West Garafraxa Council.

The Council of this Township met pursuant to adjournment at the Sheaf of Wheat Tavern, on Tuesday, 4th Feb. Members all present—Wm. Gibson, Esq., Reeve, presiding. The Clerk read the minutes of last meeting which were approved, after entering the name of Warden Shand instead of that of Wm. Sandy. The Reeve introduced a blank by-law, offering a bounty for the destruction of wolves and lynx in West Garafraxa. The Council went into Committee of the whole, Mr. John Mitchell in the chair, to pass said by-law. The blanks in the by-law were then filled up, and it went through its several readings and passed. This by-law offers a Township bounty of $6 for each wolf and $4 for each lynx killed within the limits of the Township. The person claiming said bounty shall make affidavit before a Justice of the Peace, residing in West Garafraxa, that said animal was killed within the limits of said Township, and that claimant is a resident thereof. The J. P. will then issue his order on the Township Treasurer for said bounty. Mr. John Mitchell moved, seconded by A. Richardson, that the Clerk instruct the County Treasurer to strike off the back taxes from the west half of Lot 32, on 4th Concession of this Township.—Carried. Moved by Mr. R. McLellan, seconded by David J. Black, that John Sergent be paid the sum of $30 for grading and improving side road between Lots 15 and 16, on 7th concession, and that the Reeve give his order for the same.—Carried. Moved by John Mitchell, seconded by A. Richardson, that Anthony Buschlin, Treas. of Union School, Arthur and Garafraxa, be paid the sum of $26.50, non-resident school tax, and that the Reeve do grant his order for the same.—Carried. Moved by John Mitchell, seconded by David J. Black, that this Council strike off the taxes against Hugh McArthur, in the Village plot near Fergus, amounting to $3.81½; also from Mrs. Maricles' taxes, $1.62½, both errors in assessment, and that the auditors allow the Treasurer credit for the amounts when auditing the Township accounts.—Carried. Moved by John Mitchell, seconded by Richd. McLellan, that the Reeve, Messrs. Black and Richardson be and are hereby appointed a Committee to take charge of the drill-shed and settle all matters connected therewith.—Car. The following tenders for Township offices were on the table by noon and read, viz.: For Treasurer, Wm. Cassidy, $80. For Assessor, Robert Kennedy, $70; Thos. McGladery, $70; Robt. Burr, $70; Geo. The Council was then moved into a Committee of the whole to fill up the blanks in said By-law—John Mitchell, Deputy-Reeve, in the Chair. WM. CAMPBELL, Clerk

THE ALDINE FOR FEBRUARY is in every respect equal to the sanguine expectations excited by the January number of this remarkable periodical, of which each issue appears to be the climax until its successor appears. The opening illustration is a magnificent full page by J. D. Woodward, of Puncheon Run Falls, which is certainly one of the most delightful pictures which it is possible to conceive. Further on we have three smaller illustrations by the same artist, the whole being illustrative of an article on Virginia scenery, with especial reference to the beauties of the Blue Ridge. Mr. Woodward, as a draughtsman, certainly will rank with Thos. Moran, and we shall always regard the specimens of his exquisite taste in landscape as amongst the foremost attractions which the shrewdness and tact of the publishers offer the patrons of *The Aldine*. "An Attack in the Rear," by J. G. Brown, a snowballing sketch, is worthy of that eminent artist's reputation, and it is the exhibition of work from the pencils of the first painters in the country, that *The Aldine* is justifying the high expectations of its friends. "Bust," by Wm. M. Carey, is a powerful delineation of a catastrophe on the plains, and the correct detail shows that this artist is no novice in the experiences of Western frontier life. The other cuts are all good and of interest scarcely inferior to those we have specially noticed. The literature of the present number leaves nothing to be desired in the way of excellence and variety. It opens with "Ebenezer Elliott," a gossippy paper about that manly old poet, by January Searle; a second paper of the same sort is "Delfine Gay Girardin," a translation from the Spanish of Emil Castelar, by Helen S. Conant. The Stories are "Over a Cabin Table," by Hiram Rich, and "The Garden of God," by Charlotte Peters. Besides, there are several miscellaneous papers, as "The Old Dominion," *apropos* to Mr. Woodward's illustrations; "Lingering Superstitions," by Charles Dawson Shanly; "Mosses and Lichens," by W. W. Bailey; "A Castle in the Rhine;" "Snow" and "Poetic Children." Music, Art and Literature receive their due attention, this department of *The Aldine* being very ably filled. The Poems are "Peradventure," by Julia C. R. Dorr; "A Tartar Long," by Henry Richards; "Up in the Trees," by John Sydney, and "Bust," by the editor, who evidently believes that some things can be done as well as others. It is written in dialect, which he handles with great skill and power, and will cause a sensation. $5.00 per year with premium Oil Chromos "Village Belle" and "Crossing the Moor," 14x20 inches. James Sutton & Co., Publishers, 50 Maiden Lane, New York.

