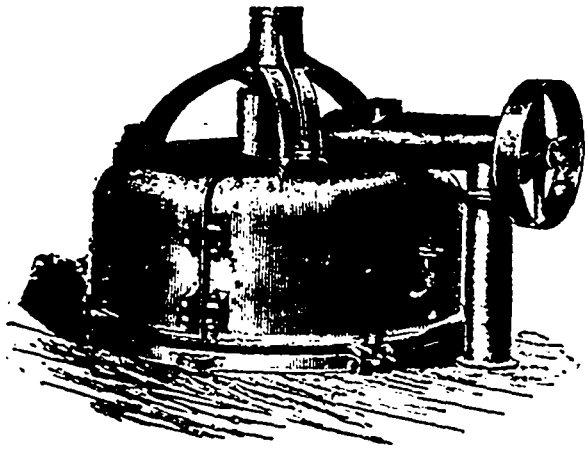
The Abbé Mill.



Our Latest Improved Disintegrator. :- :-

NO SINGLE MACHINE has ever been as successful on such a great variety of materials, differing so diametrically in their nature. It is excellent for grinding such materials as Soft Phosphate, Sugar, Drugs, Roots, Chemicals, Dry or Green Bones, Spices, etc.

Manufacturers experiencing any trouble in treating materials are invited to send a good testing sample to our factory, 75 Guernsey Street, Brooklyn, N.Y., and witness the grinding.
