Newport, R.I., Oct. 5.—The national golf tournament came to a close last night on the Newport links. It was medal day in the championship tournament over a course of 36 holes. Most of the professionals were old and tried men, who had won laurels in the Old Country before coming to America, and have made excellent records in this country, but all these, including Dunn, Campbell, Davis and Foulis, who had been named as probable champions for this year, were defeated by young Harry Rawlins, an assistant at the Newport links, who won the tournament, and is therefore the professional champion of the United States.

Rawlins is only 19 years of age, and two years and a half ago was employed on the links at Benbridge, on the Isle of Wight. The summaries:

OPENING GAMES IN THE ONTARIO UNION SERIES.

Toronto Outpoints Hamilton's Tigers Over the Don—48th Highlanders Meet With a Waterloo at the Hands of Osgoode Hall—Queen's Defeat Royal Military College.

The Ontario Rugby Union championship seson was opened Saturday afternoon in splendid weather, when Hamilton v. Toronto, Osgoode v. Highlanders and Queen's v. Royal Military played the initiat match in the first senior round. The second takes place next Saturday, a majority of points to determine victory.

In the Queen's v. Royal Military College football game, Queen's won by 28 to 17. Captain Curtis scored the first touchdown, and the Queen's men ran up a score of 17 before half-time was called. Just at half-time the cadets made a touchdown and scored a goal. In the second half Burstal of the Military College made 10 points, and Queen's rouged once, making 17 in all. Queen's also ran up its points to 28. The day was fine. The play was ragged, because of lack of practice. Montgomery of Queen's was hurt in the first half and had to retire.

Osgoode Hall made a record on the Cricket grounds in their championship match with the Highlanders. When Referee Ed. Bayly blew his whistle at the close the ex-champions had just 80 points to their credit while their soldier opponents had scored 1 solitary point—a touch-in-goal. Thirteen of the victors went across for tries, 17 of which were scored altogether. Six goals were kicked. Thus all the points came without a rouge or touch-in-goal. Osgoode's passing game was phenomenal, and their manner of scoring shows the form they were in at their opponents' line.

It was a small crowd that witnessed the game over the Don between the Toronto Garnets and the Hamilton Tigers, 14 men a side, but what they lacked in numbers they made up with enthusiasm. After a close and exciting contest the Garnets won by 18 to 17. In the first half Toronto scored a try, which they converted into a goal, and a goal from a drop kick. Meantime the Tigers had scored on two rouges and a goal from a drop kick. Score, 11 to 7 in favor of the home team. Toronto added 7 points in the second half on a goal from a drop kick and 2 rouges. Hamilton was more successful in the latter part of the game, and made the finish very exciting. They scored a goal from a drop kick, 3 rouges and a safety touch. Full-back Male and Half-back Whitehead did phenomenal work. The game was not of a rough description, although Wright and Male sustained slight injuries. The teams lined up as follows:

Hamilton (17)—Rosebrugh, back; Barker, Harrie, Wylie, half-backs; Burns, quarter; Dewar, Reynolds, Mason, Lightbourne, Billings, Zimmerman, wings; Irvine, Ryckman, Hamilton, scrimmage.

Toronto (18)—Male, back; Whitehead, Gale, Francis, halves; Cartwright, quarter; Wright, Stovel, King, scrimmage; Porter, Vankoughnet, Cooper, Francis, Torrence, McKay, Cartwright, McCulloch, wings.

Referee, J. M. Mowat, Queen's. Umpire, G. R. Fox, Queen's.

Two Close Games.

The intermediate championship match between Lornes and Varsity II. resulted in favor of the students by 18 points to 12. The winners played the better, rushing game, while the losers showed pretty combination at times. All through splendid work was shown by both sides. Referee Bayly gave entire satisfaction.

The Lornes' junior team went up to Hamilton for their championship match with Hamilton II., the result being in favor of the home fifteen by 12 to 11.

Champions are Strong in the Scrimmage.

Ottawa, Ont., Oct. 5.—Ottawa College Football team this afternoon defeated the Britannias of Montreal 33 to 8. After the first 15 minutes, in which the Brits forced two rouges, the College saw how things were and immediately started to keep the ball in the scrimmage. This they did throughout the game, with the above result. The teams:

College (33): Back, Morin; halves, J. Murphy, Gleeson and Powers; quarter, Prudhomme; scrimmage, Boucher, Clancy, McCready; wings, Lee, James, Ross, Bolger, Brennan, Tobin, Lafleur.

Brits (8): Back, Acer; halves, Saunderson, Mackay and Jones; quarter, Linton; scrimmage, Crowley, Carter, Vipon; wings, Brown, Barry, Gordon, Barclay, Whitlaw, Lightbound and McRoble.

Gore Vales Won by 2 to 1.

In the Intermediate League football match Saturday on the Exhibition grounds between the Gore Vale and Thistles, after a hard struggle the Gore Vales defeated their opponents by 2 to 1. As the Gore Vales are champions of Toronto, not having been defeated this year, their match with the Royal Canadians next Saturday will likely be one of the most exciting games of the year. It will likely take place on the grounds at Stanley barracks.

