricity. You can't get nourishment from poison; that's why drugs don't help you.

Dr. McLaughlin's Electric Belt fills the nerves with electric life while you sleep. They drink in this force, just as a sponge absorbs water, and convey it to every organ, giving health and strength to every ailing part.

AMPLE PROOF WILL BE GIVEN YOU ON REQUEST

If you are skeptical, all I ask is reasonable security for the price of the Belt, and you can

PAY WHEN CURED.

Get my 80-page booklet describing my Electric Belt, with illustrations of fully developed men and women, showing how it is applied.

If you can't call, I'll send this book, prepaid, free, if you will enclose this ad.

3,000 YEARS AGO THE EGYPTIANS CURED DISEASE WITH FRUIT

To-Day, Canadians Are Doing it With "Fruit-a-Tives"

—The Famous Fruit Medicine.

We are apt to consider the age we live in as the most wonderful age that the world has ever known. It is, in many respects. Yet the ancients surpassed us in some things. Engineers of our 40-storey sky-scrapers still marvel at the massive pyramids and the sphinx. So, too, the Egyptian physicians of 3,000 years ago used fruit juices as a medicine for treating blood trouble, liver and kidney disease and stomach weakness. Their method of mixing fruit juice as a medicine is also one of the lost arts. A well-known Canadian physician, however, perfected a method of utilizing fruit juices, which is one of the greatest discoveries of modern medical research.

"Fruit-a-tives" is the natural cure for chronic constipation, biliousness, indigestion, torpid liver, kidney disease, pain in the back, bad complexion, rheumatism, nervousness, headache and neuralgia.

Fifty cents a box, 6 for $2.50, or trial box 25c. At all dealers, or from Fruit-a-tives, Limited, Ottawa.

TREE DOCTORS AT WORK

Scientific Methods in Preserving Shade Trees.

Interesting and instructive is the work being carried on in various sections of the city by several expert tree doctors from Kent, Ohio, towards the preservation of trees afflicted with the infirmities of age and decay.

The process employed is simple, and something in the nature of dentistry. In fact, three elementary principles underlying tree surgery are practically identical with those of the latter science. When a tree's interior has gone to rot, the decayed pulp is removed, water and sap fluids excluded and the cavity carefully made ready for the filling. This preparation consists in a treatment of resin, cresote and coal tar being applied to the cavity walls and niches. In some cases, where the tree is a large one, holes are perforated in the trunk and several iron cross bolts are put in as braces. The next move is to set in a filling of cement and finally to place a zinc covering over the aperture in such a fashion that, in the course of a few years, a healthy layer will heal across and obliterate all traces of the work.

John Davey, president of Davey Tree Expert Company, Inc., of Kent, Ohio, whose men have made several contracts in this city, at the university, the new Western Hospital the Osler and O'Bryan estates, and many other places, has experimented along these lines for many years. He is also head of a Forestry Institute at Kent, which turns out an average of from 30 to 40 graduates every year, and has tree doctors working in all parts of the United States and Canada.

The Beaches Athletic Club are running an excursion to Bala and all points on Muskoka Lakes via Canadian Pacific Railway on the 12.15 p.m. fast express—no stops between Toronto and Bala. Rates to Bala $1.60 adult, good returning until Aug. 29; rates to all-around Muskoka Lakes $2.60, good until Aug. 30, 1910. Train leaves Bala 7.45 p.m. daily except Saturday.

Laborers Nearly Suffocated.

While digging at the excavation for the new Isolation Hospital yesterday afternoon, six Italian laborers were partly buried by a cave-in of sand. All were able to extricate themselves save one, and he was caught under a piece of the siding until the sand reached almost to his shoulders. He was soon dug out.

Traces of Taggart.

BRANTFORD, Aug. 23.—(Special.)—Local authorities have received reports that Taggart, the escaped murderer from the Hamilton Asylum, has been seen in the vicinity of Jerseyville.

A man answering Taggart's description also camped along Fairchild's Creek.

Held Up Street Cars.

WILKESBARRE, Pa., Aug. 23.—In true wild west fashion two masked highwaymen held up two cars of the Wilkesbarre Traction Co. shortly before midnight and robbed and terrorized passengers and employes.

Catharine Black, 36 years old, was invited to partake of liquid refreshments in University-avenue yesterday afternoon by Thomas Anderson of 36 Elm-street. She did that, and, if Thomas is correct, took also $2 in money without invitation. She was arrested by Policeman Macrae.

Switzerland will send Colonel Schook and Major Armbruster with the balloon Helvetia as her representatives in the international balloon race to be held in St. Louis Oct. 17.

Cost of New Welland Canal.

OTTAWA, Aug. 23.—A report is expected to be ready for the forthcoming session on the cost of the projected new route of the Welland Canal.

A rough estimate places the cost at $50,000,000. This would provide a 21-foot waterway. It is pointed out, however, that this would be only the beginning. In connection with the scheme it would also be necessary to deepen the St. Lawrence canals.

A BROKEN-DOWN SYSTEM.

This is a condition (or disease) to which doctors give many names, but which few of them really understand. It is simply weakness—a break-down, as it were, of the vital forces that sustain the system. No matter what may be its causes (for they are almost numberless), its symptoms are much the same; the more prominent being sleeplessness, sense of prostration or weariness, depression of spirits and want of energy for all the ordinary affairs of life. Now, what alone is absolutely essential in all such cases is *increased vitality*—vigour—

VITAL STRENGTH & ENERGY

to throw off these morbid feelings, and experience proves that as night succeeds the day this may be more certainly secured by a course of

and a new existence imparted in place of what had so lately seemed worn-out, used up, and valueless. This wonderful medicament is suitable for all ages, constitutions and conditions, in either sex; and it is difficult to imagine a case of disease or derangement whose main features are those of debility, that will not be speedily and permanently overcome by this recuperative essence, which is destined to cast into oblivion everything that had preceded it for this wide-spread and numerous class of human ailments.

THERAPION is obtainable of principal Chemists or from The Le Clerc Medicine Co., Haverstock Road, Hampstead, London. Price in England, 2/9. Purchasers should see that word 'THERAPION' appears on British Government Stamp (in white letters on a red ground) affixed to every genuine package.

Therapion is now also obtainable in DRAGEE (TASTELESS) FORM.
