RACING AT MORRIS PARK

Laverock Second to Kenmore Queen in Hunter Handicap.

George Keene Wins the Westchester — Maher and Spencer Each Land Two Winners—Showers and a Heavy Track at Windsor—Summaries and Entries.

New York, Oct. 13.—There was a good attendance at the racing at Morris Park today. In the Hunter Handicap, Martha II. was the only one backed to any extent, Martha II. made the running until they were nearly to the top of the hill, when St. Calatine and Kenmore Queen ranged alongside, and there was a hot drive until half way down the hill, when Martha fell back, leaving Kenmore Queen and St. Calatine to fight it out. In the last furlong Kenmore Queen drew away and won, while Hendrie's Laverock came with a rush and got the place in the last two jumps. The Westchester Handicap was a hot betting race, Rhinelander, Bangle and Bendoran being heavily backed, all being at about the same price at the end, George Keene went back in the betting, until he was at 5 to 1 at post time. Bendoran cut out the running until they came to the stretch, when he collapsed, and Bangle and Warrenton came through. In the meantime George Keene, who had been shut off on the back stretch, came around on the outside of his field, and won in a rush by a couple of lengths, Bangle beating Warrenton for the place by about the same distance. THE UNION FALLS INTO LINE

O. R. F. U. Will Accept Whatever Four Clubs Agree to Give.

Games Played to Count as Championship Matches — Gleason and Reinstatement—Rugby Men Turn Out and Practise in the Rain — Notes of the Game.

The sub-committee of the Ontario Rugby Football Union met the committee representing the four clubs yesterday for the purpose of fixing things up. The O.R.F.U. representatives in attendance were: President A. B. Ford, George Gale and J. M. Mowat, while the clubs were represented as follows: Osgoode, Fred Martin; Hamilton, D'Arcy Martin; Argonauts, D. F. Maguire; Ottawa, A. Shillington. After some lengthy discussions a motion was brought up and adopted to the effect that the Union be given a share from each game. The amount was not mentioned, and whatever is needed that the clubs will vote it to them.

So thus ends the squabble, and next Saturday the four clubs will again play under the auspices of the Ontario Rugby Union.

It was also decided to let last Saturday's games count in the championship competition. The storm has now blown over; the clubs have had their way, and things should now run smoothly till the end of the season.

Rugby Gossip.

Upper Canada College plays in Peterboro on Saturday.

Foote of the Argonauts is putting in good work at the practices.

The Osgoode backs are playing in better form than they did a week ago.

Only a few of the oarsmen turned out yesterday to practice in the mud.

Chadwick, who got hurt in Hamilton last week, will likely be out by Saturday.

Strathy is practising hard and will try to retrieve his lost laurels on Saturday next.

Both Osgoode and the Argonaut teams will be greatly strengthened for Saturday's game.

On Saturday the old-time rivals, Joe Wright and Fred Wilson, will push against each other.

The Hamilton Tigers should put up a strong game against the vanquishers of Osgoode Hall.

A few small bets have been made on Saturday's game. The law students seem to be the favorites.

Don McKenzie should find a place on the scullers' team for the next match, as he is doing good work.

The rain yesterday afternoon did not stop Osgoode from turning out for practice. There were 32 legalites out in uniform.

Varsity leave to-day for Montreal, where they play their first match to-morrow in the Intercollegiate League with McGill College.

The Kingston despatch says: Cadet Carr Harris has been accepted by the Granites as referee for Saturday's match with Montreal City. W. T. Nickle will likely act as umpire.

St. Philip's Company, C. B. B., have organized a junior football team. They would like to arrange a game with St. Mary's, Dovercourt, for Saturday. T. Hitchman, 262 St. Patrick-street.

A circular has been sent to Toronto by the committee of the Amateur Athletic Association, to be distributed among the members of athletic clubs, asking their opinion of the reinstatement of Gleason. A vote will shortly be taken, but it is hardly likely Gleason will be in the amateur ranks by Saturday, though a report was around that he was already as good as reinstated.

