TO THE SHAREHOLDERS

OF THE

Canada Life Assurance Company,

GENTLEMEN,—At the recent annual meeting of the Company, certain friends of the Directors, in their eagerness to suppress all independent investigation into its affairs, felt themselves at liberty to represent the proceedings which I have instituted in Chancery as inimical to the real interests of the Company. Perhaps the best reply to this misstatement, is the communication of my legal advisers, written in answer to a request of my own; a copy of each of which is appenced for your information.

With regard to the general position of the Company's affairs, I am convinced that the management is still far from satisfactory, and that some of the most plausible statements put forward at the late meeting are essentially unsound, not to say essentially untrue. Upon this subject, however, I will not dwell at present, I am content to wait the issue of events and meanwhile confine myself to the particular points which relate to the responsibility of a portion of the Board as illustrative of the general character of the bygone management.

I am, Gentlemen,
Your very ob'dt servant,
DONALD McDONALD.

Toronto, 16th Nov., 1863.

(COPY).

MESSRS. MOWATT & McLENNAN, Toronto,

GENTLEMEN,—In the report by the Board of Directors of the Canada Life Assurance Company to the adjourned meeting of the proprietors held at Hamilton on the 27th ultimo, the following statement appears:—"In the month of "January last the Hon. Donald McDonald filed "a bill in Chancery against the Company and "several of the Directors seeking to compel them "to make good the loss which unfortunately arose "on taking over the late Savings Bank in 1857; "but from any responsibility for which the meet-"ings of Shareholders on 2 th October and 13th "January last, called for the special purpose of "considering the question, fill absolved them. "Answers to the Bill have been lodged, and the "Directors entertain no doubt that the deliberate "action of the Shareholders' meetings above re-"ferred to—in adopting the loss and disposing of "it, will be sustained by the Court of Chancery." This statement is ambiguous, and leads to the inference that the bill is directed against the Company, whereas it is in fact for the benefit of the Company, although the company is necessarily made a defendant. Will you, as my Solicitors in the cause, be good enough to state shortly the object of the Bill in question.

I remain, Gentlemen,
Your very obed't servant,
(Signed,) DONALD McDOANLD.

DEAR SIR,—We regret having been unable sooner to reply to your favor of the 3rd instant, requesting us to state shortly the object of the Bill filed by us on your behalf in the Court of Chancery against some of the Directors of the Company of the Canada Life Assurance. We now beg to state that the main object and purpose of the proceedings in question are to compel the Directors who are named in the Bill as defendants, personally to make good to the Company a sum of thirteen thousand dollars or thereabouts alleged to have been lost to the Company by the fault of those Directors, upon the occasion of the transfer of the Savings Bank business.

We are, dear Sir,
Yours truly,
(Signed,) MOWAT & McLENNAN.

HON. DONALD McDONALD, Toronto.

Local Superintendent,

I HAVE now held the office of Local Superintendent in the County for eleven years, and perhaps some are getting tired of me, and desire a change. But as I find that there are friends who wish me to retain the office—and my health being much improved—I am willing still to discharge the duty of superintendent for the townships that I have charge of at present, and also for those of Ashfield and Colborne. I would not wish, however, to hold the situation against the opinion of the people, and those friendly are therefore solicited to petition in my favor the County Council that meets in January, and also, if satisfied, to recommend me to the Reeves.

To the Free and Independent Municipal Electors of the Town of Goderich.

GENTLEMEN,—

I beg to intimate to you that I am a candidate for the office of Mayor for the Town of Goderich, and respectfully solicit your suffrages.

Having for several years taken an interest in Municipal matters, you will be prepared—without any lengthened remarks on my part—for a competent decision upon my efficiency to fill the civic chair. I trust, however, you will allow me to state that my highest ambition will be, (if elected) to perform the duties of the office to which I aspire in such a manner as will not impair the usefulness nor lessen the dignity of a position which has been so nobly sustained by my respected predecessors.

Life and health permitting, I intend not to retire from the candidature, but I will await your fair and legally expressed decision.

To the Municipal Electors of the Town of Goderich.

GENTLEMEN,—

As the time is now rapidly approaching when you will be called upon to nominate Candidates for the office of Mayor of the town of Goderich, for the ensuing year; and as I do not intend to "enter the lists" in the coming contest, I take this mode of intimating such my intention, in order that abundant opportunity may be afforded you, in making a selection worthy of yourselves and worthy of the high honor that awaits the successful competitor.

Four years ago, after a keen and spirited contest, the honors of the Mayoralty fell to my lot. On three subsequent occasions, you, gentlemen, kindly and without solicitation, renewed the confidence then reposed in me. Thus, for a period of four years, I have, thro' your suffrages, occupied the highest office in the gift of the municipal electors, and during that period, by the assistance and co operation of those associated with me at the Board, I trust I have been, in some small degree, instrumental in advancing the material prosperity of the Town, and in sustaining the honor and dignity of the position you placed me in.

In now retiring from the field of municipal politics, permit me, gentlemen, to thank you very sincerely and very cordially for the many and special marks of your confidence and consideration extended to me during the four years that I have occupied the "Civic Chair."

I have the honor to be,
Gentlemen,
Your humble, obed't serv't,
M. C. CAMERON.
