TOASTED CORN FLAKES

It's the delicate white hearts of the sweetest sugar-corn, rolled paper-thin and crisped a golden brown. Nothing like it for a pure nourishment. 20

TO MAKE STURDY FIGHT AGAINST THE EARLY CLOSING LAW

The meeting called to protest against the early closing law, held in Keith's assembly rooms last evening, was largely attended and very enthusiastic. After organization a substantial fund to fight the cases reported by the police was raised and counsel retained. On the advice of the lawyers consulted, it was resolved to direct particular attention to having the law repealed by the council rather than seeking to question its validity in the courts. It was the opinion of A. A. Wilson, K. C., and D. Mullin, K. C., who addressed the meeting, that a favorable decision could not be expected until the case reached the Privy Council when, according to Mr. Mullin, "British justice and fair play would prevail." A motion to make a test case out of one of those set down for trial today was adopted, however, and the litigation will be proceeded with pending the hearing of the delegation by the council.

W. H. MacDonald was elected chairman last evening and Walter E. Amland secretary-treasurer. A resolution placing the meeting on record as favoring the repeal of the by-law by the common council was unanimously adopted.

On motion of J. P. Quinn a committee was chosen to go before the council and press for the repeal of the law. Those named on the committee were N. C. Scott, J. P. Quinn, J. W. Smith, C. B. Pidgeon, I. Webber, W. G. Watson, F. E. Law.

It was also decided on motion of C. B. Pidgeon to secure signers of a new petition among merchants and shop keepers only. Messrs. Webber, MacDonald, McCormack, Paterson, Trecartin and Wiezel were some of those named to solicit names for the petition.

On motion of F. R. Paterson the meeting decided to stand behind those reported in the police court, the test case to be selected by the lawyers.

Palpitation of The Heart

When the heart begins to beat irregularly or intermittently, palpitate and throb, skip beats, beats fast for a time, then go slow as to seem almost to stop, it causes great anxiety and alarm.

The least excitement or exertion seems to affect it.

Many people are kept in a state of morbid fear of death, being weak, worn and miserable, through the unnatural action of the heart.

To all such sufferers Milburn's Heart and Nerve Pills can give prompt and premanent relief.

Mrs. John Thompson, Mill Cove, N.B., writes:—"Just a few lines to let you know what Milburn's Heart and Nerve Pills have done for me. I have been troubled with weakness and palpitation of the heart; would have severe choking spells, and could scarcely lie down at all. I tried many remedies but got none to answer my case like your pills did. I can recommend them highly to all suffering with heart and nerve trouble."

Milburn's Heart and Nerve Pills are 50c. per box or 3 boxes for $1.25 at all dealers or will be mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

SIXTY-THREE KILLED BY EARTHQUAKE IN MEXICO

Mexico City, June 7—Sixty-three were killed, seventy-five wounded and property worth $100,000 was wrecked today by an earthquake shock which shook the Mexican capital and injected a note of tragedy into what was to be a day of pure rejoicing over the arrival of Francisco I. Madero, jr.

When the work of searching the ruins is completed, it is possible that the list of dead will be increased somewhat, as hiding here and there throughout the city there doubtless are many wounded, who, with traditional fear of the authorities and government hospitals, are anxious to evade discovery.

With the exception of one Chinese killed, no foreigners were injured in the barracks where the soldiers were killed, twelve women also lost their lives. They were the wives of artillerymen. There women have the privilege of spending the night within the walls of the baracks, an old structure. It was unlike many of the older edifices of the city as its walls were comparatively thin.

HAVE YOU A BAD SORE?

If so, remember these facts—Zam-Buk is by far the most widely used balm in Canada! Why has it become so popular? Because it heals sores, cures skin diseases, and does what is claimed for it. Why not let it heal your sore?

Remember that Zam-Buk is altogether different to the ordinary ointments. Most of these consist of animal fats. Zam-Buk contains no trace of any animal fat, or any mineral matter. It is absolutely herbal.

