DAVIDSON DAY AT QUEBEC

Continued from Page 1.

Hulse and Moore of the Torontos, Philips and Little of Peterboro were the other starters. The time was 5.21, but a question was raised as to the distance, a claim being made that only seven laps were covered.

Loughead had an easy task in the mile professional handicap. Davidson started with him on scratch, but slipped a pedal and Fred mowed down all his men in two laps, winning as he pleased. Fred Young, 30 yards, took second place; Elliott, 30 yards, was third, and Cooper, 40 yards, fourth. Time 2.33 1-5.

For the Davidson's many races told against him in the mile open, and Axton, Brantford, w Blayney, Simcoe, second, and Cameron, Montreal, third, an inch ahead of Herb Cassidy. Time 2.21 2-5.

George H. Orr of Toronto was referee, H. B. Donley of Simcoe starter, E. B. Ryckman of Toronto was one of the many judges. A. O. Hurst was timer, assisted by J. D. Bailey and Dr. Doolittle, also of Toronto. The championship banners, two of which will hang in the W.B.C. parlors, are handsome and expensive affairs of blue and white, with gold bullion lettering.

The climbing contest took place in the morning on Mountain Hill. O. Devarennes won, Lachance was second and F. S. Stocking third. Laliberte, winner of the race last year, claimed a foul, the crowd on the hill being so thick as to compel him to dismount.

In the cake walk, Collie Ross and Vic Gianelli of the Wanderers had an easy victory, and will wear gold medals when they return to Toronto.

TOM ECK SLATED.

Ray McDonald Won $1,000 in France, but Got None of It.

New York, July 2.—Ray Macdonald, the professional racing cyclist, who crossed the ocean with Tom Eck, returned home by the City of Paris on Tuesday.

Ray thinks that racing in France with Eck as manager is not what it is claimed. He asserts that he earned $1000 by winning eight out of the twelve races in which he competed, but that he got none of it.

Macdonald found that life in Paris without pocket money is pretty poor pickings. So he decided to come home.

While not having many pleasant words for Eck, Macdonald spoke very generously of Johnson. He attributed the poor success of the Minneapolis man abroad to his changing from a low to a high gear. The fastest rider in the world to-day, he said, was Jacquelin, the Frenchman.

Ray Macdonald is looked upon by many as the "coming man" in the professional ranks.

SCRATCHES AT HENLEY.

Henley, July 2.—The Leander Club have been scratched from the entries for the Stewards' Challenge Cup, their object in withdrawing from this race being to conserve their strength for the race for the Grand Challenge Cup.

The crews of Eton College and the De Hoop (Amsterdam) Rowing Club have been scratched from the Grand Challenge Cup. The entries of E. A. Thompson of Toronto and Mohr and Blusse of Amsterdam, who were entered for the Diamond Sculls, have been scratched.

The West End branch of Toronto won three firsts and two seconds. The Brantford men won one first and Hamilton one first and two seconds.

Yesterday morning the Young Women's Christian Guild's Bicycle Club took the Chippewa and went as far as Lewiston, and then boarded the Michigan Central for the Falls. PATCHEN DEFEATS GENTRY.

Chicago, July 2.—The match race between John R. Gentry (2.03½) and Joe Patchen (2.04) proved to be something of a fizzle at Washington Park to-day. Patchen drew the pole for the first heat, and simply romped away from Gentry. Gentry was out of fix and was so distressed at the finish he could scarcely move. Time 2.05¾, 2.06¾.

The other events were uneventful. Pearl C. was an easy winner of the Clipper Stakes and Pat L. made eyes around the field in the 2.11 trot.

Gone for Liquor.

Look in at a pawnbroker's window and try to fit a history to the various articles there displayed. A strange assortment. From the old family signet ring of the broken gentleman to the well used hammer of the once skilful and industrious artisan; gone to supply the craving of the victim of the drink disease. This dread disease is no respecter of persons. Clergymen lose their gowns, doctors their practice, wealthy merchants their business, laboring men their work. It spares none. Yet all alike may be permanently cured of the disease and freed from the curse by scientific treatment at Lakehurst Sanitarium. Send for full particulars concerning the drink disease and its treatment, to the Manager, Lakehurst Sanitarium, Oakville, Ont. 25

BISONS AGAIN BEATEN.

Toronto's Make it Three Straights From Franklyn's Freaks.

Both pitchers did good work yesterday up to the seventh, which Buffalo opened one run in the rear. Delehanty fumbled Richie's grounder, and then six men hit safely, two of them doubles, scoring six runs. Toronto did not have to touch Wadsworth, who could not find the rubber, and retired after giving three passes on balls. Then Gannon came in and was no improvement, he allowing four men to walk, and O'Brien wound up the fun by sending a hot single to right field that Stahl let pass him and four runs scored. Score:

The pitcher had delivered the ball, when a sparrow flew between him and the batter. A collision ensued in which the bird got decidedly the worst of it, being instantly killed. This is the only case on record of a strike out with only one ball pitched.

THE SYRACUSE SHOOT.

The race was a hot one from start to finish, McMurchy distinguishing himself by breaking 97 out of the 100; Fulford was only a bird behind, having missed a couple of easy ones in succession. Glover won the 25-bird unfinished shoot of yesterday with a clean score. In the sweepstakes Glover, Kelsey, McMurchy and Wagner divided the honors.

Hamilton, July 2.—(Special.)—According to the provisions of the hospital bylaw, which came in force yesterday, the City Hospital was to-day handed over by the Hospital Committee to the Board of Governors, who assumed control of the institution. A meeting of the board and the committee was held this morning, and George Roach was appointed chairman and John Billings secretary of the board. Chairman McKeown, in handing over the reins, was confident that the institution would be managed successfully under the new regime, and Mr. Roach thanked the board for conferring the honor of chairman upon him. Lots were drawn for the length of the terms of the various members of the board and resulted as follows: A. D. Stewart, five years; George Roach, four years; Col. Moore, three years; John Billings, two years, and George Rutherford, one year. The Mayor and Chairman of the Finance Committee will be also on the board. It was decided that in future nothing shall be purchased for the hospital without the sanction of Chairman Roach, and the first meeting of the board will be held on Monday at 3 o'clock.

The "Yellow Fellow" in Front.

Yesterday morning's World, in mentioning the wins of the E. C. Stearns Company's "Yellow Fellows" should have mentioned the grand win of the five-mile amateur championship by John F. Davidson on a "Yellow Fellow."

Again, on the second day of the meet, yesterday, the following good things were captured by the "Yellow Fellows": First in the mile amateur championship, by J. F. Davidson; second and third in the half-mile amateur, open, H. Hulse second, J. F. Davidson third; and third in the one-mile amateur, open, by J. F. Davidson, who seems to be carrying off more prizes than any other amateur rider.
