Alerts Pull Themselves Out of a Small Hole and Defeat Hamilton.

London, July 27.—At the end of the eighth innings in the game here to-day between Hamilton and London, the visitors were apparently the winners, the score standing 5 to 3 in their favor. In the ninth the Alerts got a batting streak and knocked out five runs, winning the game. Up to this innings the Alerts could do little with Moore. Score:

One Salary Less to Pay.

Pitcher Wittrock received his release on Saturday under unique circumstances. He was in conversation with Pop Smith, the new captain, and happened to remark that he thought the guarantee on the trip would hardly pay the salaries. Smith was not long in bearing the tale to the greatest manager on earth, who promptly summoned Wittrock and handed him his release. Then an altercation ensued, Chapman saving himself by the use of his cane. The other players are naturally enraged at the new man, and also think that the Jonah manager was very quick in accepting the statement of the recent arrival. Wittrock did not leave for Providence with the team.

All the Eastern League games Saturday were postponed on account of the rain.

The men arrested include every bookmaker, sheet writer and all other employes of the bookies. The warrants were sworn out by the Rev. J. J. Hopkins, pastor of the Norwood Presbyterian Church, and Dr. J. Weyer. The charge is that of receiving bets on the speed of a horse, which is contrary to the laws of Ohio.

From Detroit to Cleveland.

Detroit, Mich., July 27.—A heavy downpour of rain to-day made the Gross Pointe track unfit for racing. The Detroit Driving Club has declared off the day's program. Nearly all of the owners who had entries in for three races have engagements for the Cleveland races Monday, and consequently could not remain in Detroit for postponed races Monday. Most of the horses are being shipped to Cleveland today.

A GREAT GAME OF LACROSSE.

Shamrocks Defeat Montreal by 6 to 5—The Best Match of the Year—Toronto Whitewashed.

Montreal, July 28.—"The best game yet," is what old players designate the Shamrock-Montreal lacrosse match yesterday afternoon. It was the unexpected that happened. Everyone expected that the Shamrocks would simply whitewash the Montrealers. Instead of this, they had to hustle for all they were worth to win—by the bare majority of six games to five—one of the swiftest and prettiest matches that have been seen in Montreal this season. It was bright, good, clean lacrosse from start to finish, and it was almost perfectly even, with the exception that the Shamrock team play was certainly the best. Luck and Danahar practically decided the day, for it was anybody's game until the umpire's hand went up for the last time.

Montreal surprised even its friends, and the Shamrocks put up a game against their old-time antagonists that made one wonder how Cornwall ever had any license to be even in the same league with them, much less to score a victory. Sharp, brilliant lacrosse, with the eleventh game even faster than the first and the play even enough to keep everybody gasping for breath, was the order of the day. The following is the summary:

1—Shamrocks, Danahar	5 mins.
2—Montreal, Gilmore	3 mins.
3—Montreal, Gilmore	2 mins.
4—Montreal, Gilmore	6 mins.
5—Shamrocks, O'Meara	3 mins.
6—Shamrocks, Wall	4 1-2 mins
7—Montreal, Hamilton	4 mins.
8—Shamrocks, Tucker	6 mins.
9—Shamrocks, Danahar	1 min.
10—Montreal, Gilmore	5 mins.
11—Shamrocks, Tucker	9 mins.

In the Northern District.

Wiarton, July 27.—At Chesley yesterday the Wiarton Granites defeated the home club four straight games in 9 minutes and 10 seconds of actual play, which is claimed to be the fastest time on record in a C.L.A. match. The home team was confident of success, and their opinion was shared by Owen Sounders, who were present before the game started. This leaves Wiarton slightly in the lead for the championship of the Northern and should Owen Sound also manage to defeat Chesley on the latter's grounds Wiarton and Owen Sound will play off for the championship. Out of the seven matches played this season Wiarton has won six, two of which were won from Owen Sound. The only match lost was one to Owen Sound, when the Granites played two juniors on their team, owing to delay in getting two of their regular players reinstated.

Junior Lacrossists at Weston.

Weston, July 27.—The lacrosse match between Weston and Toronto Junction, Saturday, resulted four to two in favor of the Junction. In the last game Weston played with ten men, one being ruled off. The match lasted two hours.

A Close Contest at Stouffville.

Stouffville, July 27.—The game of lacrosse played in Stouffville to-day between Markham and Stouffville, resulted in favor of the latter by 3 goals to 2.

G Co., R.G., at the Ranges.

G Co. Royal Grenadiers held their annual rifle match Saturday at the new ranges, Long Branch, the following being some of the principal scores: Pte. Brimley 89, Pte. McKay 82, Pte. Bayliss 76, Corp. Dicks 66, Sergt. Cartwright 51. The range prizes were won by Pts. Brimley, 29 at 200 yards, 34 at 400 yards; Pte. McKay, 32 at 500 yards.

At the Traps.

There was a large gathering at McDowall's blue rock shoot at the Woodbine Shooting Grounds on Saturday afternoon. Capt. Bartlett was present, and after a couple of matches gave an exhibition of rapid firing that was really wonderful. One feat is to throw a can into the air and hit it several times until it is out of range. He throws another up, turns a somersault and hits it two or three times before it falls. Six blue rocks are next thrown up and all smashed while in the air. The captain did many other wonderfully clever feats with his repeater, and was loudly applauded. After the exhibition a couple of sweeps brought the shoot to a close. Score:

Shoot 1, 10 birds—McDowall 10, Capt. Bartlett 9, McDuff 8, Robinson 7, Simpson 6.

