HUSBAND POISONED.

Widow Detained at Quarantine by New York Police.

New York, April 29.—The Cunard Line steamer Campania, which arrived to-day from Queenstown, was detained at quarantine station until detectives from this city, at the request of the Royal Irish Constabulary, found and questioned Mrs. Margaret Clary and Mrs. Catherine Bowen, of Claremorris, County Mayo, Ireland.

The constabulary, in a cabled message to the New York police, requested the detention of the two women, and stated that Mrs. Clary's husband, a farmer, died of poisoning since the two women sailed from Ireland.

The two women were registered on the steamer's passenger list as Margaret and Catherine McCormick. While the steamer lay at quarantine the detectives identified the women. They were taken to a cabin and Mrs. Clary was questioned concerning the death of her husband. She declared that he was in good health, and that she came to visit a brother in Brooklyn, and that her mother and husband were to have followed.

When she was informed of the action of the constabulary, she insisted upon her right to land, and was taken with Mrs. Bowen by the immigration authorities to Ellis Island, still under the surveillance of the detectives.

JAP FLEET.

Viceroy of Canton Fear Trouble If It Calls There.

Hong Kong, April 29.—The Viceroy of Canton, fearing local disturbances should the Japanese fleet visit the city, has advised the Japanese Consul that he thinks the coming of the warships would be inexpedient. In reply the consul explained that this was merely a routine movement; it had been arranged for the larger vessels to remain at Hong Kong while the smaller ships came up to Canton. A few Japanese marines will land at Canton in the day time and will be given an escort of Chinese troops.

MANSLAUGHTER CASE.

Sandwich, Ont., April 29.—At the Assizes before Justice Anglin, after deliberating two hours, brought in a true bill against W. H. Chevalier, who was indicted on a charge of manslaughter in connection with the death of Bailiff Charles Baby in Windsor last September. The two men quarreled proceeding the blow which resulted in Baby falling and sustaining fatal injuries.

Delaware Park Survey

For the week commencing on the 27th April we desire to call special attention to the lots fronting on Delaware Avenue. These lots are 40 ft. by 100 ft. and as the sidewalk on the north side will be about 15 feet to the south of the street line, these lots are practically 115 feet deep. The price is $25.00 per foot frontage, or $10.00 per foot less than other lots on the same avenue. This is the choicest frontage in East Hamilton, and as corner lots will be sold at the same price during the week you should make an early selection. Delaware Avenue is only half a mile in length and prices will reach $50.00 per foot in 5 years time.

Lots on Eastbourne and Westmoreland Avenue are still selling at $15.00 per foot frontage. They wil soon be worth $30.00 per foot.

This property is reserved for residental purposes only and the reasonable building restrictions imposed are such as to insure the proper development of the survey.

Correspondence specially invited with investors living out of the city. Plans of survey sent on application.

Terms—One-sixth cash, balance easy terms, monthly payments or otherwise, time being only a question of interest.

front of her home. Waldhof denied that he had been in the store, and said that while he had received some of the goods he had returned it as soon as he heard it was stolen. The Magistrate said there was nothing dishonorable or illegal about his actions, and he would dismiss the charge, but "Keep away from thieves," he said.

Eddie Smith was up this morning. He was remanded yesterday because his wife was too sick to appear against him. Leroy Awrey asked for a further remand till Monday, as Mrs. Smith was still sick. He produced a doctor's certificate. The Magistrate granted the remand, despite the protest of A. M. Lewis, on behalf of Smith. He said that for common trespass this course of keeping the man in jail was absurd. The Magistrate agreed to fix bail in the sum of $50. "We're between the devil and the deep sea," said Mr. Lewis. "Who are you calling the deep sea?" asked the Magistrate, anxiously. "Oh! I mean the first decision and the alternative," sad Mr. Lewis, quickly. Smith put up his own money to gain his liberty.

William Skingley, 11 Frances street, and Walter Drewitt, 41 Earl street, were assessed $3 each for standing in front of Connor's pool room on Barton street east.

Arubley Morton, 39 Park street south, was fined $5 for riding his bicycle on the sidewalk on Ray street north last Monday. Constable Bramer was the complainant.

Sam Shapiro, 25 Elgin street, was fined $5 for cutting the corners at King and James street. Constable Duffy took his name.

David McKinley, Dundas, "guessed he was intoxicated last night," and the Magistrate thought it was a pretty good guess, and fined David $2.

OBITUARY.

The funeral of the late George Horne took place this afternoon from Blachford & Son's undertaking parlors, and was private. Rev. G. K. Bradshaw officiated. The remains were taken to Grenwood cemetery, Burlington, for interment.

