FIRE PROOF BUILDINGS

are rented far more quickly than others.

Besides the insurance premium is brought down to the lowest possible figure.

Metal ceilings and wall decorations render the interior of your building fire-proof.

They also add a beauty and attractiveness which wood and plaster fail to give.

The expense and annoyance of constant repairing is done away with.

Our catalogue will interest you.

MELOTTE CREAM SEPARATORS

increase the quantity of cream 20 per cent., improve the quality of butter, save ice, save time in washing a multitude of pans, and provide sweet and still warm separated milk which, with a little corn meal added, makes a far more valuable, though less expensive, food for young stock than stale skimmed milk. These are facts which any user or any dairy expert will confirm. No charge for trial.
