Games to-day: Providence at Toronto, Montreal at Buffalo, Jersey City at Baltimore, Newark at Rochester.

First Game.

Toronto won a double-header from Montreal on Saturday, taking the first game by 4 to 3 and the second by 6 to 4. Bruce and Mills were the twirlers for the home team and Hemming and Huyster for the visitors. Some nice fielding was pulled off in both games, especially Kellackey's catch of Kuhns' drive in the second game and Downey's and Carr's fielding of Loyster's and Brennan's attempts. In the first game Bruce made a sensational catch of Kellackey's drive.

In the first game Grey and Kellackey fumbled in their initial, Clancy obliged, going to third on Fuller's fumble of a bounder by Connaughton, the latter being safe. Fuller's error and Brennan's single scored Montreal's first run and Schroeder filed out. Toronto went out in order in their first two innings. In the third the run came back, after Toft and Mills were easy outs at first. Miller drove the ball on a line for a safe one, going to second as Kellackey allowed this hit to dribble thru his legs. Wiedensaul's corking single scoring the runner, Wiedensaul was caught between the bases as Hemming intercepted the throw home to catch Miller.

Toronto added two more in the fifth. Fuller was given a charity and was safe at second, as Connaughton was late fielding Toft's grounder, both runners being safe. Mills sacrificed both a base. Miller popped up an easy one to Connaughton, but Wiedensaul's clean single was timely, scoring the two. Downey flying out to centre, Fuller fumbled badly Sheehan's grounder in the seventh, and Hemming singled, both advancing a base on Grey's sacrifice. Kellackey's hit for three sacks tallied two runs and the score was tied. Clancy and Connaughton filed out, retiring the innings. Neither team could score till the tenth, when Miller, the first up in the tenth, landed on the ball, driving it to deep left for three sacks, scoring on Wiedensaul's single, and winning the game. Second Game.

In the second game Montreal scored in their initial innings, when after Grey grounded out to first Kellackey walked and Kuhns muffed. Clancy's long drive and run tallied on Connaughton's long outfield fly. Toronto evened up in the second. White and Bruce were easy outs. Fuller reached first on Hurst's jumble and Toft walked. Carr's opportune hit sent Fuller home.

Schroeder's three-bagger and Sheehan's infield grounder netted a run for Montreal in the fifth. In their half Toronto got together and scored three runs on a walk, a sacrifice by Carr and Connaughton's error, Downey's single and Kuhns' double. In the 6th Downey hit into the crowd and when the ball was found Dimmie had completed the circuit. Successive singles by White, Bruce and Fuller scored another. Bruce was caught at the plate in an endeavor to make home when Fuller tried to steal second.

Montreal made a good finish in the ninth. Clancy singled and scored on Connaughton's three-bagger, the latter also coming home on Brennan's out to right.

Providence Here To-Day.

The rejuvenated Providence team will commence a series at Diamond Park today with Toronto. The Greys have been the local's Jonah club this season, and Manager Gardner's men are anxious to break the hoodoo on this series. Providence beat Buffalo on Saturday, and in the other two contests gave the Bisons a great race. They are playing fine ball just now. To-day's game will be called at 4 o'clock. Briggs will pitch for Toronto.

AMATEUR BASEBALL SATURDAY.

Wellesleys and Strathconas Win in Sunlight Park League.

The first game at Sunlight Park on Saturday afternoon resulted in rather an easy win for the Wellesleys. Evans was hit hard and often by the Wellesleys and, barring a little wildness, Story pitched good ball and had the Saints' batters tied up. The second game was a very clever contest and was won by the Strathconas on good all round work. In the third innings only were the Royals near the scoring point. Pearson got himself tied up at the start, passing Molson; Johnson singled and Herron drew a pass; with the bases full and no one out, Pickard filled out to Rowlin in left field, who made a perfect throw to the plate, holding the runner at third. Piper filed out to Morrison and Dunlop made a scratch infield hit, which Pearson fielded sharply, catching Molson at the plate and retiring the side. In tight spots the Strathconas were very steady, whereas the Royals were inclined to be a little bit "airy." Bill Pearson pitched a very clever game. The scores.

'TWAS GREAT TOURNAMENT CLOSING DAY AT THE TRAPS

The Dominion Shooting Tournament came to a close Saturday evening, when it became too dark to shoot and was the most successful tournament ever held in Canada. Seventeen gun clubs were represented and the contestants numbered 157. J. H. Cameron presented President Thomas A. Duff with a sterling silver cake dish suitably engraved as a souvenir of the great tourney, in accepting the gift, Mr. Duff thanked the donors and Mr. Cameron, for the appreciative remarks as to his management of the shoot, and was greatly pleased at its success. Even the elements had assisted, as the weather could scarcely have been better than it was. Great credit was due to Field Captain Alex. Dey and Secretary C. T. Logan of the Stanley Gun Club for their untiring efforts. The valuable assistance rendered by Messrs. J. H. Cameron, A. J. Cole, Rupert Watson and Forest H. Conover was acknowledged with thanks. Mr. Duff thanked those who had attended, especially those who had come from afar off for their presence and assistance and was glad to know that all had fully enjoyed themselves and hoped that next year's tournament, which would be held at Brantford, would be equally successful and, if possible, more so. He considered the members of Fort Garry Gun Club of Winnipeg were the gamest sports on the field, as they had travelled over 1500 miles especially for this shoot. Mr. Duff was loudly cheered at the conclusion of his address. Bain of the Fort Garry Club won the individual championship by making 48 out of a possible 50. Charles T. Logan won the Lefever medal for highest average, making 582 out of a possible 760.
