## Amateur Athletic Union Of Canada

### Thirty-Fourth Championship Track and Field Events at Calgary August 12.

By ALEX. RUSSELL

Calgary, Alta., June 13—The thirty-fourth championship meeting for track and field events of the Amateur Athletic Union of Canada will be held at Victoria Park, Calgary, Alberta, on Saturday, August 12th, when twenty championships will be decided. Gold silver and bronze medals are awarded to the first, second and third in each event and in addition to the championships there will be seventeen events, including the tug-of-war, school boys' relay race and a 220 yards handicap for novices.

The championships will be staged by the Calgary Caledonian Games society and the bagpipe and highland dancing contests, so dear to the Scots, will figure largely in the program. With true Western thoroughness the Scots are now working on the sports ground and nothing is being left undone that would help to make he big athletic meeting an outstanding success. The infield is being specially leveled off, rolled and re-seeded with grass while special pains are being taken to assure the runners that the track will be in the pink of condition.

All the local clubs, including the Rotary, Kiwanis, G.W.V.A., the Y.M.C.A., the Gyro, the Elks and the Board of Trade are assisting, and hundreds of members of committees are already perfecting the plans for a great triumph. With a strong community spirit behind the movement it is hoped to once again set amateur athletics on a sound foundation and that the success of the meeting will prove sufficient incentive to make it an annual championship meeting, at least.

**Athletics Suffered in War**

When war broke out in 1914 amateur athletics suffered heavily and with practically all the best men away on active service it was found impossible to hold championship meetings in 1916-17-18 and 1919. The 1914 meeting was held in Charlottetown, P.E.I., for the Maritime Provinces. The championships have been decided only twice in the West, once at Winnipeg and once at Vancouver. For the Vancouver meeting A.A.U. funds were allocated to assist each province to send one representative but even with that inducement Saskatchewan and the Maritime Provinces were not represented.

In 1920 the championships were decided at Montreal, but as this meeting was for the final Olympic trials the races were run over Olympic distances. No club was willing to stage the championship meeting in 1921 and very much depends upon the success of the 1922 meet.

Both Canada and the United States are countries of vast distances and as the competitors are allowed to accept only bare expenses, distance has always proved a serious handicap. When held in the east the meetings could not attract many entries from the west and the same result was noticed when the championships were decided at Vancouver as eastern competitors found it difficult to foot the bill, even wth assistance from their clubs.

The great success of the army corps sports in France caused many lovers of clean manly sport to hope that similar meetings might be held later in Canada and strong support has been promised many clubs in various parts of Canada if they desire to send competitors to the national meeting.

**Events to be Decided**

The Caledonian Games Society of Vancouver will stage its annual athletic meeting on Saturday, August 5th, and it is hoped that this will encourage many competitors from the United States as by attending the meeting at Vancouver they can then spend about one week at Banff in the Rocky Mountains or at the Pacific Coast and reach Calgary on the following Saturday for the championships. The Vancouver Caledonian Games are now recognized as the big athletic event of British Columbia just as the Calgary Caledonian Games have won the same reputation in Alberta—last year when they staged the provincial amateur athletics championships at Calgary they attracted 4,000 spectators.

The national championship events to be decided are as follows: Running, 100 yards; 220 yards; 440 yards; 880 yards; one mile and five miles. Jumping, 120 yards hurdle race (10 hurdles 3 ft. 6 ins. in height); running high jump; standing high jump, running broad jump; standing broad jump; hop step and jump. Walking, one mile. Pole vault. Throwing 16 lbs. hammer. Heavy events; throwing 16 lbs. weight for distance; throwing the discus; putting the 16 lbs. shot; tossing the caber. Relay race, one mile, four men, for which gold, silver and bronze medals are awarded teams winning first, second and third.

**Those Eligible to Compete**

All entries for the championships of the Amateur Athletic Union of Canada must be made on the entry forms issued by the A.A.U. which may be secured from A.A.U. officials in every province. It is necessary for athletes to be registered amateurs of the A.A.U. or amateurs of any of the affiliated associations, leagues, unions or clubs, in which case the entries must be made by the secretary of their respective clubs.

Properly registered amateurs of the following countries may compete for the Canadian championships: Australia, Argentine, Austria, Belgium, Canada, Chile, Denmark, England, Egypt, Ecuador, France, Finland, Greece, Hungary, Holland, Ireland, Italy, Japan, Mexico, New Zealand, Norway, Peru, Poland, Scotland, South Africa, Spain, Sweden, Switzerland, United States.

The travelling expenses which an athlete is allowed to ask for, receive or accept, are limited to first-class railway fare, including parlor car and single berth sleeping car fares actually paid, and the amount actually paid for meals and lodgings, which amount shall not exceed $6.00 per day. No payment for loss of wages or time shall be asked for or accepted directly or indirectly.

