COLLEGIATE BOYS BEAT CRESCENTS

In a Close and Hotly-Contested Game of Hockey.

Local Shooting Tournament—Yesterday's Racing Events—Latest Sporting Happenings.

HOCKEY.

WIN FOR THE COLLEGIATE BOYS

The Collegiate Institute and the Crescent city league team played at the Jubilee Rink last night, the former winning in a close game. The score was 3 to 2. The game was fiercely contested, from the puck-off until time was called. A large crowd witnessed the game. Ashplant, of the Collegiates, and C. Smith, of the Crescents, put up a great game.

STRATFORD DEFEATS WATERLOO.

Guelph, Ont., Feb. 7.—The tie game in the senior series of the O. H. A., between Waterloo and Stratford, was played off here tonight. Stratford won by 5 to 2. Score at half-time, Waterloo 2, Stratford 1.

JUNIOR SEMI-FINALS.

Peterboro, Ont., Feb. 7.—The first game in the semi-finals O. H. A., junior series, played here tonight, between Upper Canada College (Toronto) and Peterboro Colts, resulted 7 to 6 in favor of Peterboro. The play was sharp and close from start to finish.

SIMCOE EASY FOR WOODSTOCK.

Simcoe, Ont., Feb. 7.—The second game in the Central Ontario hockey series on the home ice, was played here tonight, Woodstock being the victor by a score of 8 to 4.

DATES FIXED BY THE EXECUTIVE.

Toronto, Feb. 7.—The O. H. A. executive sub-committee has ordered that the match between Stratford and Simcoe in the junior series be played at Stratford next Monday, and that between St. George and London in the intermediate, at London, on Friday first. No date has been set for the Cornwall-Capital match, and before it is the committee will try to discover who was responsible for the rough play in the recent Cornwall-Iroquois match.

TRIGGER.

A LOCAL SHOOT.

There was a very interesting sweepstake shoot at 25 pigeons, at James Homister's, Hamilton road, yesterday afternoon, between Messrs. Stroud (Hamilton), Bates (Ridgetown), and Fairbairn. The score:

Fairbairn ...	1 1 1 1 1 1 1 1 1 1 1 1 1	1 1 1 0*	1 1 1 1 0*	1 1 1—23
Bates	—1 1 1 1 1 1 1 1 1 1 1 1 1	1 1 1 0*	0* 1 1 1 1 1 1 1	—23
Stroud	1 1 1 0* 1 1 1 1 1 1 1 1 1	1 1 1 1 1 1 1 1 1 1	0*	1—23

* Fell deal out of bounds.

Mr. Stroud is considered one of the best shots in Canada, having made the highest aggregate score at the late tournament at Hamilton, and Mr. Bates having killed his 25 pigeons straight at the late tournament at St. Thomas, beating every one. Today's match will be one of the best contested matches ever shot in Canada, and at 100 birds a side for $100 a side, which will prove who is the champion of Canada. There will be several of the best shots here, and sweepstakes will be shot before and after the match. Any quantity of pigeons are on hand for all.

BOWLING.

MISS MURRAY IS EXPERT.

Toledo, Ohio, Feb. 7.—Miss Rose Murray, of this city, whose record of 236 is claimed to be the best score ever bowled by a woman in this country, last night defeated W. H. Thompson, the winner of a recent eastern bowling tourney, three games out of five. It was Miss Murray's first match game. She has entered the woman's national tourney at New York, June 15 to 23, and will bowl for the national individual championship.

BASEBALL.

Dr. Arlie Pond, the former Baltimore twirler, who has been to the Philippines as an army surgeon, has returned to California, and intends to get in the game this year.

The wildest rumor that ever gained circulation through the columns of metropolitan newspapers was the one in reference to San Francisco joining the National League. Frisco is a great sporting town, and would support a major league team, but the trips across the continent would be impossible in a regular schedule of games.

A National League magnate asserts that fully 200 players have already signed contracts, and as only ten clubs can be said to exist at the present time, there will be an awful slaughter of talent when the stars all sign for the coming season, as the club owners are not so wealthy that they intend to carry a lot of excess baggage to prevent some other organization from securing the men.

