List your properties with me quickly. Purchasers, buy one of the following choice homes and avoid paying high rents. Reasonably priced homes in London will increase in value, as London is destined to become a great manufacturing and wholesale distributing centre and should reach 200,000 people within 20 years and 100,000 within 5 years. These are the figures set by those interested in building up and boosting our banner city.

4 beautiful bungalows, every appointment in the homes, all modern, ideal locations, ranging from $4,500 to $8,000. These are simply beautiful.

6 story-and-half to two-story new, thoroughly up-to-date, modern brick homes, on splendid lots and in splendid locations, prices range from $3,200 to $6,800.

6 charming 7 to 10-room large brick homes of the finest interior design and charming locations, from $6,500 to $15,000.

4 modern brick and frame, centrally located, can be bought at a price as an investment and some of them turned into duplex homes which would net fine dividends to the purchaser, who, if desired, could live in the same home and rent the other part of it 10 to 15 per cent on the investment. Some of the above homes have garages.

6 modern cottages in all four corners of the city from $2,200 to $4,500.

4 of practically the best building lots in the City of London at reduced prices for a short time. Other large and small attractive homes in all parts of the city. A few choice small acreage properties joining the city.

60 acres joining the city. Would make a fine subdivision or small market garden plots. This, if taken quickly, is going to be a money-maker for the purchaser. The price is low.

Don't delay as these are attractive. Call and get particulars of whatever class of properties you are interested in and you will receive prompt attention.