U.C.C. Won by 10 Points.

Barrie, Oct. 5.—The Rugby football match here to-day between Upper Canada College and Barrie resulted in favor of the visitors. In the first half the college boys outplayed their opponents at every point and scored 16 points to Barrie's 4. The second half went to Barrie 6 to 4. Thus the visitors won by 20 to 10.

Yale Athletes Defeat Cambridge.

New York, Oct. 5.—The last international event of importance in the year of sport, 1895, was decided to-day at Manhattan Field, when the sons of Old Eli triumphed over the crack athletes from the English Varsity, on the banks of the Cam, and the blue Y of Yale was placed above the light-blue banner of Cambridge in eight of the 11 events decided.

Johnston was the first to go out, at 5 feet 6½ inches. The others all failed at 5 feet 9¼ inches, and after a lot of tedious trials Thompson won the tie, clearing 5 feet 8¼ inches. Jennings and Sheldon tied for second, but did not jump off.

Will Give Way to Dunraven.

London, Oct. 6.—The Times publishes a letter from Mr. Rose with reference to his challenge for the America's cup. He says: "According to the deed of gift Lord Dunraven could not again challenge with the Valkyrie III. until after a contest with some other vessel had intervened, or after the expiration of two years from the time of his defeat, but in view of the last challenge having been made through the Royal Yacht Squadron, I immediately informed Captain Grant that if Lord Dunraven or any other member of the Royal Yacht Squadron was desirous of issuing a challenge in 1896 with any other boat I would immediately withdraw mine."

CAPITAL RUN WITH THE HOUNDS

One of the Country and Hunt Club's Most Successful Runs—Many Riders in Pink and a Few Spills.

One of the most successful runs of the Country and Hunt Club since its organization was that of Saturday afternoon, the meet being at the club's new quarters, just east of Victoria Park. A more picturesque spot for such an occasion could not have been desired. The pink coats of the riders as they jogged through the dense wood which surrounds the club house now in course of erection presented a most striking picture and called to mind many scenes of the chase. Many ladies, all well mounted, also made their way to the meet, besides many carriages gathered at the new rendezvous and the club is to be congratulated on such a turn out, which, it is safe to say, could not be surpassed on this side of the Atlantic. Among those in the saddle were, the president, Mr. D'Alton McCarthy, on The Coun.; Mr. George Beardmore, M.F.H., on Malignet; Mr. James Carruthers, on Grey Frair, Mrs. Carruthers on Glen Fox; Master Edgar Carruthers, on Max; Miss Beardmore, on Lassie; Miss Cawthra on Firm, Dr. Capon on Treasure, Miss Janes on Woodstock, Mr. J. K. Kerr on Figaro, Mrs. Kerr on Eric, Mr. W. Wellington on Crocker's Duchess, Mr. C. R. Palmer on Hero, Mr. O. B. Sheppard on Argus, Capt. Laurie on Lorna Doone, Mr. E. Phillips on The Maid, Capt. Forrester on Mecca, Mr. W. H. Stone on Shamrock, Mr. T. P. Phelan on Eblis, Mr. Stewart Houston on Battle Cry, Miss Lee on Sweetheart, Mr. A. Loudon on Prince Charlie, Mr. Fred Doane on Byron, Mr. R. O. McCulloch on Maritana, Dr. F. A. Campbell on Ethel, Mr. R. Skinner on All Blue, Mr. F. Britton on Hamlet and Mr. H. J. Cobbold on Viola.

The hounds were cast off on Mr. Lobb's farm, running east through Osborne and Miller's property, thence north across the Kingston-road and west over Whauf's farm to a side road where a check was made. The pack was then taken over to Hearn's wood, where another cast was made. The hounds in full cry led the riders in a northwestery direction, some four or five miles over a capital country with plenty of fencing, too much so for several riders, who came to grief. Finally a turn to the south soon brought the hounds to the Wexford hills, thence on to the old Newmarket race course, with Mrs. Carruthers first in at the finish. Though several saddles were emptied during the run no one was hurt, and all wended their way homeward loud in the praise of the Master for affording such a capital run and successful meet.

The Hamilton Gymkhana.

Hamilton, Ont., Oct. 5.—From the standpoint of attendance and fine weather the second annual Gymkana under the auspices of the Hamilton Jockey Club, was a brilliant success, but the withdrawal of the Toronto Hunt Club horses was a serious offset to the success of the day. The grand stand and paddocks were crowded to overflowing, and society folk smartly attired, were conspicuous in the big gathering. A few Toronto Orientians and a number of Londoners were present. Results:

Members' steeplechase handicap, one mile—A. B. Osborne's br. m. Tess, 1; W. Hendie's b.g. Lonsdale, 2; S. C. Meaburn's br.m. Donnybrook, 3. Time 2.29.

The gentleman's hurdle jumping contest was won by Adam Beck's Monarch, with W. Hendrie's Lonsdale 2nd and E. W. Morrison's Banshee 3rd. A good exhibition of high jumping was given by Adam Beck's Hurricane.

The British-American Bicycle Club Race.

