# COMIC WARS STRIKE!

Simon,

You're having a big problem! Do you realize that your roommate killed a poor, innocent, frightened piglet - TWICE?!? Please come back home, Simon. I miss you! We loved your cute way of calculating decimals and your sweet hairdo's and clothes. I like you, Simon. I don't want to see you hurt — or worse, turned into an awful creature like the Lounge Lizard or Mr. Jones! Come Home! Your Friend,

BRIDGETTE (from High School)
