Written for the Huron Signal.

To the "Poor Young Man" the following is inscribed with emotional sympathy.

My cup is filled with bitter grief,
My heart with aching sorrow,
With prospects wrecked upon a reef;
What care I for the morrow,
With its bright smiles, alluring wiles,
To lead the timid forward,
And when it has them in its toils
To goad them onward.

Fair dawned my hope when morning burst
O'er azure skies and clear,
The evening made my life accurst
With stormy clouds or fear,
I smoked but one, a little one,
They called it a cheroot,
But she my life, my hope, my joy,
She said I was a brute.

O, fate, thou always hast't for me
Thy bitterest in store,
If sorrow's footsteps I would flee,
Thy phanthom is before;
'Twas thus when I would speak to one
Whose plighted troth you broke,
Of first class angels, hearts and love
She said, "get out, you smoke."

But still tho' dark foreboding clouds
My hopes and prospects blind,
A smoke lifts off the gloomy shroud
And leaves dull care behind,
I never thought when first I bought
The weed, that 'twould debar,
My joining in the married state
By smoking a cigar.

CANADIAN INDEPENDENCE.—The Montreal correspondent of the New York *Herald* telegraphs:—Mr. Lanctot, who has been at the head of all the labor movements and strikes, and who ran cartier so closely at the last election, is advocating the independence of Canada. Lodges for this purpose have been widely formed throughout Canada, and among the French Canadians in the United States. The movement makes some sensation.

Twenty years ago, a man in Turnout, while engaged in blasting rock, had a tamping iron, four foot long and one and a quarter inches in diameter, shot through his head (from the jaw up through his skull), by the premature explosion of the charge. Contrary to everybody's expectations, the injured man did not die, but recovered so rapidly, that in six days he was enabled to go about, and he lived till 1861. The doctor who attended him when the accident happened, kept track of the poor man in all his wanderings through the Eastern States and California, and when he died in the latter country, the doctor obtained possession of his body, and is now exhibiting his skull, which clearly shows the extent of the fracture.

Plot to Burn Nashville.

Associated Press Dispatches.

NASHVILLE, Aug. 7.—The *Union & Despatch*, a Democratic newspaper, published a charge this morning that white and colored men had entered into a plot to burn Nashville, Murfreesboro, Columbia and Pulaski, murdering men, women and children. It is supposed that some crazy fanatics are at the bottom of the plot, if it really exists. An investigation is to be held.

RUSSELL, OF THE TIMES, DENOUNCED.—Mr. Russell, of the *Times*, does not appear to have given satisfaction either to the Northerners or Southerners, but you do not here of any one being dissatisfied with the "Canadian Pain Destroyer," which is sufficient proof that it is all it is represented to be. Price only 25 cents per Bottle.

TWO QUESTIONS EASILY ANSWERED.—Why should men wear beards? Because they are a great protection to the throat and lungs, and add much to their personal appearance. Why should we use "Bryan's Pulmonic Wafers?" Because when used for coughs, colds, tickling in the throat, Hoarseness, &c., they act like a charm. Ministers and Lawyers use them, physicians recommend them, and singers and public speakers say they are the very best medicine in existence for the cure of such complaints. Sold by all medicine dealers, at 25 cts per box.

AUGUST.

THAT'S about it. When we are constantly receiving information concerning any thing our attention is naturally attracted to that point, and if an article is genuine its praise will loudly echo, this accounts for the enormous sales of the Great Shoshonees Remedy. It is recommended for diseases of the Throat, Lungs, Liver, Stomach, Kidneys, &c., and being surpassingly genuine it cures them, consequently its praise is sounded.

CANADIAN PAIN DESTROYER

A Family Medicine, well and favorably known for the past ten years, never failing in a single instance to give permanent relief when timely used, and we have never known a single case of dissatisfaction where the directions have been properly followed, but on the contrary all are delighted with its operations, and speak in the highest terms of its Virtue and Magical effects.

THE CANADIAN PAIN DESTROYER has won for itself a reputation, as a blood purifier, alterative stomach tonic, unsurpassed in the history of medical preparations. It seldom fails to cure Dyspepsia, Liver Complaint, Indigestion, Heartburn, Sick Headache, Kidney Complaints, Acid Stomach Pithisic or Asthma, and restores to vital activity the system debilitated by suffering and disease.

Its magical and wonderful success in curing sudden colds, Sore throat, Coughs, Diptheria pains in the side, loins and back, neuralgia, tooth ache, rheumatic and other pains in any part of the body and from whatever cause, has given it a place in every household and is fast superseding all other preparations of the kind.

It is also an effectual and prompt remedy for Scalds, Burns, Bruises, Sprains, Chilblains, Frost Bites, Cramps in the Stomach, Diarhœa, Cholera morbus, Bilious Cholic, Cholera Infantum, Dysentery, &c.

MOTHERS, READ THIS!—HOLLOWAY'S WORM LOZENGES are a certain and safe remedy for Worms in Children and Adults.—As it is a well-known and melancholy fact that one great cause of death among children is from Worms alone, it cannot be too deeply impressed upon the minds of parents the necessity of closely watching their children. By so doing, and understanding the symptoms and true cause of the disease, thousands of children might be saved from early graves. SYMPTOMS OF WORMS:—The following are a few of the very numerous symptoms and diseases which are caused by Worms: Deranged appetite, emaciated extremities, offensive breath, frequent picking at the nose, grinding of the teeth during sleep, hardness of the belly, with frequent slimy stools, and sometimes convulsive fits; pain in the head and stomach, unquiet sleep, faintings, trembling, coughs, indigestion, low spirits, frightful dreams, and a gradual wasting away of flesh.

They are palatable and self-administered to the child—drive out the worms thoroughly without pain and completely cleanse the stomach—thereby doing away with the necessity of administering Castor Oil or other unpleasant cathartics—as is the use of other Worm Medicines.

☞ Each box contains the fac-simile signature of NORTHROP & LYMAN, Newcastle Ontario, who are the sole proprietors.