Remember that Zam-Buk is at the same time healing, soothing, and antiseptic. Kills poison instantly, and all harmful germs. It is suitable alike for recent injuries and diseases, and for chronic sores, ulcers, etc. Test how different and superior Zam-Buk really is. All druggists and stores at 50c. box. Use also Zam-Buk Soap. Relieves sunburn and prevents freckles. Best for baby's bath. 25c. tablet.

PRESBYTERIAN ASSEMBLY

Ottawa, June 7—"In the name of the Great King and head of the church" the 37th general assembly, the highest church court of the Presbyterians in Canada, opened this evening in Knox Presbyterian church.

The most important business for the opening session was the election of the moderator. As was expected, this honor went to Rev. R. H. Mackay, of Toronto, general secretary of foreign missions. Rev. Dr. James Ross, of London, was also put in nomination, but he withdrew and the choice of Dr. Mackay was made unanimous. Rev. Dr. Scott will now be in line for the honor next year. A suggestion was also made that the honor might be given to a layman but the retiring moderator pointed out that the rules required that the moderator to be a clergyman.

The other features of the evening was the address by the retiring moderator, Rev. Principal Forrest, of Dalhousie University, Halifax. In a forceful sermon he emphasized the importance of pure gospel preaching, and in no uncertain tones condemned the modern practice of many ministers preaching on political economy, sanitation and other questions on which too often they knew very little. The aids called in to make up for the weakness of the sermons, music, cantatas, solos with violin obligatos, etc., also came in for pointed criticism.

He said in part:

TREED BY A BEAR.

Thomas Thorne, of Bellenden, Queen's county, N. B., had a thrilling experience on Thursday evening last. He went to the woods for his cattle and took the precaution to take his rifle with him, and when he was a long distance from his house he came across a large bear. Mr. Thorne fired at bruin and, it being dusk, thought he had not struck it, and as the bear made toward him he climbed a nearby tree and another bear appearing, he was kept treed for some hours until the bears had as he thought, left, when he made for his home. In the morning he went out and found the bear he had fired at, dead, having been killed by one shot.

In the Inter-Society League last night the St. Michael's defeated the A. O. H. by a score of 8 to 6. The feature of the game was an unassisted triple play made by Shea, the third baseman of the A. O. H. The batteries were:

St. Michael's—Elliott and Lawson.

A. O. H.—Coughlan and Killen.

Manager Ervin Resigns

Harry Ervin, after a brief but dutiful term as manager of the St. John's has resigned, owing to press of business matters, and his place has been taken by Frank White, who will take steps to strengthen the team. He has sent for Jack Copeland, and the latter will be seen in uniform soon. He is also negotiating for another new pitcher.

Today's Game.

The Woodstock's and Marathons will meet today on the Shamrock grounds in the N. B. and M. League. Estelle, of South Framingham, is to pitch for the locals, and Jeff Shannon of Worcester will also be in the game. The Marathons will probably go to Montreal to play a return game with the Canadiens on Coronation Day.

Mike Donlin Re-instated.

Mike Donlin, the former star outfielder of the Giants, has been formally reinstated into organized baseball by the National Commission. The once great slugger is Giant property, and it is for McGraw to make whatever disposition of Donlin he sees fit. Donlin has not yet announced his plans. Neither has McGraw, and Mike's fate will be in the balance until the New York manager makes his decision.

The Philadelphia club was after the services of Donlin. Manager Dooin, of the Phillies, expressed keen regret at being unable to get Donlin.

"I have no further hopes of getting Mike Donlin," said Dooin. "I only wish there was a chance, for it would make me the happiest man in the country to get him. There is no foundation to the report that he is likely to join us."

Dooin has covered up two more youngsters for next year. From Manager Richard, L. Guy of the Pittsburg Collegians, the Quaker leader has secured first claim on a pitcher and outfielder. This aggregation has turned over a number of good men to the Philadelphia club in the past. The dicker is admitted, but the names of the youngsters are being withheld.

Golf

Mrs. Barlow, Champion.

Newton, Mass., June 7—Mrs. Ronald H. Barlow, of the Merion Cricket Club, Philadelphia, won the woman's eastern golf association championship today with an aggregate score of 272. Four strokes behind her and in second place was Mrs. Caleb S. Fox, of Philadelphia.

