PART IV.
"WATER CLAUSES CONSOLIDATION ACT 1897."

WHEREAS the Pacific Pulp and Power Company, Limited, has applied to His Honour the Lieutenant-Governor in Council for a certificate under section 87 of the said Act to enable the said company to proceed with its undertaking:

And whereas the Company has filed with the Clerk of the Executive Council the documents required by section 85 of the said Act and the plans showing the situation of the proposed undertaking and works of the Company:

This is to certify that the said Pacific Pulp and Power Company, Limited was duly incorporated under the "Companies Act, 1897," as a Limited Company at an initial post the 9th day of August, A. D. 1906, and having complied with the provisions of the "Power Companies Clauses Act, 1902," is in the same position as if it had been specially incorporated as required by Part IV. of the "Water Clauses Consolidation Act, 1897," and that the works and undertaking of the company as submitted have been approved, and the same are as follows:—

1. The exercise of the corporate powers of a power company and the supplying of water and water power for electric, hydraulic, milling, manufacturing and other purposes, and of electricity for power, electric light, and heat to pulp and other mills, mines manufactories and other industries, and to cities and other places within a radius of seventy-five miles from the head of Union Bay, in the Coast District.

2. For the same purposes to divert, in accordance with its water record No. 15, 1,000 inches of water and convey by flume, pipe, ditch, tunnel and open cut from Union Creek and its tributaries, including Union and Deep Lakes and their tributaries and sources of supply, to a power-house to be constructed by the Company on Lot 190, Range 5, Coast District.

3. The construction of dams at the ends of Union and Deep Lakes, and of a tunnel tapping Deep Lake at a sufficient depth for a reservoir in the dry season.

4. The acquisition and holding of lands and water by record or purchase.

5. Generally, the construction and operation of works as are authorized by the Company's memorandum of association.

And this is further to certify that the Company propose to begin its undertaking by the construction of the dams, pipe-lines and power-house above referred to:

And this is further to certify that the amount of capital of the Company, which will be duly subscribed before the Company commences construction of that portion of their undertaking in the preceding paragraph mentioned, or further exercises any of the powers of the "Water Clauses Consolidation Act, 1897," Part IV., in that behalf, is hereby fixed at the sum of $100,000, and the further amount of capital to be subscribed before the cost of the first-mentioned portion in respect of the remainder of the undertaking before the same is commenced shall be $100,000.

And this is further to certify that the time within which the said capital—viz: $100,000—in respect of the said first-mentioned portion, and within which such portion shall be commenced, is hereby fixed at twelve months from the date hereof, and the date by which all the said proposed works shall be in operation is fixed as the 26th day of March, 1912.

Dated this 26th day of March, 1907.