Someone down in Louisville has taken the trouble to declare that they do not want American League baseball, and that President Ban Johnson is wasting his time considering that city as a possible member of his circuit. For the information of the Colonels it can be stated that Ban Johnson has always said that Louisville has no charms for him as a member of the league he presides over, and there is little danger of the American League taking in that city.

SPORTING NOTES.

Kid Broad was given a surprise party in Brooklyn recently. He met Eddie Lenny in a 20-round contest, and Lenny not only stayed the limit, but had the better of the contest, which was declared a draw.

A week from Friday night, Joe Choynski and Joe Walcott will fight at the Broadway A. C., New York. It promises to be one of the most remarkable battles in the history of the ring. Choynski is 11 inches taller than the black and 20 pounds heavier.

George Langford, one of the most famous oarsmen that Yale ever produced, lost an arm while attempting to save a workman in the McKenna steel rolling mills at Joliet, Ill., recently. Langford is superintendent at the mills. One of his men became caught in some machinery, and while attempting to extricate him, Langford's left arm was caught in a belt. It was so injured that amputation was necessary.

DOMINION PARLIAMENT

Important Resolutions Regarding the Canadian Contingent.

To Be Brought Before the House by Hon. Mr. Fielding—The Hutton-Hughes Incident.

Ottawa, Feb. 7.—In the house today a lengthy question was asked by Mr. Domville in regard to Major-General Hutton and Lieutenant-Colonel Sam Hughes. The honorable member quoted an interview with the major-general, in which he said that the letters of Lieut.-Col Hughes placed that officer in a most unenviable light, adding: "Those who have seen the correspondence so far—and all the letters are now before the government—are of the opinion that Col. Hughes could not have been in his right mind when he wrote in the manner he did." Col. Domville asked what steps, if any, the government had taken to ascertain if the interview was correct.

The Minister of Militia—The general officer commanding the militia was requested to state if the interview published was a correct report of what he said, to which he replied that it was substantially correct, but was not intended for publication.

Mr. Bennett learned that the government had not yet decided upon a policy in regard to the exportation to the United States of saw logs cut on the Indian reserves in Ontario, but the matter was under consideration.

Lieut.-Col. Domville introduced a bill to amend the militia act, which, he explained, was designed to change the present act so that we shall not be compelled, whether we like it or not, to appoint an imperial officer to command the militia of Canada. The bill reads that the militia shall be commanded by either a Canadian or an Imperial officer.

A bill by Mr. Ingram to further amend the franchise act was also introduced. Under the statutes of Ontario absence from the province deprives the citizen of his vote. The bill provides that all Canadians who have been serving in South Africa shall, upon their return, if only the day before the election, be entitled to vote upon making oath that he has been in service with the colors. Another provision of the bill is that a qualified voter shall not lose his franchise by reason of his having moved from one municipality to another within the federal electoral district.

Mr. Casey reintroduced his bill to facilitate drainage on and across the lands of railway companies.

Mr. McNeil again brought up the matter of the departure of the Leinster Regiment from Halifax, and urged that a Canadian militia regiment be stationed at Halifax for garrison duty.

Sir Wilfrid Laurier replied that correspondence on the subject was proceeding by cable, and not yet concluded, but the information would be given at an early date.

SIR CHARLES AND THE PRESS CORRESPONDENT.

Rising to a question of privilege, Sir Charles Tupper complained bitterly of the way he had been treated by a correspondent of the Winnipeg Free Press. He stated that said correspondent had on several occasions abused the privilege of a seat in the press gallery by false reports. He wanted it understood that unless a proper apology was made for the abuse of the privileges these gentlemen enjoy in the house, he would feel it to be his duty to move a resolution that that particular individual should be expelled from the gallery of the house, and not be permitted to sit there as a press correspondent.

Sir Wilfrid Laurier said he would be ready to support any motion of Sir Charles tending to prevent misrepresentation of speeches in the press. Only yesterday, he continued, Mr. Foster quoted from what purported to be a report of a speech of his (Sir Wilfrid's) in Sherbrooke, in which he was made to accuse Sir Charles Tupper of appealing to the prejudices of the people against him because he was French. He made no such charge, and never used Sir Charles Tupper's name at all. It was a false report. He thought words spoken in the house should be reported just as uttered, and that newspaper headlines "should be a summary of what is stated, and not a garbled signification of the words uttered."

Mr. Foster promised to look up the paper from which he had quoted, and if they incorrectly stated the right honorable gentleman's words he would be glad to make a retraction.

The house adjourned at 5:30 p.m.

FOR THE CONTINGENTS.

Mr. Fielding will on Friday move the house into committee of the whole on the following resolutions:

1. Resolved, that it is expedient to provide that from and out of the consolidated revenue fund of Canada there shall and may be paid and applied a sum not exceeding $850,000 towards payment of the expenditure incurred or to be incurred in sending the contingents of Canadian volunteers to South Africa.

2. In addition to the said sum there shall be paid and applied a further sum not exceeding $1,150,000 towards defraying any further expenditures that may be incurred in connection with the sending of Canadian volunteers for active service in South Africa, and for providing as hereinafter mentioned for a fund by way of allowance to such volunteers or their dependents.

3. The word "expenditures" in the foregoing resolutions include the following: (a) All expenses of every kind in connection with the raising, enrolling, arming, equipping, provisioning, dispatch and transporting of the said contingents up to the time of their arrival at the place of debarkation in South Africa; (b) the payment of the officers, non-commissioned officers and men composing the said contingents up to the time of debarkation as aforesaid at the rates authorized by the regulations and order of the department of militia and defense; (c) all separation allowances paid to the wives and children of the married non-commissioned officers and men at the rates laid down by the imperial regulations; (d) the difference between the rates of pay of the officers, non-commissioned officers and men, which they receive or are entitled to receive from her majesty's government during their period of service in South Africa and the respective rates of pay received by them up to the time of debarkation in South Africa, such differences not to be paid to such officers, non-commissioned officers and men while on such service, but the amount which would be payable to each such officer, non-commissioned officer or man to be placed to his credit and to be applied in such manner as the governor in council may determine for the benefit of the dependents on him, or failing such application, to be paid to him or his representatives at the close of his period of service.

Deception Practiced by Greedy and Profit-Loving Merchants.

They Try to Foist Imitation Dyes on Their Customers When Diamond Dyes Are Asked For.

One of the Ladies Who Could Not Be Deceived.

Wise women are never deceived by the untrue and deceptive statements of greedy and profit-loving merchants and dealers. When a storekeeper tells you that some other make of package dye is JUST AS GOOD as the "DIAMOND," he is surely trying to mislead and deceive you. Successful home dyeing depends upon the use of Diamond Dyes; the use of common dyes means spoiled materials every time.

Read the following letter sent to the proprietors of Diamond Dyes by Mrs. A. E. Parker, of Clarence, N. S.:

"Please find money inclosed for Fast Black Diamond Dyes for Cotton. I can't get it here, but I am offered something JUST AS GOOD. The JUST AS GOOD may do for some people, but I want the 'Diamond Dyes' as they are the best made."

LUMBAGO

or pain in the loins and small of the back, is occasioned by a congestion of blood in that part, caused by exposure to a cold or a draft of air, checking the perspiration. The counter irritant and diffusive stimulant properties of Radway's Ready Relief admirably adapt it for the cure of this disease. The Ready Relief should be applied to a large surface and well rubbed in. It is quite wonderful how readily it relieves the pain of this distressing complaint. In some cases the pain is so extreme that there is danger of inflammation setting in and extending to the kidneys. In that case, take at once a dose of Radway's Pills, and at the same time keep up the application of the Ready Relief, and the most obstinate case will yield to this treatment. Plasters in general do harm in these cases of pain in the side and back—they gum up the pores and prevent the proper action of the respiratory glands and stop the natural exhalations of the skin.

"Worth Its Weight in Gold."

Hoxban, Ind. Ter.

DR. RADWAY & CO., New York:

Gentlemen,—I send inclosed M. O. for which you will please send me one dozen Radway's Ready Relief and one dozen Radway's Pills. Your Ready Relief is considered hereabouts to be worth its weight in gold. This is why I am induced to handle it. I have handled —— Oil for some time, but I consider the R. R. R. far superior to this, as it gives better satisfaction. J. M. ALEXANDER.