Cricket

St. John Defeated Rothesay.

A close and exciting game of cricket took place on the Shamrock grounds yesterday afternoon, when St. John defeated Rothesay by a score of 53 to 42. With eight wickets down, the locals needed seven runs to win. The last three batsmen, however, rolled the count up to 53 before the tenth stump went down. The Rothesay team has some sharp batsmen and keen bowlers, and it was with considerable trouble that the St. John men won out.

AMUSEMENTS FOR OURSELVES AND OTHERS

MADAME SHERRY.

Madame Sherry, the musical comedy rage of New York this season, which after six months of unprecedented success in Chicago attracted sensational attendance at the New Amsterdam Theatre and promising to remain all year or even longer in Manhattan, will come here this evening for an engagement of four performances.

The announcement that a success of the magnitude of Madame Sherry is to be offered here at the very height of its favor has naturally stirred up local interest to an unusual degree, and every indication is for a successful engagement. Managers Wood, Frazee and Lederer have maintained a twin organization at the New Amsterdam Theatre, the members of which have been interchanging performances, and it is one of these splendid companies, including such musical comedy favorites as Edward M. Favor, Tessa Kosta, Edith Sinclair, R. Emmet Lennon, Emilie Hayward, Joe Smith Marba and others, which will be seen here in the popular French vaudeville. In every detail the performance is said to be a duplicate of the big New York production, and it is coming here with all the splendor of cast, chorus, stage setting and special orchestra.

NICKEL.

The Haunted Sentinel Tower, an Edison production staged in picturesque Cuba, is a photoplay well worth seeing. Morro Castle overlooking Havana harbor is brought prominently into the setting and the fight to the death on the walls of the castle high above the sea is a thrilling scene. A New Life, enacted by Pathe American players, is a story with an unusual ending. A burglar is wounded by the owner of the house he enters, and instead of being handed over to the police is nursed back to life. He is touched by the kindness shown him and prevents another robbery by his pal. Entrusted with a cheque, he cashes it and returns with the money. His honesty proven, he is taken into the employ of the estate. Misplaced Jealousy, a Biograph comedy with plenty of laughs and Cupid's Joke, also a Biograph story of a novel courtship, completes the excellent picture offering. The Tremont Quartette terminate their engagement with this week. Their final numbers should be listened to with pleasure, being Honeysuckle Town and Dougherty. Marie Hegan will be heard in a pretty new song, When, and the orchestra will play delightfully as usual.

The celebrated Dolce sisters, direct from Keiths' Boston Theatre will open their engagement commencing Monday.

THE LYRIC.

Conceded by critics and theatrical journals to be an attraction unique in vaudeville, Miss Mae Green, known as the Girl in the airship, who will be at the Lyric Theatre for the next few days, has achieved great success on both sides of the water for her novelty performance. It is certain that not another feature like it has ever been seen in the city, and in spite of these fine evenings, the Lyric is expected to be crowded nightly during this engagement. The aeroplane used by Miss Green was built for her special use. "An Exile's Love," will be the chief photo play in the picture programme, which also claims Edison's picture story of the old song, "Silver Threads Among the Gold." The bill ends with a Selig drama of the California oil fields, "Lost and Won."

OBITUARY

Mrs. George Goss

Word was received in the city yesterday of the death of Mrs. George Goss, formerly Miss Ada Brown, daughter of the late Hazen Brown, sr., of the North End. Mrs. Goss had gone to the Boston hospital while threatened with meningitis and it is supposed death resulted from that disease. She was twice married, her first husband, Gilbert O'Dell, of this city, dying some years ago. By him she left three children. She is survived by her second husband, her mother, two sisters and three brothers. Mrs. Walter Kitchen, one of her sisters, left for Boston on receiving news of the fatal illness and is expected to reach the city with the body today. The news of Mrs. Goss' death will come as a great shock to her many friends in St. John.

There were no acclamations yesterday in the provincial nominations in Nova Scotia. There are straight tickets in the entire eighteen counties.
