PELLY'S BRICK

Has been used in the erection of every brick building of any importance put up in Newfoundland since the Great Fire of '92. Each brick has our name stamped on its face.

We regularly supply the Dominion Iron and Steel Co. and the Anglo-Nfld. Dev. Co. Have been doing so over 20 years.

Brick are so uniform in color and size, a handsome building can be erected without the use of imported face brick. The following buildings have been faced with our brick: Harwood's, Angel's, Delgado's, both Clothing Factories, Smyth's, Royal Stores, General Hospital Annex General Post Office, Cabl. Office, Bank of Nova Scotia and Public Building, Harbor Grace; The Dominion Power Houses at Bell Island. The Lunatic Asylum Building recently erected by the Hon. W. J. Ellis is built entirely of our brick. We can ship by rail or water direct from our kiln to your job, and if satisfactory security is given, will wait until your job is finished and paid for for our money.

GOOD MANAGEMENT.

A suit of clothes which is regularly cleaned and pressed wears twice as long as one which you simply keep right on wearing. That's an important suggestion to remember, and a mighty sound practice to put into effect.