J. W. Jenkinson, honorary secretary of the Calgary Caledonian Games Society, 219 Burns Building, Calgary, Alberta, will furnish any information desired.

## Moncton Defeated Fredericton Team

### Independents from Railway Town Played Steady Ball —Score Eight to One.

Fredericton, June 14.—The Moncton Independents defeated Fredericton 8 to 1 in a full nine inning game of baseball at the Trotting Park tonight On the part of the home team the exhibition was particularly poor. Errors gave Moncton the game in first two innings. In the field and on bases Fredericton failed to show anything and a good sized crowd was badly disappointed. Paynter was hit little more than was Fryers of Moncton, but the support was much different. The teams meet again Thursday evening, when Blanchard, the pitcher recently sent here by Bob Ganley, will work.

The score:

| | | |
|---|---|---|
| Moncton | 230010002—8 | 7 2 |
| Fredericton | 000000100—1 | 6 5 |

Batteries — Moncton, Fryers and Cumings; Fredericton, Paynter and Donovan.

## Portland Man Buried Alive In Vessel's Hold

### 1,500 Tons of China Clay Caved in On the Workmen.

Portland, June 14.—One man was buried alive, two others were saved from death by a timely rescue when 1,500 tons of china clay being discharged from the holds of the British steamer Teesbirdge "caved in" here today.

Michael Murphy, a longshoreman, was suffocated as he was buried beneath the clay for 20 minutes before his body was recovered. Shovellers rescued two other longshoremen. Theodore Brown and Edward Hopkins, from Murphy's fate. Five other longshoremen in the hold of the steamer escaped by rushing to the opposite side of the hold.

## Reforms Of A Sweeping Nature In Movie World

New York, June 14—Moving picture reforms of a sweeping nature, both as regards the morality of the screen and the economic structure of the motion picture business were predicted as a result of a conference held behind closed doors today between representatives of the producing field, headed by Will Hays, and the exhibitors headed by Sydney S. Cohen.

The conference represents the first real test of the leadership of the former cabinet member in his new position, according to motion picture men. Relations between producers and exhibitors hove been discordant, and Hays hopes to bring about a greater harmony in all branches of the business.

Theatre owners sought today to obtain reductions in film rentals, saying that they have felt the general business slump and asking the producers to help them meet it in cut rentals. The proposed cut, discussion of a more equitable contract between producers and exhibitors, and the beginning of Hays's campaign for "cleaner movies" comprised the chief business of the day. A statement of the new program of the movies industry is expected by Friday.

## CONVENTION OF KIWANIS CLUB TO BE TORONTO

### The First Time That Their International Gathering Ever Came to Canada.

Toronto, June 10—For the first time in the history of Kiwanis the annual convention this year of the Kiwanis International Clubs will be held in Canada, Toronto being the meeting place and the dates being June 19, 20, 21 and 22. It is expected that close to 10,000 members and delegates will be in attendance. They will come from points all over the United States and Canada, from as far west as California and Prince Rupert, and from distant points in the east. The delegates are drawn largely from leading industries and business concerns, many of them holding important executive positions. It will not only be the first Canadian convention of Kiwanians, but it is anticipated that it will be the largest and best in the history of the organization, which is now in its seventh year.

So important indeed is the coming convention regarded at the Kiwanis headquarters in Chicago that one of the International officers, Dean Clarke, of Chicago, has been in Toronto since February looking after the details of the arrangements. The selection of this city as the meeting place this year was made at the convention in Cleveland last year. Some indication of the big crowd that is coming is given by D. E. MacVannel, of this city, chairman of the Publicity Committee, who says that every available Pullman car in the United States and Canada has been reserved for the occasion, and that these reservations will not afford sufficient accommodation to carry all the delegates, a large number of whom are coming by boat, notably the Chicago delegation.

The opening day of the big gathering, Monday, June 19, will be devoted to the usual convention preliminaries, and the next three days will be given up to the business of promoting Kiwanis interests. The feature of the opening will be an important contest of Kiwanis glee clubs for the International Cup, which is donated for annual competitions. This will take place on Monday night in Massey Hall, where the convention will be held. Houston, Texas, is sending the largest glee club to compete this year, forty voices representing the Kiwanis of that city. There will be no Canadian competitors.

Elaborate plans have been made by the local Kiwanians for the entertainment of the visitors. A big dance has been arranged for Tuesday night in the Transportation Building, Exhibition Park. On Wednesday night there will be a musical ride and an historical pageant in Exhibition Park, concluding with fireworks. Thousands of school children will take part in the pageant, which will be put on at an expense of $6,000, contributed by the various Canadian clubs.

"American Day," Wednesday, June 21, is being looked forward to as one of the most interesting days of the convention. The day will be chiefly devoted to cementing friendships between Canada and the United States. This will be done in speeches and in an entertainment specially designed for the laudable purpose of promoting international amity. The local committee has devoted a great deal of attention to American Day with a view to making it a gratifying success.

