THE HOME BANK OF CANADA
ORIGINAL CHARTER 1854
There are many savings accounts opened with the Home Bank for special purposes; for instance—a householder may be saving up to make payment against a mortgage on his house: or to pay a premium on his life insurance. It is a regular practice with many Home Bank depositors to open special accounts for such purposes and to withdraw the money at the end of the six months, or year, when they have sufficient to make the necessary payment.

CIGARET TIGHTENING GRIP ON CANADIANS

Number Used in Year Increased Two Hundred Millions.

OTTAWA, June 19.—The Canadian people are consuming more tobacco and drinking more beer and spirits year by year, but the increase is not remarkable save as regards cigarets. Almost two hundred million more cigarets were smoked last year than in the previous twelve months.

The inland revenue department has completed its annual statement giving figures for the fiscal year in respect to these matters. The consumption of spirits per head of population was 1112 gallons, as against 1030 gallons in 1912; beer, 7005 gallons, compared with 6598 gallons; wine, 131 gallons, compared with 114 gallons, and tobacco 3818 pounds, compared with 3679 in 1912.

MEMBERS GOT BUSY AND LOOKED WISE

Moving Picture Machine Made Big Difference in French Chamber of Deputies.

Special Cable to The World. Copyrighted by The Toronto World and N. Y. World.

PARIS, June 19.—Reasoning that moving pictures of the chamber of deputies during important debates would stimulate pride and patriotism thruout France, the clerk, on his own responsibility and privately, gave permission to a cinematograph company to work its cameras in the legislative hall.

While the three year military service bill was under consideration a machine was installed and ran several hours before the deputies knew anything about it. Only fifteen members were in their seats, and some of them were yawning, even snoring away the dull hours, only rousing when a vote was called for and then voting the proxies of the four hundred absentees.

Finally the news got around and there was a remarkable change. The bar was deserted and there was no dozing, no yawning, no stretching, but much strutting, fine gesticulating and a universal effort to look solemn.

CATTLE MARKET AGAIN SLOW

Sheep, Lambs and Calves Were Firm, But Hogs Were Easier.

Receipts of live stock at the Union Yards were 59 cars, 499 cattle, 1885 hogs, 387 sheep and lambs, and 212 calves.

The fresh arrivals of cattle were 500 in round numbers, which, with 500 left over from Wednesday's market, made fully 1000 cattle on sale today, Thursday, which was more than the trade demanded.

The consequence was that the dulness of Wednesday's trade was accentuated, and prices were, if anything, lower. Several loads of good cattle, for which $7 per cwt. was paid the farmer in the country, were unsold.

Sheep, lambs and calves were very firm especially lambs, the bulk of which sold at $10.50 to $11 per cwt. Hogs were inclined to be easier and the bulk of sales were made at $9.85, fed and watered.

Butchers.

Best butchers' steers and heifers sold at $6.25 to $6.75; common to medium, $5.50 to $5.85; cows, $3.50 to $5.60; bulls, $4.25 to $6.

Stockers and Feeders.

Feeders, 700 to 800 lbs., sold at $5.65 to $5.90; stockers, 550 to 600 lbs., sold at $4.75 to $5.25.

Milkers and Springers.

Trade in milkers and springers was a repetition of Wednesday's market, only if anything it was worse, as drovers had to make a clearance, for the week even at a sacrifice. Fully $10 per head was the sacrifice made on the bulk of the cows sold. The average prices paid ranged from $40 to $60 per head.

Veal Calves.

There was no let up in the demand for veal calves, and prices continued very firm. Choice calves sold at $9 to $10; good calves, $8 to $8.50; common, $6 to $7.

Sheep and Lambs.

The market for sheep and lambs was strong, especially for lambs. Sheep, ewes of light weights, at $5.75 to $6.25, and even $6.50 was paid; heavy ewes and rams sold at $4 to $5 per cwt.; lambs sold at $9.50 to $11 per cwt., or 9½c to 11c per pound, live weight.

Hogs.

There were nearly 2000 hogs on sale, which caused an easier feeling on the market. The bulk of the hogs sold at $9.85, fed and watered.