Owing to the inclemency of the weather, the Varsity sports have been postponed until Tuesday of next week, at 2.30 o'clock.

Boston has a ladies' kennel association. There are 26 members, all of whom are interested in breeding and rearing pet dogs.

Starter J. F. Caldwell is making his way across the continent to California, where he will wield the flag during the winter season.

Ten Eyck, the champion amateur oarsman of the world, who is a student at Pennsylvania, played on the Red and Blue scrub Saturday. He played centre in a very creditable way for a new man. He expects to come out daily now and take the exercise, so as to keep in practice for rowing.

On the Tenpin Alleys.

It is now announced that the bankers will withdraw their team from the City Bowling League, and P. J. Kimmerly has been notified to that effect. The reason for their withdrawal is that they will not be able to play so many matches, as the banks have a league of their own, and both leagues would mean a match almost every night. The Q.O.R. Bicycle Club are anxious to get in, and it is likely they will take the place. A meeting of the executive will be held to-night, when the matter will be settled.

A team of the Athenaeum play their return match with B team to-night. The players will be:

J. F. Scholes, F. Whitehead, R. W. McIntosh, F. Brent, Charles Riggs.

Bicycle Briefs.

Al Weinig, the Buffalo professional bicycle rider, is boxing with Tommy Ryan and Billy Moore at Syracuse.

Jimmy Michael is trying the horses at Chicago. Dave Shafer says he will retire with the midget from cycling and will handle him while with the bangtails.

The Methodist Book Room Bicycle Club wil hold their second annual races on the Kingston-road on Saturday, starting from the five-mile post, at 3 o'clock. The excellent prizes will be on view in the Book Room window, 29-33 Richmond-street west, to-day.

A little nickel-plated pistol which has lately been put upon the market is becomingly popular with bicyclists. The pistol does not shoot bullets, but water, diluted household ammonia—in fact, anything liquid. It squirts a fine jet a distance of two or three yards, and, if aimed straight, will utterly demoralize the most ferocious bulldog if the ammonia prescription is used.

The Crescent Athletic Club has been reorganized, and the organization commences its career in a most prosperous manner. Conveniently situated quarters have been secured at the northeast corner of Yonge and Alexander-street. The Crescents will confine their attention particularly to cycling, but will be represented by teams in the arena of sport generally. The officers: President, Frank J. Murphy; first vice-president, George Watt; second vice-president, George Westman; secretary-treasurer, J. Twohbridge; chairman House Committee, J. T. Trowbridge; Executive Committee, F. Green, J. T. Trowbridge, A. Pare, P. Manning and the officers.

Around the Ring.

Jem Curran, the English lightweight, is at Syracuse, preparing for his bout with Jack Daly there next Monday.

Tommy Ryan says that if he defeats Jack Bonner, whom he is to box on Oct. 24 at Coney Island, he will then be open to fight any white man in the world at the middleweight limit, 158 pounds.

Jimmy Barry has signed articles for his contest with Terry McGovern, which is to take place at the Greater New York Athletic Club, Nov. 14. The bout is to be of 25 rounds' duration at 114 pounds, weigh in at 6 o'clock.

Corbett and Sharkey have agreed upon Honest John Kelly for referee of their bout. For final stakeholder Frank Farrell was agreed upon. Sharkey has located his training quarters at Bay Ridge and will start in immediately. Corbett will take a week's rest, and will then do his work at the Lenox Club.

Jim Popp has accepted the defi of Tommy White of Chicago, who has decided to go into the lightweight class. The weight is 133 lbs. at 8 o'clock. The Crescent Athletic Club will likely bid for the bout.

Harry Forbes has signed articles of agreement to meet Casper Leon at the America Athletic's next show in Chicago. One hundred and fifteen pounds at the ringside is the weight agreed upon.

Tommy White denies he is anxious for a go with George Kerwin, as was reported. "Kerwin is not in my class," said Tommy, "and I would be foolish to fight him. When neither of us can get a match with anyone else, it will be time enough to talk of matching us, but while there are plenty of 'lights' and 'feathers' looking for contests, why should George and I meet?"—Chicago Inter-Ocean.