A large number of spectators were at Beach-avenue on Saturday afternoon to witness the 10-mile road race on the Kingsroad of the British America Bicycle Club. LACROSSE WELL PLAYED.

GREAT GAME BETWEEN PUBLIC SCHOOL TEAMS.

Wellesley Defeat Church-Street in the Deciding Game for the Toronto Lacrosse Club's Medals—The Score Was 2 Goals to 1—Inspector Hughes on the Game.

The final match for the junior championship of the Public School League was played on Saturday at the Tecumseh grounds. The match was of more than usual interest, as the competing teams, Church-street and Wellesley, were the champions in their respective districts, and upon the result of this match depended the disposal of the medals offered by the Toronto Lacrosse Club. Neither team had lost a game in their respective series, and consequently lacrosse of a superior character was expected, nor were the expectations disappointed. The teams were as follows:

Wellesley.		Church-street.
A. Adamson	Goal	W. Wickens.
M. Nasmith	Point	H. Lambe.
J. Murray	Cover Point	J. Pirie.
W. Stollery	1st defence	A. Davies.
A. Hogg	2nd defence	R. Joyce.
G. Henderson	3rd defence	R. Bryce.
V. Lyon	Centre	A. Patterson.
R. Moody	3rd home	W. Louden.
R. Moffatt	2nd home	D. Keith.
R. Bilton	1st home	A. Pardoe.
W. Crawford.	Outside Home	C. Noble.
T. Heyes	Inside Home	C. Rice.

Referee—Mr. Hendry of the Torontos. Goal umpires—Mr. Bennett, McCaul School; Mr. Schoff, Givens-street School.

First game—Neither team played its usual game, but the advantage was decidedly with Wellesley. After 20 minutes' play T. Heyes scooped the ball through for Wellesley from a scrimmage in front of goal.

Second game—Both teams played much better lacrosse—not so much running was done, but combination and team play relied on. Still Wellesley had the advantage, Heyes again scoring with a swift shot from near goal. Time 15 min.

Third game—In the third game Noble was taken from defence and put on home, Joyce going back to the defence field. This was the best game of the match, with the advantage this time in favor of Church-street School. After 20 minutes D. Keith scored for Church-street from a pretty piece of combination in front of the Wellesley flags.

Fourth game—But five minutes remained, and the play was fast, Church-street having decidedly the better of the game. Two exceedingly dangerous rushes were made on the Wellesley flags, but the defence relieved, and once the Church-street goal was seriously threatened. The referee's whistle blew with the ball behind Wellesley's flags, and the match and championship were theirs.

In the opinion of such a veteran lacrosse player as Inspector Hughes, who was present, the match was one of the finest exhibitions of junior lacrosse ever played in Toronto, and the prediction was freely made that from the two teams in the field a few years would see at least half a dozen representing the best senior clubs in the city.

ANOTHER RECORD FOR M'CARTHY.

Shabel in Buffalo.

Buffalo, Oct. 5.—The Frenchman, F. Charles Shabel, who started from Chicago last Tuesday morning on his wheel to equal or lower Searle's record for 1000 miles, passed through Buffalo yesterday morning. Shabel's delay was caused by losing his way repeatedly and being compelled to retrace the ground gone over. He is confident of finishing ahead of time, notwithstanding these drawbacks. Shabel will leave New York for France, his home, Tuesday, Oct. 15. Oct. 22 is the day set for him to start on a trip around the world, following almost exactly the route taken by Lenz. If he can accomplish the task of covering the 15,000 miles in 11 months $5000 will be his reward; if not, he will receive one-half this sum. He expects to reach New York Aug. 1.

A serious accident happened to Fred Bulmer of the Gore Vale team in Saturday's football match, in having his collarbone broken.

It may appear incredible that you can buy an article for $1 that should and could be sold for $2.50, but we sell as we buy.

Our buyer was in Montreal last week and these boots were purchased at less than half the wholesale price.

Manufacturers are frequently pressed for Cash, and could you peep behind the scenes you might say "you take advantage of them." Our intentions are good. It is "bargain and sale" with your interests at stake.

Do not blame us if you fail to secure a pair of these boots. They're here to-day. Where'll they be to-morrow? We do not know,

THE TEMPLE CUP SERIES.

Cleveland Administers a Severe Drubbing to Baltimore, Making it Three Straights.

Cleveland, Oct. 5.—Cleveland administered the most severe drubbing to Baltimore to-day that the Temple Cup series has seen. Young was a complete puzzle to Hanlon's men, and they faced him like defeated men from the first innings. The only chance the pennant-winners had to score was in the eighth inning, when they bunched three singles and Keeler crossed the plate. Tebeau's men hit McMahon about when they pleased. Six of their seven runs were earned.

Both teams put up great games in the field. McKean and Kelley made the only errors, and they were both excusable. Kelley's was a bad throw to the plate from centre field, on which Young scored. McKean fumbled a hot grounder. The crowd numbered 15,000, the largest in the history of the game here. There were more people on the grounds than in the stands, and a two-base hit ground rule was made. This robbed Blake of a home run hit in the seventh. The ball went to the centre-field fence.
