EXHIBITION NEWS.

The exhibition staff are busily at work preparing for the opening of the big fair two weeks hence. Agents are out in the three provinces canvassing entries and distributing advertising matter.

Seventy-seven entries were received yesterday, principally farm produce and live stock.

A. C. Starr, the large orchardist of Port Williams, N. S., has entered apples, pears, plums and peaches in all the classes which the prize list provides for.

Thirty-one cheese factories and creameries in P. E. I. will exhibit.

A. S. Magee, of Berwick, N. S., has entered 66 varieties of fruit and garden produce.

Seth Jones, of Sussex, will display 50 birds in the poultry show.

M. H. Parlee, Sussex, has 30 head of cattle, 22 swine, 14 sheep and a large list of poultry entered.

Logan Bros., of Amherst, have entered their splendid heard of Holstein cattle besides a number of swine and sheep.

W. S. Barker will have charge of the special attractions; W. A. Jack will again be superintendent of the poultry department; John F. Frost, Hampton, will be in charge of the live stock, while S. Peters, Gagetown, will look after agricultural ball.

Mr. Joseph O'Brien, who is collecting specimens of curious salt water fish for the exhibition, lost two dogfish he had captured. The fish were killed, he alleges, by the carelessness of the crew of an Italian barque. Mr. O'Brien will sue the captain of the vessel for $50 damages.

Storm at Amherst.

Amherst, Aug. 27—(Special)—A terrific electric storm passed over this section last evening lasting for over three hours, during which time the lightning was incessant. At Salem, Seaman Bent's barn was struck and set on fire, completly destroying barn and contents.

The storm proper was preceded by a very heavy wind and the clouds of dust were almost blinding
