CROESUS TO GO UNDER HAMMER

World's Champion Trotting Stallion To Be Sold By Auction in November.

CLEVELAND, Aug. 24—The Leader today says: "George H. Ketcham, of Toledo, the breeder, owner and trainer of the world's champion trotting stallion, Croesus, has decided to dispose of that famous horse and has arranged to have him sold to the highest bidder at the Fasig-Typon company's auction sale to be held at Madison Square Garden, New York, in November.

THE TURF

Woonsocket Races

WOONSOCKET, R.I., Aug. 23—Favorites won all the events at the local track today. Spontania took the 2.24 pace in three straight heats, with Belle Benton second, and Gracie Barron third. Roberts and Morn were the only entries in the 2.13 trot. The former after winning the first and second heats and losing the next two, took the fifth and race cleverly. The 2.30 trot went to Silence in straight heats, Sazine second, California Sid third.

Readville Races

READVILLE, Mass., Aug. 23—Sadie Mac won the fourth heat and race in the Massachusetts $10,000 stake. Kid Shea was second, Zephyr third, and Gracie Kellar fourth. Time, 2.08.

ROCHESTER, N. H., Aug. 23—It was a bad day for the favorites at the opening of the midsummer meeting of the Rochester Driving Club at Cold Spring Park today, the pick being beaten in two of the three finished events. Erskine Reed took the 2.15 pace after losing the first two heats to Edward D. In the 2.21 pace Belle Direct too the first heat, but the next three and the race went to Miss Syracuse. Dr. Band won the 2.18 pace in three straight heats with F. F. V. second. Only two heats of the 2.24 trot were run off, Topeka taking the first and Arlington Boy the second. The race will be finished tomorrow.

Chatham Races

Chatham, N. B., Aug. 23—The horse races to be held here Sept. 11 and 12 promise to be among the finest held in the maritime provinces. More than forty entries have now been made and the exhibition association are doing all in their power to make the meeting most successful.

ATHLETICS AT ROTHESAY

Some very interesting athletic events were held last night at Rothesay between 6 and 8 o'clock on the ball grounds below the tennis court. There were six events—100 yards, 220 yards, broad jump, hop, step and jump, putting the shot and quarter mile.

The following were the entries for all the events: Cecil Merritt, Charles Mahoney, Clifford Merritt, Lewis Paul, David Cronk, Frank Smith, Samuel Scott, Ralph Colter.

Cecil Merritt, Charles Mahoney and Lewis Paul captured first, second and third places in all the events. Harry Gilbert was referee and starter. The contests drew about 100 spectators.

The Blue Rock Stars defeated the Posey Lanes in Carleton last evening three games —21 to 6, 21 to 8, and 21 to 14.

SOME FAST HORSES

About the three fastest performers racing this season by one sire are:—Locanda 2.03¾; Allerson, 2.05¾ and Charley Hayt, 2.06¼, all sons of Allerton, 2.09¼, himself once the champion trotting stallion. All these three horses are in grand form, and apparently sure to reduce their records before the season ends.

A new Canadian record for a mile on a half-mile track was made by Young Marlow, a Calgary horse, at Moose Jaw, N. W. T., last week, when he ran the distance in 1.43¼.

A COMING ATHLETE

Edward Simpson, who won the 100 yards dash at St. Joseph's picnic Tuesday and also proved himself an all-round athlete showed that he is capable of competing against the fastest runners in the provinces. Mr. Simpson is a fine specimen of manhood and should he decide to go into athletics, will be a dangerous antagonist for those at the top of the ladder.

Mrs. Grimes—"I should like to see Mrs. Harris; I'd give her a piece of my mind."

Mrs. Pottle.—"Quite generous of you, but perhaps she'd never find any more use for it than you have, Mrs. Grimes."

PRESQUE ISLE WON EASILY FROM CARIBOU

The Presque Isle team which plays the St. Johns here on Saturday seems to be winning from every team they go up against. On Monday they played Caribou winning by a score of 9 to 0. The Presque correspondent of the Bangor Daily News says:

"Goode was in rare form, striking out 14 men, allowing only 2 hits; not a man reached third base.

Presque Isle batted Thompson at will, getting 10 hits and had men on bases every inning.

This game showed Goode easily outclasses Thompson, both in pitching and fielding his position.

"The Presque Isle baseball team plays Thursday and Friday at Woodstock, Saturday at St. John, Monday and Tuesday at Eastport, Thursday and Friday at Moncton, Monday, Sept 4th, at Millinocket and on the 5th and 7th at the Presque Isle fair.

