BREAKFAST—EPPS'S COCOA — GRATEFUL and COMFORTING.—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately favored beverage which may save us many heavy doctors bills.—*Civil Service Gazette.* Made simply with boiling water or milk. Each packet is labelled "James Epps & Co., Homœopathic Chemists, London." Also, makers of Epps's Milky Cocoa (Cocoa and Condensed Milk.)

If *Johnson's Anodyne Liniment* is half as valuable as people say it is, no family should be without it. Certainly no person, be he lawyer, doctor, minister, or of any other profession should start on a journey without it. No Sailor, fisherman, or woodsman should be without it. In fact, it is needed wherever there is an ache, sprain, cut, bruise, cough or cold.

Farmers and "Horse Men" are continually inquiring what we know of the utility of *Sheridan's Cavalry Condition Powders*, and in reply, we would say, through the columns of the MERCURY that we heard from hundreds who have used them with gratifying results; that is also our experience.

ANOTHER CASE OF BRONCHITIS CURED.—Bridgewater, N. S., March 2nd, 1869. Mr. James V. Fellows. Dear Sir.—While in Windsor on a visit in December last, I fell in with an old friend—Capt. H. Coffill—and finding him looking so hearty and robust, was led to enquire what had produced the great change, for when I last saw him two years previous he was a mere skeleton. He informed me that your valuable Syrup of Hypophosphites had effected a perfect cure. He persuaded me to try the Syrup for Bronchitis, from which I had suffered much during several years. I purchased one dozen of this Syrup, and have used only three bottles, and my health is now better than it has been years. Not requiring the balance of the dozen, I sold it to different parties, and there is a general demand for it from all parts. Respectfully yours, W. J. NELSON. Capt. H. Coffill is the person who was cured of Consumption in 1866 by Fellows' Compound Syrup of Hypophosphites, whose letter was published some time ago.

HOW THANKFUL WE SHOULD BE.—Almost all disorders of the human body are distinctly to be traced to impure blood. The purification of that fluid is the first step toward health. The Indian Medicine, widely known as the Great Shoshonees and Pills commend themselves to the attention of all sufferers. In Scrofula, Bronchitis, Indigestion, Confirmed Dyspepsia, Liver and Lung Complaints, Rheumatism, &c., &c. the most beneficial effects have been and always must be obtained from the wholesome power exerted by this Indian Medicine over the system. Persons whose lives have been restored to ease, strength and perfect health, by the Great Shoshonees Remedy and Pills after fruitless trial of the whole pharmacopœia of medicine, attest this fact. jm

Nine years before the public, and no preparation for the hair has ever been produced equal to Hall's "Vegetable Sicilian Hair Renewer," and every honest dealer will say it gives the *best satisfaction.* It restores GRAY HAIR to its original color, eradicating and preventing dandruff, curing BALDNESS and promoting the growth of the hair. The gray and brashy by a few applications is changed to black and silky locks, and wayward hair will assume any shape the wearer desires. It gives the hair that splendid appearance so much admired by all. By its tonic and stimulating properties it prevents the hair from falling out, and none need be without Nature's ornament—a good head of hair. It is the first real perfected remedy ever discovered for curing diseases of the hair, and it has never been equalled, and we assure the thousands who have used it, it is kept up to its original high standard.