Hundreds of the delegates from the United States will take advantage of an opportunity to visit Muskoka, one of Canada's noted playgrounds.

The Kiwanis International Clubs number 65,000 members. The Kiwanis motto is "We Build." This has reference to the building up of business and personal character, civic improvement, national betterment and the betterment of humanity in general. Practically every Kiwanis club in the United States and Canada has devoted attention to civic improvement.

The International Club officers are: Immediate Past President, J. Mercer Barnett, Birmingham, Alabama; President, Harry E. Karr, Baltimore, Md.; First Vice-President, Victor M. Johnson, Rockford, Ills.; Second Vice-President, Fred W. Hobson, Brandon, Man.; Third Vice-President, Edward Howell, Oklahama; Secretary, Fred. C. W. Parker, Chicago; Treasurer, Russell E. Ward, Jackson, Mich.; Chairman of the District Governors, R. A. Mansfield Hobbs, New York Henry Elliott, Mostreal, is a Past President of the International Kiwanis Clubs. George Ross, Finance Commissioner of Toronto, is a Trustee.

John O'Connor is President of the Toronto Kiwanis Club, Fred H. Bigwood is Vice-President of the Toronto Kiwanis Club, and General Convention Chairman.

Following are the Chairman of Committees: Entertainment, Larry G. Taylor; Publicity, D. E. MacVannel; Finance, Charles Mtchell; Decorations, William Weller; Automobiles, Thomas Tennant. The Automobile Committee has been appointed specially to look after the visitors' cars and to provide 1,000 cars in which to give them a ride around the city.

## Imperial Oil Trimmed Indians

### Good Attendance at Second Game in South End League —Score Eleven to Five.

The fans who turned out last night for the second fixture in the South End Baseball League saw the Imperial Oil clash with and defeat the Indians by a score of 11 to 5, on the South End diamond.

Thompson, of the Imperials, featured the game with his smokeless wonders, and sent the horse hide sphere across the pan for eleven strike-outs. Megarity got the glad hand in the first inning when his throw to home from the centre garden prevented Gorman completing the circuit.

Smith did good work with the big stick, smashing out a three-bagger and two two-baggers. The game was witnessed by a good sized crowd, despite the chilly weather which prevailed.

The Royals, last year's champions, and St. David's will meet tonight.

London, June 13—Lady Rhondda, England's greatest business woman, has not abandoned her efforts to get a seat in the House of Lords. She wants women voters in England to exert sufficient pressure on the Government to obtain passage of an amendment to the sex disqualification act to give peeresses equal rights with men in the upper legislative body.

"This now is the only course open to the Government," she says, "If they intend to refute charges of bad faith they must submit an amendment to the sex disqualification act whereby peeresses in their own right can be summoned to the House of Lords. It will be useless to ask us to wait until the House of Lords is reformed, because we have learned not to accept the dangling before us of fresh promises at their face value. If the Cabinet wishes to show that there is not an intention to deceive us they must amend the act already passed."

Lady Rhondda fears that the political responsibility felt by women nowadays makes it essential that they be represented in both houses, but she does not see the need for a purely women's feminist party.

"Going about the country," she said, "I have found everywhere women reading politics, talking politics and educating themselves in politics—even those who until quite recently thought politics none of their business. I think, however, there is rather too much of a tendency to suppose women in politics are different from men in politics. Except when they are concerned with only two special issues women vote as citizens and not primarily as women."

## Will Fight For Lightweight Title

New York, June 14.—Benny Leonard and Lew Tendler will battle for the world's lightweight championship in Jersey City, on the night of July 27. This was settled definitely here today when the champion and Tendler signed formal articles for the bout to be promoted by Tex Rickard.

Promotor Rickard stated that it was necessary to advance the date from July 20 as tentatively announced, to the 27th, in order to permit the installation of proper lighting facilities and the printing of tickets, for the fifty thousand to seventy-five thousand spectators expected to witness the contest, which will be a 12 round no decision bout.

## Governor General's Challenge Shield

Members and instructors of cadet corps throughout the Province will be interested in the following article published in a recent issue of the Royal Gazettee, concerning the Governor-General's Challenge Shield:

His Excellency the Governor-General has been pleased to approve of the following amended conditions for the awarding the "Governor-General's Challenge Shield":

The Shield is to be awarded annually to the Province which can show on parade at the annual inspection (which must be held on or before the 31st of August each year) the greatest number of cadets enrolled between the ages of twelve and eighteen years, in proportion to the school attendance of the previous year. The statistics regarding school attendance to be obtained from the Executive Council, Strathcona Trust, and to be the same as those used by the Council in dividing its funds for the current school year amongst the various Provinces. The Shield to be held by the Cadet Corps most proficient in physical and military drill, and musketry, in the Province winning it.