The remains of Albert C. Brock were laid at rest yesterday afternoon, the funeral taking place from the residence of his parents, 10 Jones street, and was largely attended. Rev. F. W. Hollinrake conducted the services and there were many beautiful floral tributes. The pall-bearers were George Parker, Alex. Parker, Henry Wilkinson, George McDonald, Albert King and Roy Wodehouse.

The funeral of Mrs. George Kennedy took place from the residence of her mother, 97 Cannon street west, this morning to St. Mary's Cathedral. Father Bonomi said mass and officiated at the grave in Holy Sepulchre cemetery. The pall-bearers were J. Grice, W. McArdle, J. White, M. Hansen, E. Peterson and M. O'Brien.

The following floral tributes were laid on the casket of the late Mrs. Osborne, yesterday afternoon:

Pillow, F. W. Williamson; wreath, H. Osborne; cross, Mr. and Mrs. Alder; sprays, Mr. and Mrs. Burkholder, Mr. and Mrs. Gladwell, Mr. and Mrs. R. Weston, Mr. and Mrs. C. Weston, Mr. and Mrs. Worwick, Mr. and Mrs. Leeming, A. Hinke, M. E. Webster.

PULP WOOD MILL.

Sandwich, Ont., April 29.—It is reported on the authority of F. T. Ranney, president of the Detroit Real Estate Exchange who is interested in the project that if the duty on pulpwood entering the United States is removed by Congress, a pulp wood mill will at once be erected on the property owned by Ralph Loveland, of the Saginaw Salt & Lumber Company, whose saw mill was removed a year ago from Sandwich to Thessalon to be nearer the source of lumber supply.

Stocks and Bonds

New York, April 29.—The market during the morning developed strength in Reading, in Illinois Central as a Harriman stock, and in copper. Large amounts of stocks were covered in connection with the stock exchange failure. The over-subsidiary of the $25,000,000 Interborough notes caused it to go up. With reference to Northern Pacific, it is pretty clear that earnings for April and May will show recovery, and an extra dividend is still talked of. Not much attention was paid to the Steel report. Purchases on recessions should prove profitable.—Ennis & Stoppani.

MISS JEAN REID.

Ambassador's Daughter to Wed Equery to King Edward.

London, April 29.—The engagement of Miss Jean Reid, daughter of Whitlaw Reid, the United States Ambassador, to the Hon. John Hubert Ward, brother of the Earl of Dudley, was announced by Mr. and Mrs. Reid to-day.

The announcement does not come as a surprise to London society, where the attachment of the young people has been well known for some time past to a large number of their friends.

Mr. Ward is a favorite with King Edward, to whom he is an equerry in waiting.

Miss Jean Reid is the only daughter of Ambassador Whitlaw Reid, and was introduced to society in New York in 1904.

The Hon. John Hubert Ward was born in 1870 and educated at Eton. He served in South Africa in 1900 with the Imperial Yeomanry as press censor at headquarters, and deputy assistant adjutant-general, with local rank of captain.

At the close of a very exciting game it was decided in favor of the Hamilton Scotchmen by a score of 17 to 10. The Dundas members received the Hamilton members in a very friendly way. Another game has to be played in Dundas to decide

Dun's Review.

Light weight wearing apparel is in better demand in response to more seasonable weather, but retail trade, as a whole, shows little alteration, and the crops have not made sufficient progress to encourage normal preparation for future business in wholesale and jobbing departments. Payments are a little more prompt, owing to the ease of money that has as last brought out a good demand for commercial paper, and financial sentiment must be decidedly better when prices of many securities rise to the highest point of the year, notwithstanding liberal exports of gold. Industrial reports show no improvement, the few cases of increased activity being fully offset by the shutting down of other plants for six weeks or two months. Railway earnings thus far reported for April were 16.9 per cent. smaller than in 1907, and immigration in March was 100,000 less than in the same month last year.

MAY RECOVER.

Insane Missouri Murderer Still In London Jail.

London, April 29.—The man James Hartwick, released, on account of insanity, from the necessity of answering to the charge of killing his wife, is still an inmate of the county jail, awaiting the arrival of the officials from the Hamilton Asylum to take him to that place.

It is now nearly a month since his case was disposed of, and as yet no notice has been received stating when he will be transferred to the Hamilton Asylum.

During the time since his arrival, Hartwick has improved greatly in health. He no more raves like a maniac, but appears quite rational, so that some of the officials believe that he will in time regain his reason, though, they say, he would probably be liable to fits of insanity at any time. He is not in a constant state of excitement now, as before the trial, and looks much better, although he is frail, showing his age more than in the past.