CRUSHED UNDER A SANDBANK. — On Thursday last, while a young man named Gilbert Burton, son of Mr. Henry Burton of Clarksville, was engaged in loading sand, a portion of the embankment which he had undermined, gave way, falling on him and crushing him so severely that his life was despaired of.

THE jury which has been investigating the late fire at Barrie are of opinion that it was the work of an incendiary; but who that incendiary was there was no evidence to show. Attention was also called to the insufficient state of the Fire department.

"Not another drop unless it is sweetened," were the words uttered by Patrick Harney upon being fished out of the North River, into which he had tumbled while drunk on Wednesday.

BURGLARY.—The store of Manhard & Booth, Brockville, was burglariously entered on Wednesday night, and a half a case of oysters and $7 in cash carried off.

THE general session at Picton, Nova Scotia, decided on Wednesday to grant no liquor licenses in that county.

BREAKFAST.—EPPS'S COCOA.—GRATEFUL AND COMFORTING.—"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavoured beverage which may save us many heavy doctors' bills."—*Civil Service Gazette.* Made simply with Boiling Water or Milk. Each packet is labelled—"JAMES EPPS & Co., Homœopathic Chemists, London."

MANUFACTURE OF COCOA.—"We will now give an account of the process adopted by Messrs. James Epps & Co., manufacturers of dietetic articles, at their works in the Euston Road, London"—See article in *Cassell's Household Guide.* J206mdw

IRON IN THE BLOOD.—When the blood is well supplied with its iron element, we feel vigorous and full of animation. It is an insufficiency of this vital element that makes us feel weak and low spirited; in such cases, the *Peruvian Syrup* (a protoxide of iron) can supply this deficiency, and its use will invigorate us most wonderfully.

R. C. Barnes, Junction City, Kansas, writes that Fellow's Compound Syrup of Hypophosphites is selling rapidly, and creating great excitement on account of the cures it is effecting.

THE STOMACH AND ITS DERANGEMENTS are the common cause of most of the Chronic Wasting Diseases for which invalids are constantly seeking specifics. When the food is imperfectly digested and assimilated, the blood becomes impoverished, and all the organs and tissues of the body debilitated by want of nourishment. The general depravity of the system manifests itself in some constitutions by disease of the Lungs, Heart, Liver, or Kidneys, and in others by scrofulous enlargement of the glands, eruptions of the skin, ulcers of bone and flesh, spinal weakness, irregularities, exhausting discharges, nervous prostration, mental anxiety, neuralgic and rheumatic pains, all of which arise from depraved nutrition. To invigorate the Stomach and perfect Digestion, and the formation of Healthy Blood, Dr. Wheeler's Compound Elixir of Phosphates and Calisaya is of great efficacy and reliability, being harmless to infant or adult, and prompt and permanent in its effects. Sold by all Druggists. dw

Betts's Capsule Patents.

To prevent infringements, notice is hereby given that,

Betts's Name is on every Capsule he makes for the principal merchants of England and France,

thus enabling vendor, purchaser and consumer not only to identify the genuineness of the capsule, but likewise the contents of the vessel to which it is applied.

The Lord Chancellor, in his judgment, said that the capsules are not used merely for the purpose of the ornament, but that they are serviceable in protecting the wine from injury, and insuring its genuineness.

Iron in the Blood

PERUVIAN AN IRON TONIC SYRUP

MAKES THE WEAK STRONG.

The Peruvian Syrup, a Protected Solution of the Protoxide of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damages and waste, searching out morbid secretions, and leaving nothing for disease to feed upon.

This is the secret of the wonderful success of this remedy in curing **Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhœa, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints,** *and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Constitution.*

Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial.

See that each bottle has **PERUVIAN SYRUP** *blown in the glass.*
