Our Home Treatment.

Have you a husband, father, son, brother, relative or friend who is a victim of the Drink Habit? If so, tell us about it and we will show you how to cure him permanently. We give a written guarantee to remove all desire and craving for liquor entirely from the system in 3 days, no matter how long the subject has been addicted to the drink habit. No hypodermic injection—no bad after effects. Here is an opportunity to save your dear ones from misery and ruin and bring back your old happiness to your home once more.

Any person under the influence of the Drink Habit, whether moderate, periodical or the most difficult case, will be permanently cured by taking The Gatlin Institute Treatment for 3 days. The following is one of the 20,000 cures effected, being case No. 3,023—Male; age 55 years. Lumber merchant. Resident of F—— C——, Colo. Steady drinker; average one quart per day. Fair physical condition. Entered Institute December 29, 1903; discharged in three days, cured, January 1, 1909, reported had not tasted nor desired liquor since treatment.
