THE SOME OF THE BEE

Buzz, buzz, buzz!

This is the song of the boe,
His legs ato of yellow;
4 Joilty good fellow,
And yet a good worker is he.

In days that are sunny,
He's petting his hone;
In days that are cloudy
Lies he arding his war.
On unmand on filter,
And gay damodilles,
And columbias blossoms
He levice a tax.

Buzz, huzz, turz:
The stract-mailing clover
He humming hangs over;
The seems of the coses
Makes fragrant his wings;
Heneve gets lazy,
Tom shatte and daisy
And weeds of the meadow,
Some treasure he brings.

Burs, buss, buss!
From morning's first grey light
Till fading of daylight,
He's singing and tolling
The summer day through;
Ob. we may get weary,
and think work is dreary;
Tis harder by far
To have nothing to do:
