## CHAMPIONS OF THE C.L.A.

*SEAFORTH BEATS THE FERGUS TWELVE AT BRAMPTON*

**And the Senior Struggle is Ended For a Year—The Score Was 4 Goals to 2—The Losers Capture Goals No. Three and Five—St. Catharines Athletics Challenge Excelsiors of Brampton.**

Brampton, Sept. 2.—This afternoon the protested lacrosse match between Fergus and Seaforth was played off on the Roselea Athletic grounds, and resulted in favor of Seaforth by 4 to 2.

Some delay was caused settling preliminaries. Finally Dr. Heggie was selected as referee, and F. C. Milner and James Fallis umpires, all belonging to the Excelsiors of Brampton. After the start the ball was immediately shot upon Fergus' goal and remained in that vicinity until after the first game was scored for Seaforth by Johnston in 2 1-2 minutes.

The second game also fell to Seaforth in 7 1-2 minutes, scored by Brierley. In this game there was some very rough play. A Fergus man was cautioned, and a delay of 10 minutes occurred, in which there was considerable jangling, and an enthusiastic spectator from Seaforth jumped into the oval to see fair play. He was escorted to the fence by Dr. Roberts. Seaforth was given a free throw.

Fergus won the third game in 3 minutes, scored by Irving.

The fourth game was hotly contested. Fergus made a determined effort to win, but after 3 minutes' effort failed, and Seaforth scored again, Brown doing the trick.

Fergus again gained heart after scoring the fifth game in half a minute. Michie shooting the ball through.

The sixth game was won by Seaforth after six minutes' play, by Freeman, although it looked as if the Fergus goalkeeper fumbled and let the ball go through his own goal.

The quality of the play was about even, both teams showing some beautiful combination work and team play, but generally it was a scramble for the ball. Fergus had a great many chances to score, but failed to tack them. Black, home player, perhaps their strongest man, was off, which may in some measure account for the result.

Their victory yesterday gives eSaforth the championship of the C.L.A..

The St. Catharines' club, chafing under their defeat at Brampton, have challenged the Excelsiors to play home and home matches, but this was declined as Allen is ill and two or three other players unavailable.

**Tecumsehs at St. Kitts.**

St. Catharines, Sept. 2.—The Athletics to-day played their final game of their series in connection with the C.L.A. championship, having the Tecumsehs of Toronto as opponents. The game was, much to the annoyance of the spectators, delayed over an hour awaiting the arrival of the visitors. The team the Tecumsehs presented to-day were outclassed in every respect, and had the Athletics not let up in their play, in the third and fourth games, one half hour would have been sufficient to complete the match. The Athletics won the first, second, third and fourth games in 1 1-2, 13 1-2, 21 and 33 minutes respectively.

The Athletics is the only team, having defeated the Torontos, Seaforth, Brampton, Fergus and Tecumsehs in championship games this season, and all the above teams were defeated on the Athletic grounds by four straight goals, saving the Brampton team, which secured one goal. Teams:

Athletics (4): Goal, F. Williams; point, Morton; cover, G. Downey; defence, Lobb, C. Downey, Chaplin; centre, R. Williams; home, Elliott, Johnston, John Downey; outside, McIlwain; inside, Graves.

Tecumsehs (0): Goal, Baker; point, Douglas; cover, Yorke; defence, Premwell, Weir, Jack; centre, Anderson; home, Irwin, Snell, Perman; outside, Clemes; inside Lugston.

Referee—George Peterson. Umpires—J. Wood and John Conway.

**Carson and Carleton Played.**

Quebec, Sept. 2.—The largest crowd of spectators ever seen on the Q.A.A.A. grounds gathered there this afternoon to witness the much-talked-of lacrosse match between the Capitals of Ottawa and Shamrocks of Montreal. It is estimated that the crowd numbered fully 6000, every available space being occupied. It was nearly 4 o'clock before the game started, on account of the Shamrocks protesting Carleton and George Carson, who were disqualified as amateurs by the C.A.A.A., on account of having taken part in races recently in Ogdensburg, against professional sprinters. Barney Murphy, the referee, however, refused to consider the protest, as it was based on newspaper reports, and ordered the game to proceed. The teams lined up as follows:

Shamrocks: Goal, McKenna; point, E. O'Brien; cover, Stinson; defence, Dwyer, T. Moore, Murray; centre, Kelly; home, Hinton, Danaher, O'Meara; outside, P. O'Brien; inside, Neville.

Capitals: Goal, Shea; point, Sparrow; cover, Griffiths; defence, Devine, H. Carson, James; centre, G. Carson; home, Carleton, Ketchum, Gleason; outside, Smith; inside, Power.

The game throughout was stubbornly contested, but was mostly in favor of the Shamrocks. Neither team put up the kind of lacrosse that one would expect to see from these teams, and with the exception of an occasional spurt, in which some pretty passing was done, the game was not noted from a scientific point of view. There was quite a lot of fumbling done, especially by the Capitals. Summary:

1st—Shamrocks, 18 1-2.....Hinton
2nd—Shamrocks, 15 min.....Danaher
3rd—Capitals, 22 min. 55 sec...Carson
4th—Shamrocks, 3 min.....Danaher

**Baseball at Brussels.**

Brussels, Ont., Sept. 2.—The Baseball Club of Brussels had a tournament to-day. The first was football, Walton v. Blyth, which resulted 1 to 1. The teams were afterwards given time to play off, but without altering results.

In the baseball, Brussels v. Unions of Wroxeter, the score resulted 10 to 3 in favor of the Unions. The third game was won by Harriston. Score, 18 to 20. The fourth event was between the two winning teams, and was the event of the day's sport. This was between the Browns o Harriston and Unions of Wroxeter. The score resulted in favor of the Unions by 9 to 8.

Lindsay, Sept. 2.—The cricket match this afternoon between Lindsay and a team from all north, composed of players from Uxbridge, Sunderland, Cannington, Kirkfield, Victoria Road, etc., resulted in a hollow victory for Lindsay by an innings and 21 runs.

A friendly match at checkers wts played recently tin the Arcade Chess and Checker Club rooms between A. Muir and W. A. Sherwood, resulting in the latter being shut out.

## THREE GAMES OVER THE DON.

**Toronto Captured Two and Lost the Other to the Coal Heavers in Ten Innings.**

Chapman's team captured two of the three Eastern League contests yesterday over the Don, and Scranton won the other after 10-innings' play.

Toronto showed up in winning form in the morning, and had it well in hand after the second innings. Scranton earned two in the first, and then drew seven blanks, while Toronto scored pretty regularly. In the ninth, Shinnick's error, two bases on balls, two doubles, and Miller's triple gave the coal heavers four more, but the game never looked in danger.

Dinneen was so wild in the first afternoon game that Gray replaced him in the third. Lake tied the score in the ninth with a homer over the fence. With two out, Smith's single, Sweeney's walk and Brodie's base hit, Scranton won in the tenth.

Brodie pluckily went in for the next game. Toronto hammered him only in the fifth, when three singles, two doubles, Casey's triple and two errors gave them six runs. Payne kept the hits well scattered. All the scores :

## CANADIANS AWAY AHEAD.

*UNITED STATES CRICKETERS ALL OUT FOR 65 RUNS.*

**Wadsworth Knocked the Visiting Bowlers Everywhere For 70 Runs, While Jacques, the Manitoban, Kept Up His Wickets For 14—Bohlen and Cregar Alone of the Visitors Get Into Doubles.**

Fine weather favored the 500 spectators of the international cricket match between Canadian and United States elevens yesterday at Rosedale. The Canadians proved themselves far stronger than their opponents, who evidently are a lamentably weak team. Bristowe of Ottawa was absent and G. S. Lyon took his place.

The Canucks won the toss, and their innings lasted 3 1-2 hours, ending with the score at 156, while the visitors were disposed of in 70 minutes for 65.

The length of the innings of the home team was attributable to the profitable partnership of Wadsworth and Jacques. During the two hours they were together 84 runs were compiled, 70 of which belonged to the former. No little credit, however, is due to the Manitoban, who tallied only 14, but by careful play contributed greatly to the large score of his team. Wadsworth's score is the second largest made in an international game played on Canadian soil. Saunders and Martin started out well, the first wicket putting on 36.

The visitors were totally unable to deal with Laing's lightning breaks, Bohlen being their only man who appeared at all likely to stay ; but when he had run up 20, and was becoming dangerous, a brilliant catch by Martin off Goldingham caused him to retire. After this Uncle Sam's wickets fell rapidly, and Laing brought about the finale in retiring the last three men by a neat performance of the hat trick.

During the remaining half-hour which was left Martin and Boyd went in for the Canadians, and scored respectively 4 and 2 before adjournment. The scores :

About 500 saw a heavy batting game at old Upper Canada yesterday afternoon. The Beavers of Parkdale defeated a crack team of amateurs who challenged them for the city championship. The Beavers kept up their reputation as heavy hitters, but their fielding was off, and Sykes was hit pretty well by the Broadways after the fifth innings. **Chapman on Toronto Baseball.**

In a letter to The Philadelphia Sporting Life, J. C. Chapman, manager of the Toronto team, has this to say about present and future baseball in this city :

"The franchise will remain in Toronto, and the club will open up here next spring in good shape with a strong team. If the team they had here early in the season had played as well as the present one it would be well up with the leaders now, and far ahead of any in our league financially. With a half-way winning team it would be without doubt the best money-making city in our league. Some papers have stated I intended to transfer the franchise to some other city, which is not true. It will remain here. I may transfer a number of games, as the big fair is to be held here, and it will not pay to play against it. I put my money in the business here when there wasn't a local person that had sand enough to come forward and pay the players what was due them from the former owner, which he has never as yet made good, the amount, nearly $500, eight days' pay, and it is my intention to continue the club here unless I can get my price for the franchise."

## LANKY BOB IN FIGHTING TRIM.

**Corbett's Opponent Punches Mike O'Leary and a Football at Hanlan's Point—Fighters Compared.**

With considerable enterprise, lanky Bob Fitzsimmons, the middleweight champion of the world, was brought to Toronto yesterday, and gave exhibitions of ball-punching and boxing at the Ferry Company's athletic grounds afternoon and evening. The many who saw the clever Anglo-Australian are satisfied that he will give Corbett a strong argument in the prize fight scheduled Oct. 31 next at Dallas, Texas. He naturally looks considerably older than on his last visit here, but, unlike most pugilists, has evidently taken good care of himself.