DOCTOR STRONG AND TOM AXWORTHY NOT IN GRAND CIRCUIT

Samuel A. Pickering's Doctor Strong, 2.06, and Henry Chisholm's Tom Axworthy, 2.07, two of the fastest trotters on the turf, have been withdrawn from their engagements in the Grand Circuit to make them eligible in the annual race for the Cleveland Gold Cup, which is open only to horses that have not started in professional contests within thirty days. The loss of two such trotters in the Grand Circuit is a serious blow to harness racing, and suggests the question whether the rule is a wise one which forces owners to withdraw their horses from professional races in order to make them eligible for an amateur event. That the rule does not effectually exclude horses used for campaigning has been demonstrated time and again. That it does operate to injure racing in the Grand Circuit is made plain just now, when the presence of these two trotters in the free-for-all class with Tiverton, Sweet Marie and George G. would greatly enhance interest in the races. There is a very general feeling among horsemen that the donors of the Cleveland Gold Cup ought to so change the rules as to exclude altogether the horses that start in professional races or else throw the cup races open to all; and the latter plan would be more acceptable than the other.

SONS OF ENGLAND

Marlborough and Portland Lodges Observed their Anniversaries Last Night.

The anniversary celebration of Marlborough and Portland Lodges, Sons of England, was held last night in Foresters' Hall, Charlotte street. At the same time Portland paid a fraternal visit to Marlborough Lodge. A good literary and musical programme was presented, after which cake and coffee were served.

The forthcoming centennial celebration of Trafalgar was discussed and a committee of members from both lodges was appointed to act. The hope was expressed that as the celebration would be general all over Canada among the order the local lodges would do something worthy of the occasion.

W. H. Huntley, supreme president, was in the chair last night and speeches were made by Alex. Saunders, of Winnipeg; L. A. Belyea, W. P., of Portland Lodge; C. Ledford, secretary of Marlborough Lodge, and Messrs. Armstrong, Francis and Sellen. Songs were sung by Charles Ross, T. Bennett, W. H. Collier, Joseph Primmer, Harvey Long and Robert Herrington. J. H. Tonge, F. Tonge and H. Sellen gave an instrumental trio. There was a very large attendance and all present enjoyed themselves greatly.

HALIFAX AND ST. JOHN PLAY GOLF TODAY

The annual golf tournament between Halifax and St. John will take place today on the local grounds. Capt. C. H. A buckboard will be taken at the Royal Hotel at nine o'clock, and the visitors driven to the golf links.

Lunch will be served by the ladies' committee.

The Halifax golfers won last year, and as the home team has generally won in this series, St. John hopes to win out today.

FAR-REACHING DECISION FOR AUTOMOBILISTS

What is considered by automobilists a far-reaching decision, and one which will have a great effect on their rights in the streets of New York, was handed down yesterday by the Appellate Division of the New York State Supreme Court. The decision places on the chauffeur the responsibility of an accident in which a person may be injured while an automobile is turning a corner. The lower courts recently took a different view of the matter and threw out suits brought by persons injured under such circumstances. In rendering its decision the Appellate Division of the Supreme Court says, in part:

"A person, whether adult or infant, has the right to assume that the operator of an automobile will exercise care and respect the rights of pedestrians in turning the corners of streets. Due care is required under such circumstances that the vehicle should be slowed down and operated with care."

The suit was brought by Gerd. Buscher a Tenth Avenue milk dealer, whose eight year old son was killed by an automobile while it was turning a corner.

TORN TO PIECES

Insulting Russian Officer Killed by the Men of His Regiment.

Odessa, Aug. 21—A remarkable letter received from a soldier in the Seventy-first (Bielavsky) Regiment, stationed at Novo-Alexandria, Province of Lublin, is reported to have been received here, relating how the commander of the brigade, Major-General Remis, was literally torn to pieces by the regiment after he had brutally murdered a corporal.

The general appeared before the regiment and explained that the Fourteenth Army Corps, of which the regiment is a part, had been ordered to the front. He added, however, that he could not accompany the corps to the front.

Then there were cries of "Scoundrel!" and "Coward" from the ranks.

"Approaching our company," continues the writer, "where on the right flank stood the company commander and corporal, he pointed his revolver at the latter and demanded: 'Tell me immediately, you reptile, who shouted among your men.' The corporal replied that nobody in our company had shouted.

"'You lie, you dog,' shouted the general, and fired. The corporal fell dead.

"Not satisfied with this, the general aimed at him a second time and fired, but the bullet missed him, hitting instead the company commander, who also stumbled and fell on the spot. It is impossible to comprehend what happened then. Like tigers the soldiers threw themselves upon him, and in less than a minute all that remained of the brilliant general was shapeless mutilated flesh.

"The commanders of the Seventy-first and Seventy-second Regiments called on the Cossacks, but when the latter fell upon the men the soldiers met them with a volley from nearly 1,000 rifles. When the dust had settled there were stretched on the ground about thirty Cossacks, besides which the commander of the Seventy-second Regiment was killed, and our own commander was left wounded in the breast. He was removed from the scene by an officer, as not a single soldier would stir from his place.

"On the next day there arrived from Lublin the commander-in-chief of the division, Lieutenant-General Smirnoff, who, after a long and persuasive speech, succeeded in recovering the body of the murdered general from the soldiers."
