Ayer's Cherry Pectoral,

For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping-Cough, Bronchitis, Asthma, and Consumption.

Among the great discoveries of modern science, few are of more real value to mankind than this effectual remedy for all diseases of the Throat and Lungs. A vast trial of its virtues, throughout this and other countries, has shown that it does surely and effectually control them. The testimony of our best citizens, of all classes, establishes the fact, that CHERRY PECTORAL will and does relieve and cure the afflicting disorders of the Throat and Lungs beyond any other medicine. The most dangerous affections of the Pulmonary Organs yield to its power; and cases of **Consumption**, so far by this preparation, are publicly known, so remarkable as hardly to be believed, were they not proven beyond dispute. As a remedy, it is adequate, on which the public may rely for full protection. By curing **Coughs**, the forerunners of more serious disease, it saves unnumbered lives, and an amount of suffering not to be computed. It challenges trial, and convinces the most sceptical. Every family should keep it on hand as a protection against the early and unperceived attack of Pulmonary Affections, which are easily met at first, but which become incurable, and too often fatal, if neglected. Tender lungs need this defence; and it is unwise to be without it. As a safeguard to children, amid the distressing diseases which beset the Throat and Chest of childhood, CHERRY PECTORAL is invaluable; for, by its timely use, multitudes are rescued from premature graves, and saved to the love and affection centred on them. It acts speedily and surely against ordinary colds, securing sound and health-restoring sleep. No one will suffer troublesome **Influenza** and painful **Bronchitis**, when they know how easily they can be cured.

Originally the product of long, laborious, and successful chemical investigation, no cost or toil is spared in making every bottle in the utmost possible perfection. It may be confidently relied upon as possessing all the virtues it has ever exhibited, and capable of producing cures as memorable as the greatest it has ever effected.

THE

ILLUSTRATED LIBRARY

—OF—

POETRY AND SONG!

Edited by

DR. J. G. HOLLAND,

Author of "Kathrina," "Bitter Sweet," etc.

FAVORITE SONG is a royal octave volume of over 700 PAGES, printed in the best style of the art, on the finest tinted paper, and illustrated with 125 thoroughly dainty and delicate engravings, FROM ORIGINAL DESIGNS, by the most eminent artists, together with fac similes of the original autograph copies of (20) famous poems.

The illustrations are numerous and exquisitely wrought. What can be more beautiful than the one which reflects the enchanting spot where—

"Maud Muller, on a summer's day,
Raked the meadows sweet with hay;"

One of those lovely New England landscapes, which the engraver has represented in outlines as beautiful and artistic as the song it adorns

Conspicuous, also, for its rare beauty, is the illustration accompanying the "Song of the Brook," where the streamlet, dashing beneath the rustic bridge, goes chattering

"Over stony ways,
In little snarps and trebles,"

* * * * * * *

"Till last by Philip's farm it flows,
To join the brimming river."

Altogether, this is one of the most charming and elegant books ever issued by the American press—a fitting gift for lover or friend; an attractive ornament for the parlor table; a valuable addition to any family library.
