LANGFORD AND RICE IN FINALS WHICH WILL BE PLAYED TODAY

London Thistle Skip and Toronto Queen City Skip Will Battle This Afternoon For Labatt Trophy—Finals in Tecumseh Trophy Will Also Be Played Today.

The finals of the Labatt trophy will be played this afternoon between Skip R. B. Rice's Queen City four and Skip A. A. Langford's Thistles, of this city. The semi-finals were reached early last evening, and the rinks named justified the good opinion held of them by bowlers, by winning from their opponents.

The semi-finals were well played games. Rice was pitted against Hoover, of Clinton, one of the best skips attending the tourney. The northerners had been playing great bowls all through the tourney, and it was expected that the game would be the most brilliant of the tourney. The large gallery following the play were not disappointed, as the bowling was excellent, but the Clinton rink did not show the form expected of them. Not one of the four played the kind of a game shown in the earlier contests, and Rice got away to a running start. The Queen City quartette were all up to their best game. Sykes, the lead, Kerr, the second man, and Phelps, the third player, could be relied upon to deliver the necessary bowl in the right place, and Dr. Rice himself was in rare form. It is seldom that four players can be gathered on a rink, who play such a uniformly good game. After the first few ends there was no doubt who would be the winner. It was a fine contest, truly played.

Langford and Tom McCurdy furnished the most exciting contest of the series, so much depending on the result. McCurdy lost literally by a hair's breadth in the last end.

During the whole game the two rinks see-sawed in the leadership. First one would be ahead and then the other until the interest of the spectators was worked up to a high pitch. When the last end was commenced, McCurdy was one up, and bowling splendidly. Owing to good work on King's part, the Stratford man was lying shot. Claude Bluett placed a beauty within a few inches of the kitty. Manion could not get the shot away, and it was up to Langford to draw another shot to win the game. "Longboat," as he is called by his club mates, did not fail his rink, but laid down a beautiful bowl London lying two. Tom McCurdy endeavored to trail the kitty a few inches into a cluster of Stratford bowls, but missed it by a bare fraction with his first bowl. Langford's second was not good. It was up to McCurdy on his last bowl. He again tried an overthrow to take the kitty, but again missed by a bare inch. It looked as if his bowl would be shot, but it wobbled just out of range. There was no question about Langford having one shot, but it was necessary to measure for second, and fortune favored the home skip, and he won by the narrowest margin.

A large gallery followed this game. The Thistle rink skip is president of his club, and his club mates did not fail to show how much they thought of him. They rooted all the time for him to win. McCurdy was not without his friends, and the brilliant Stratford skip was given many an ovation for his great playing.

Hoover's Clinton four bowled a wonderfully good game against George Nightingale's Thistles in the fifth round. Courtice, the lead, and Taylor, the third player, were in particularly good form, and repeatedly made almost impossible shots. It can be said, without detracting from the consistently good bowling of Skip Hoover, who is one of the most reliable players in the game that it was the work of Courtice and Taylor that made the Clinton four so comfortable winners. Nightingale did not show his usual ability with running shots.

Langford trimmed Dr. Wiley, of the Brantford Heathers, a former winner of the Labatt trophy. It was a tight game until the last few ends, when Langford drew away, winning by a comfortable margin.

The Tecumseh trophy competition has reached the sixth round, the rinks remaining being Frank Smoke, Paris; H. O. Hawke, Galt; Newman Booker, Aylmer; John Stevenson, London; Hoover, Clinton, and Dr. Wiley, of Brantford. All these rinks are in rare form, and some great bowling should be seen during the day. The finals in this competition will be played at 5:30 o'clock this afternoon.

There are many rinks remaining in the McNee, but it is expected that before evening the semi-finals at least will be reached. This is an extremely open race, and anything is likely to happen.

GUELPH WANTS BOWERMAN TO MANAGE THE LEAFS

President Mahoney Will Try and Secure Former London Manager—Also Frank Gurney.

