BIG BASEBALL SCORES.

Kansas City Tallies 39 Against Grand Rapids—Lively Balls.

The Western League holds the record for big scores. On Wednesday some of the results were: Minneapolis 21, Detroit 6; Sioux City 27, Indianapolis 6; Kansas City 39, Grand Rapids 10.

The average scores in the league have been bad enough, take the season through, but this day rises up and removes the rag from the bush. There was generally one score running into the twenties, but excepting in one game the smallest score of a winning team was 21, and the largest of a losing team was but 10. The pitchers' box was chased back a few feet to increase the hitting, but such games as these prompt one in praying that next year will find it 45 feet from the plate, says The Detroit Free Press. The balls used are the liveliest since the days when they had bounding rock, which disappeared in the gloaming every time they were hit hard. A little less rubber in the Western League balls of the future will make a desirable change, as the league is liable to become the laughing-stock of the baseball world if things keep on this way.

Eastern League: Providence 10, Wilkesbarre 4; Egan-McAuley; Keenan-Warner. Springfield 11, Binghamton 12; Dolan-Leahy; Delaney-Payne-Rafter. At Troy—No game, no reason given. Syracuse 5, Buffalo 5; Barnett-Hess; Vickery-Urquhart.

National League: Brooklyn 15, Boston 9; Gastright-Stein-Earle; Staley-Nichols-Connaughton. Baltimore 4, New York 16; Hawke-Esper-Robinson; German-Wilson. Washington 5, Philadelphia 4; Maul-McGuire; Taylor-Grady. Cleveland 3, Pittsburg 9; Mullane-Zimmer, Killen-Ehret-Sugden.

Troy Club Disbanded.

TROY, July 26.—The Troy baseball club disbanded this afternoon owing to financial embarrassment caused by poor attendance at games. The players have not received all the salaries due them.

Guelph has signed two new infielders, a second baseman and shortstop, and will play them against the Alerts in the two final games for the Canadian championship. Both these men were secured in answer to an advertisement in an American sporting paper, and are both Americans. And true to their name the Alerts have certificates for two or three players, but unless Guelph insists in playing the newly engaged men, the London management say they will not play in any of the championship games.

Good Shooting at Port Hope.

Amongst the many valuable prizes offered for competition by the G.T.R. men in their long program of sports at Cobourg, several were given for a blue rock shooting contest. The event created lots of fun and brought out some of the best shots. Prominent among the contestants were Messrs. Campbell, Mothersall, Miller and Mallett of Oshawa; W. Hatch of Whitby; Reynolds, Braund and Gittings of Port Hope; Fletcher, Tippett, Felstead, Chapman, Taylor and Menzies of East Toronto. Mr. H. Reynolds of Port Hope shot in splendid form, scoring three straight tens and a clean 25 for the silver cup, 55 without a miss. The management of the shoot was conducted by W. McDowall of The H. P. Davies Co., Toronto. Mr. Frank Mallett was referee in all matches and gave entire satisfaction. The following four shoots were at 10 targets:

A DRAW IN TORONTO'S FAVOR.

Philadelphia Cricketers Were 73 Behind With Two Wickets Standing When Time Was Up.

Unrelenting Time yesterday robbed Toronto's cricketers of a victory which was well within their grasp. With only two wickets to fall Philadelphia needed 74 runs to win.

At 11 o'clock Saunders and Martin took the bat for Toronto, and commenced to knock the Philadelphia bowling to all quarters of the field. Goldingham replaced Martin and had 14 to his credit when he was caught by Brewster. Laing was disposed of for three, but Wadsworth, who followed him, made the top score of the innings. When Ralston caught him there was 26 to his credit, and with the exception of Strathy, who carried his bat for 8, all of the Torontos reached double figures. Young McMurtry, who went on the team at the last moment, batted extremely well for 15, not out. When 9 of Toronto's wickets had fallen Toronto's innings was declared closed. One hundred and seventy-nine was the score, making Toronto's total for the two innings 289.

At a quarter of 4 Philadelphia went to the wickets with 220 to make in 2½ hours. G. S. Patterson and Thompson made a great stand, and 86 was sent up before they were parted. The remaining wickets fell rapidly, and at the call of time eight wickets had gone down for 146, and the match was thus declared a draw.

The full score:

Toronto, 1st innings 114; Philadelphia, 1st innings 70.

BIG FIELDS AT BRIGHTON BEACH.

The Talent Win and Lose—Several Canadian Horses Also Ran.

BRIGHTON BEACH, July 26.—The track to-day was fast and attendance small, probably caused by hot weather. The card originally was a very fair one, but free use of the blue pencil reduced it. It was a lucky day for the talent, as five favorites won. The talent made a big haul on Life Boat in the first event, Little Mat, the second choice, being at no time dangerous. The faithful figured on Poetry in the second race and the favorite had no trouble in proving her superiority. The third race was a throwdown for the talent. They conceded that Southside had a walk-over, and backed him accordingly, but Pontlear won, the favorite not having a particle of speed. Captain T. made a runaway of the fourth race and won without an effort from Annie Bishop, Herald, the second choice, finishing third. Ben Lomond won the fifth, and Berwyn the sixth, both being favorites. Summaries:

Turf Gossip.

Jockey Wright, who rode Crown Prince in Tuesday's steeplechase at Brighton, is lying unconscious in a New York Hospital. The doctors say his recovery is doubtful.

Starter Flynn, late of Gloucester, who has taken Caldwell's place for the balance of the Brighton Beach season, has so far made quite a favorable impression.

Few of the bookmakers on the big Eastern tracks have made money this season. Out of nearly 100 who began with the opening of the racing upward of 40 have been forced to retire from business.

Form in racing horses this year has been at a discount and the action of many of the most noted has been very inconsistent. Henry of Navarre is the only 3-year-old of the year that can be called an honest performer, and he has been beaten in half his starts.

More horses tried for the money yesterday at Brighton Beach than on any day since the meeting opened. As a result the "undertakers" used a great deal of chalk, pulled frequently at their mustaches and tightened up their red and white belts, but failed to fill their boxes with "sure money." —N.Y. Herald.

The Brighton Stewards have the sheets of eight bookmakers on the Logan-Lizzie race. They show conclusively that Logan was killed by the "undertakers." It was rumored yesterday that the Brighton Beach stewards would recommend the ruling off of both "Father Bill" Daly and Mr. Shields. —N.Y. Herald.