Shoot 2—Capt. Bartlett 10, Dr. H. 10, McDowall 9, Tippett 8, Wilton 8.

Shoot 3—Capt. Bartlett 10, Masson 9, Casey 9, George 8, Dent 8, Dr. H. 8, Robinson 8, Mcduff 7, Moore 7.

Shoot 4—Capt. Barthett 10, George 9, Dent 9, Wilton 9, Robinson 8, Sheppard 7, Moore 7.

A great shoot followed, when Dent and George shot off their tie at 9. Dent shot 29 and George 28 out of 30 before the tie was settled.

Royal Toronto Sailing Skiff Club.

On Saturday afternoon the race in the 20-ft and 16-ft classes was sailed over the usual club course, starting at 3 and 3.10 p.m. The wind was fresh and puffy from the northeast after the heavy rain all morning. In the 20-ft class the finish was as follows: Annie Young, Myra, Bessie. The excitement was high as to whether the Bessie or Myra would cross first. In the 16-ft class the competition was very keen. The results are as follows: Bernice, Gracie, Sigma, Isa R., Violet. The Sigma gets second on time allowance. The Bernice sailed a splendid race; the Gracie displayed some first-class seamanship; first her bowsprit broke and they had to send a man forward to lash it to the spinnaker boom; she had not been long under way when the peak halyard gave way, and again a man had to go forward and take off the forestay and lash it to the gaff. She was considerably behind at this time, but soon crept up on the other boats, as mentioned above. The Sigma also had an accident; just after leaving the dock, the top pin in the rudder broke off; she had to lay to and bind the broken part on with marling, but it was not satisfactory, as most of the time she was steered by the sails. Mr. T. A. Riley acted as officer of day. A large crowd of people witnessed the races from the club balcony.

Yacht Racing at Hamilton.

Hamilton, July 28.—The cloudy weather and rain detracted somewhat from the interest in the Royal Hamilton Yacht Club races on Saturday, but the two events run off made good sport. In the 27-foot class Eclipse won, Scalawag was second and Illaway third. In the 27-foot class Salola won, Maud B. was second and Feather Bell third.

National Boats' Close Contest.

The third-class boats of the National Yacht and Skiff Club sailed on Saturday afternoon, twice around their triangular course, being the distance, the wind blowing somewhat gusty from the northeast. The following boats started: Elma, Lottie C., Star and James Williams' new boat, the Edith Maud, this being her maiden race. The sailing was close and at the finish very little distance was there between any of the boats, as follows: Star 1, Elma 2, with the Edith Maud two seconds behind.

Tyers Is a Fast Swimmer.

London, July 27.—At the Brighton Baths to-day a 500-yards swimming match for the amateur championship of England was won by Tyers, the holder of the title, who covered the distance in 47 2-5 seconds, beating his own record.

Pexton in Bowling Form.

Brampton Cricket Club played the Garrison Cricket Club a match at the latter club's grounds, on Thursday last, and won by 4 runs and 11 wickets. Scores: New Fort, 21 and 109; Brampton, 108 and 17 for the loss of one wicket. The feature was the bowling of Pexton for Brampton in the first innings, he having 8 wickets for 4 runs. S. Cooper got highest score for the Garrison, 57 not out, in the second innings. Mr. Holden batted carefully for 47 and 10, not out, and Pexton made 14, not out, for Brampton.

Had La Grippe.—Mr. A. Nickerson, Farmer, Dutton, writes: "Last winter I had La Grippe and it left me with a severe pain in the small of my back and hip that used to catch me whenever I tried to climb a fence. This lasted for about two months, when I bought a bottle of Dr. Thomas' Eclectric Oil, and used it both internally and externally, morning and evening, for three days, at the expiration of which time I was completely cured."

BICYCLING BY ELECTRIC LIGHT.

A Big Crowd, Small Fields and a Rather Wet Track at Hanlan's Point.

Upwards of 1000 spectators were present at the electric light races at Hanlan's Point on Saturday night. On account of the early rain at noon it was decided to call the races off. But a little later they were again called on, and as a result many of the wheelmen entered did not materialize. So as not to disappoint the gathering scratch races were put on, but slow contests were the result on account of the damp condition of the track and the races were generally disappointing. The new grandstand will be completed for next Saturday's races. Summaries:

Tyler Defeats Sanger.

Lynn, Mass., July 27.—Harry C. Tyler, the Springfield flyer, carried off the honors at the Glenmere Park, Lynn, bicycle races this afternoon. Not only did he defeat Sanger over one-sixth of a mile in the five-mile professional race, but he broke the record at this distance, his time being 11 minutes 39 4-5 seconds. The four-mile record also went to him, in 9 minutes 15 seconds. Johnston did not appear on the track and in explanation of this Tom Eck mounted a platform and made a speech to the spectators, to the effect that Johnson had been sick in bed for nine days and was unable to be present. At last the race was started, Weinig of Buffalo being entered in place of Johnson. With McDufree and Randall on a tandem as pacers, the men were given the word by Starter Peck, and the great race was on. The first mile was not finished before Weinig dropped out. For three miles Wheeler clung to the rear wheel of the tandem, with Sanger close upon him. As the fourth mile had begun Sanger had dropped to five lengths behind Tyler, and then a tandem ridden by Seavey and Shefler took a hand and paced the Milwaukee flyer. But it was no use, as Tyler was in the pink of condition and Sanger greatly indisposed.