Mysterious Billy Smith will probably not fight for some time. His hands are in bad shape, and he intends to rest until they become thoroughly good, when he will try to get on a match with Tommy Ryan. Smith has fought eight battles in two months.

Fred Preston, champion heavyweight of Australia, wants to visit this country to try his skill against some of the top-notchers in his class. A friend of Preston has written to Sam Fitzpatrick, asking the latter to make a match with either Corbett or Fitzsimmons for the foreigner.

George Kerwin quickly accepted Nov. 5, the date selected by the Crescent Athletic Club for the 15-round bout in the Mutual-street Rink. No sooner were the articles received in Chicago than Harry Gilmore wired that everything was O. K. and that the Mystery would start at once to train for what will surely be the most important bottle in his life. Jack Bennett's acceptance is expected to reach the club to-day.

Tom O'Rourke states that the match which George Dixon made with Dave Sullivan on Saturday night will not interfere with the champion's contest with Oscar Gardner, the Omaha Kid, at Cleveland, Nov. 24.

At the Princess.

Mr. Nat Goodwin's comedy "Turned Up" will be presented at the Princess Theatre next week, instead of "Gloriana," which was first announced. "Gloriana" having failed, upon rehearsals, to come up to the standard, in Manager Cummings' judgment, of a first-class comedy, "Turned Up" is said to be a far better comedy, liveller, funnier and clean and wholesome. This comedy will be remembered as one of Nat Goodwin's earlier successes, and it has never been played in Toronto since Nat Goodwin played it here some five or six years ago. The company will have in this comedy unusually good opportunities to present themselves and keep the audience in continuous laughter. Mr. Ralph Stuart will have, as George Medway, a splendid comedy part; Mr. Thomas J. Grady appears as the undertaker, Caraway Bones; Miss Florence Stone appears as Salina, and Miss Nettie Marshall appears as Cleopatra, a black-faced character, in which she will certainly surprise her many friends. "Turned Up," it is said, abounds in many most laughable incidents, and as it keeps the audience laughing from the beginning to the end of the performance, it will undoubtedly go splendidly with the patrons of this house. The play will be handsomely staged as usual.

Trouble Among Actors.

J. H. Maxwell, a Toronto man, who, as manager of the Nelson-Lewis Opera Company, has been making a tour of Ontario towns, yesterday received a letter from Police Court Clerk Ramsay, demanding an immediate settlement with three of his company. Maxwell, after a good week in Oshawa, is said to have skipped to Toronto with the receipts, but was tracked by his employes.

CHICAGO MAN UNDER ARREST.

Former Merchant Accused of Receiving Goods Fraudulently Obtained.

Last evening Detective Sleemin made an important arrest. The prisoner was Sigmund Schleisinger, and he was found at 20 Dunbar-road in Rosedale. He is charged with receiving goods fraudulently obtained to the value of $2341. It appears that the prisoner was in business in Chicago two years ago, and, it is said, made false representations to merchants as to his financial standing. He thereby, it is claimed, got the goods on credit, and had them delivered at his store. Before this time Schleisinger always carried a large stock, and to all appearances was doing an extensive trade. Shortly after the purchase of the goods, which he is now charged with having fraudulently obtained, Schleisinger advertised a sale and disposed of his stock, receiving in payment about $35,000. He then left Chicago, and nothing was heard of him until quite recently. Mr. Wright, the complainant in the case, was notified that Schleisinger was living in Toronto, and proceedings were commenced to bring him back. Mr. Wright sent an agent to Toronto with an extradition warrant, and Schleisinger's arrest followed.

The prisoner is about 60 years of age, and on his arrival here with his wife and family, registered at the Arlington Hotel, where he remained for some time. From there he moved to 20 Dunbar-road, the house being furnished in a lavish manner. Before being locked up last night, Schleisinger asked to have some bed-clothing brought from his home, which was done. The prisoner will appear in court this morning. Mr. O. A. Howland made an unsuccessful application for bail for the accused.