Guelph, July 24.—A change has been made in the line-up of the Maple Leafs, the third in the past three days. At a meeting of the directors it was decided to let Manager Needham go. They are endeavoring to get Frank Bowerman, who led the Cockneys up to the past few days, but who got in wrong with the London fans, and quit the team in disgust at the treatment handed out, though he has a second-rate team up to the first three positions in the league race practically all season.

To fill the position vacated at second base by the retirement of Manager Needham the directors are after Gurney, late of St. Thomas, who will fill that position to a nicety. Should neither Bowerman nor Gurney be secured by Thursday, Joe Dunn will probably act as captain and play at second base, with a pitcher in the outfield until a new second baseman can be secured. Cully, of the Dufferins, in the Toronto City Amateur League, may be given a tryout.

BERLIN BEAT PETERBORO IN THE FIRST FOUR SESSIONS

All the Runs of the Game Were Scored in the Early Innings.

Peterboro, July 24.—Berlin's eighteen-year-old pitcher, Bradshaw, was in all kinds of trouble till he secured control in the fourth inning of today's game, and he was lucky to escape with one run. He allowed but six singles. The score:

The monoplane is not so much in favor in France as formerly. The war office has, a cable report states, forbidden its use by military pupils in aviation, declaring the biplane to be preferable on account of its superior stability.

What the Others Are Saying

Glints From Papers on Canadian League Circuit.

SOME ANCIENT HISTORY.

Ottawa Free Press: It might be interesting to Ottawa fans to know that Red Rowe caught the first game Babe Schuman, the monster Guelph pitcher, ever twirled. That was in the Virginia League several years ago.

SOME CAUSE FOR EXCITEMENT.

Brantford Expositor: Hamilton has grabbed Sammy Swartzmier, released by Guelph. Messrs. Robinson, Lee, et al., are certainy sparing no expense to land a winner in the Ambitious City this year. In fact, every game the Kolts play the genial secretary gets excited about winning it.

THE KOLTS WON A GAME.

Hamilton Times: Our peerless athletes finished the series at Guelph yesterday by walloping the hirelings of Mr. J. Jawn Needham to the glad music of 7 to 5. Our popular candidates for a seat in the hall of fame are operating in a manner now that has the heartfelt approval of the electors.

A PROBLEM AT GUELPH.

Guelph Mercury: Wonder if the Leafs will fight for the games the rest of the week or present them to their opponents.

LOOKS AS IF THEY MIGHT HAVE TO.

Hamilton Herald: Down Ottawa way they consider the Canadian League pennant as good as cinched, and have already started to arrange for a post-season series with the Fort Wayne club, of the Central League. The Senators are a little previous in making arrangements, and it looks as though the best thing they can do is to arrange a series with London to see which is the second best team in the league.

DID IT HIT HIS HEAD?

Guelph Mercury: Behan used his head to beat out his bunt. He ran out into the diamond, and when Rose threw the ball it hit him, and he got there safe.

HINTS TO BALL PLAYERS.

Hamilton Times: When you strike out four times in a game, shake your head and say: "I can't understand it. That fellow hasn't got a thing today." When you make three hits in succession, remark casually: "Gee, that fellow is fast today. His curve ball is breaking like a flash."

NOT THE SAME DRAFT THAT HIT REGINA.

Ottawa Free Press: The big league drafting season starts Aug. 21 and lasts for ten days. The Canadian League is expected to be hit pretty hard by the draft from the majors, but as $750 goes with every player taken out, the clubs will have little kick coming.

GETTING ON UNEASY STREET.

Hamilton Times: Might we suggest that some fan start figuring how many games the Kolts can lose and still win the Canadian League pennant?

FOX KNOCKS BALL OVER FENCE FOR HOMER AND WINS GAME

Brantford Tied Up the Game in the Eighth by Landing on Silcox for Five Runs, But Indians Win Out in the Tenth Inning.

[Special to The Advertiser.]

Brantford, July 25.—London won a hard game here today, after the Red Sox had pulled off a great batting rally in the eighth, tieing the score. The final count was 11 to 9. Fox's terrific clout over the right-field fence scoring Bierbauer and himself with the winning runs in the tenth. Silcox was taken out after the disastrous eighth, and Reitzman finished the game strong, allowing only one Red Sox to first, and striking out two men in the tenth. Brantford fielded wretchedly behind Coose, and hits were secured of the scattering order, owing to ground conditions. At that, however, the Indians batted hard, several of their rallies coming with two men out.

The great work of Gilhooley, Fox and Bierbauer featured what proved an exciting contest. The London shortstop hit the ball hard every time at bat, three of his drives being safe.

Until the seventh the Cockneys looked like sure winners, until everybody started to hit. In two innings Brantford put over seven runs, tieing the score. Silcox retired the side in the eighth, during which he struck out Kane and Minnes. Outside of the one round he pitched excellent ball.

The grounds were so thoroughly soaked that several loads of sawdust were sprinkled around the field. Manager Barrett and the London players objected to playing at all on account of the slippery footing. It was a case at best of taking chances on broken limbs and charley-horse. However, a compromise was reached and it was decided to play one game only. A double bill will probably be played on London's next trip here.

London had a chance to score in the first inning, but the needed hit was not forthcoming. Gilhooley drove one through the box and went to second on Bierbauer's hard smash over third. Powell and Cocash both flied out to centre, however, ending the round.

The Red Sox started scoring early. Cocash made a magnificent catch, robbing Courtney. Novak singled, but Silcox caught him off first. Lane singled and Ivers hit the first ball pitched on a line over centre for a homer. Reardon struck out.

Brantford shoved two across in the seventh, but Silcox struck Courtney out, retiring the side.

The Brantford rally in the seventh and Fox's home run in the tenth were the concluding features of the pastime. The score:

DODGERS LOST A GAME

Phillies Lost to Cardinals When Alexander Weakened in the Ninth Inning.

Cincinnati, July 24. — The Giants played a ragged game in the field today and had two pitchers knocked out of the box, but managed to win, 8 to 7, in ten innings.

Fromme was knocked off the mound in the seventh inning, after having his game well in hand up to that time. Errors by Bates in centre field, with a hit by McCormick, gave the Giants the winning run in the tenth. Tesreau and Ames were both hit hard. Bescher's fielding, batting and base-running were features. It was the fourth victory the Giants making a clean sweep of the series. The score:

QUEEN WORTHY WINS THE M. AND M. STAKE

In First Four Heats a Different Horse Finished First Each Time.

JUDGES' VERDICT JEERED

Crowd Claim Queen Worthy Was Beaten in Both First and Fifth Heats.

Detroit, July 24. — After five fiercely fought heats, in the first four of which a different horse finished in front each time, Queen Worthy, owned and driven by Thomas W. Murphy, of Poughkeepsie, N. Y., was declared the winner of the Merchants' and Manufacturers' $10,000 stake for 2:25 class trotters, the chief attraction of the Grand Circuit programme at the State Fair grounds this afternoon. No starter was able to capture three of the five heats raced, Queen Worthy, having the best standing at the end of the race, received the major portion of the purse.

In both the first and fifth heats the decision of the judges in placing Murphy's mare in front was met with hoots and jeers from the stands. The Wanderer seemed to have won by half a length in the first heat, and Bierne Holt by a head in the fifth, and the crowd refused to be satisfied with the official verdict.

Murphy sent Queen Worthy out in front in the first heat, and was not in danger until half-way down the stretch, when Macey came alongside with The Wanderer. Like a team they came toward the wire, Murphy driving with every ounce of his strength. Half a dozen lengths from the finish he eased up, while The Wanderer was strong and going away. Everyone outside the judges' stand thought Macey had the heat won, but the official announcement gave the verdict to the eastern mare.

Murphy apparently had been saving Queen Worthy for a supreme effort, as he never was a strong contender in the second, third or fourth rounds. But at the word for the fifth start he sent his mare out in front and she led all the way to the wire, though tiring at the end. Bierne Holt, coming fast and strong, seemed to have won the final heat, but the judges said otherwise.

The track was about two seconds slower as a result of the heavy rain of last night. Next to the rail there was a strip of mud, and all the going had to be done on the outside. The summary:
