COMMUNICATION.

FOR THE CHRONICLE.

Mr. Editor,—It is with much pleasure I find that Halifax "Old Chebucto" has been fairly beaten in their own waters, out of which they have never yet induced to row, not by our best men, but by men who never claimed more than second rate.—I thought in my last I gave a sufficient hint to the Editor of the *Freeman*, not to be too boastful in his future remarks. I find in his issue of Thursday morning last, that he advises to let well enough alone, and to make the most of the present victory, by a flourish of drums and trumpets, *and then enough*. There may be wisdom in this, but I am yet of opinion that as well as they have acquitted themselves, we of the port of St. John can still do better. I think sir that Indian Town or Carleton, or the both combined, can furnish a crew that can beat the world, *the women of Plymouth not excepted*. Should the victors of the day, or the oarsmen of Halifax, or the boastful boasters of the neighbouring republic feel at all plucky, I am authorized to say that any sum can be forthcoming to test the question.

I am, sir, yours still

OLD THOLE PIN.

On Saturday last, the locomotive and passenger cars run the whole distance, 17 miles, from Moncton to Shediac for the first time. The village oracle, the *Times*, is constantly filled with small talk on this subject—piling on all the scandal of the "town" after the most disgusting fashion—at one time abusing Mr. Light, at another Gray and Wilmot, and then the *winter* road at St. John.—As far as the latter is concerned, we can inform this railway Solomon that it is paying handsomely, and bringing in some considerable returns for the outlay; and when this should happen to be the case on the Moncton and Shediac portion, the editor of the *Times* will please make a special advertisement of it, lest such an important circumstance should escape observation amongst the multiplicity of railway gabble contained therein. The "oracle" appears to have been overlooked by Mr. Light at the running of the first train, and consequently, with *hundreds* of others, he is "highly indignant."!!

☞ At the Annual Meeting of the Stockholders of the New Brunswick Electric Telegraph Company, held at their office, St. John on Monday 10th inst., R. Jardine, John Duncan, R. Reed, E. Allison and Geo. E. Morton, Esqrs., were unanimously elected Directors for the ensuing year; and at a meeting of the Directors, held subsequently, R. Jardine, Esq., was re-elected President.

INQUEST.—An Inquest was held in this Town on Monday last before John Beldell, Esq., on the body of David Jones, a boy of ten or eleven years old, son of Mr. David Jones, of this place, Blacksmith,—supposed to have fallen from the pier at the head of the Bridge. Verdict "accidental death by drowning.—*Woodstock Journal.*

HOLLOWAY'S PILLS.—Coughs, colds, influenza and asthmatic affections are always more or less associated with irregularities of the secretions. The stomach, the bowels, and the liver, cannot be in a healthy condition while the lungs and the air passages leading to them are obstructed, and in all diseases of the respiratory organs the effect of the Pills is highly salutary. As an outward application for sore throat, croup, asthma, and bronchitis, Holloway's Ointment is invaluable. It soon relieves the irritation of the mucous membrane of the trachea and the bronchial tubes and removes that choking sensation so alarming in croup and asthma.

Married.

On the 12th instant, by the Rev. Wm. Ferrie, A.M., Mr. Charles Fisher Williams, of Yarmouth, N. S., to Miss Catherine Carlyle, of Glasgow, Scotland.

Died.

Thursday evening after a short illness, Samuel Herbert, only child of Mr. Stephen Storm, aged 11 months.
