FOR HIS MAJESTY'S GUINEAS

King's Plate, to Be Run in May, Has 41 Entries, Including Seagram 7, Hendrie 5 and Clancey 4.

SEAGRAM'S ENTRY FAVORITE—5 TO 4

No Less Than 88 Nominations for Stanley Produce Stakes to Be Run in 1905.

The official list of entries of the Ontario Jockey Club for races which closed Saturday last, March 1, is given below. The King's Plate, with the splendid total of 41 entries, is the first to attract attention. Only once before, in 1900, when the number was the same, has this total been equalled, and it speaks well for the sport-loving qualities in Canadians, to see owners and breeders, in view of the fact that this race has gone to Mr. Seagram for ten years, coming forward with steady persistency, determined at least to make a race of it.

Looking hastily over the entry list, first impressions are that the first race for the King's Plate is more than usually open—Mr. Hendrie is known to have more than one good colt and Maple Sugar has already proved herself a good mare and worthy to carry the "brown and yellow" of the president. Mr. Clancy has a quartet to select from and Mr. Dyment will be hard to beat with the black gelding Revelstoke, or is it Barrie?

Mr. Robert Davies, with three representatives, may be dangerous, with Opuntia and Parisian Lady. The latter, a year older, may have been taught to stay; if so, with her great speed, will be a thorn in the side of the winner. Caller Herrin, the property of Mr. George M. Hendrie of Sandwich, Ont., is a very handsome chestnut mare, already been to the races, and John Nixon has kept her going steadily on the roads all winter. Cardigan, owned by Mr. Higgins of Prescott, is said to be above the average and likely to give the best of them a race. He is trained by C. N. Gates, out at Old Newmarket, and is looking and doing well.

Seven From Waterloo.

Mr. Seagram's entry numbers seven—Goshawk, Onetros and Fly-in-Amber have all been previously mentioned in connection with the Guineas, and four three-year-olds make up the number. Dr. Smith relies upon Fernie, a good-looking filly, sired by the speedy Ferdinand, the Plate winner of 1897. Castletown, by Courtown, from the nicely-bred Kate Haricastle, is a fine big colt, owned by Richard Wells of Aurora. He, with Morna, is a stable companion of Caller Herrin, all being trained by John Nixon, whose string will be a hard nut for the best to crack. Mr. Burgess of Hamilton has Fernie Tickle entered again. This is a wiry, sharp little mare, which ran into third place last year. Mr. Burrell's Court K. halls from Brampton, a good looking colt, by Courtown, from the old Woodstock Plate winner, Addie B. Of Lady Essex, nominated by Mr. H. Chappell, Mr. G. W. Cook's two three-year-olds, Lady M., owned in Onondaga, Plethorus from Owen Sound, and Bobs, by Grand Falconer from Cora, owned by Mr. O'Flaherty in London, little is known hereabouts.

Messrs. Elwood and Latimer's Bessemer, and Mr. A. Arthur Reinhardt's Anticosti were purchased at sales held by Messrs. Seagram and Hendrie, respectively. Miscreant and Lady Bevys, both three-year-olds, were imported in utero and sold by Mr. Orpen. They are well bred enough for anything.

The Breeders' Stake has a total of 34, or one more than last year, a good entry, which should be larger, considering the large value of the stake. At this time of the year breeders and owners are apt to overlook events closing ahead, forgetting the increased value which engagements give to youngsters. This applies also to the Maple Leaf Stakes, which, with an entry of 20, exceeds the total of 1901.

The Stanley Produce Stakes, however, have the really fine number of 88 entries. This is by far the largest entry ever received for this race and includes the very choicest mares in the Province of Ontario, with four mares nominated by Mr. George Hendrie of Detroit, and four by Mr. W. F. Presgrave of Philadelphia, who was so greatly delighted with the meeting last year that he hopes to make his visit to Toronto an annual one. The entry in this race is a tribute from breeders of thoroughbred horses to the efforts of the Ontario Jockey Club, and should have the effect to direct attention to the great service which is being rendered to horse breeding interests of the country by private breeders who are maintaining at their own expense large studs of horses in different parts of this province. The events closed Saturday filled as follows:

King's Plate, run May 22 41
Breeders' Stake (1903) 34
Maple Leaf (fillies, 1903) 20
Stanley Produce Stakes (1905) 88

Death of Well-Known Cricketer.

Walter Rose Wilson, formerly a member of the Toronto Cricket Club, but of late years a resident of New York, died about a week ago. The funeral was attended by his brothers from Winnipeg and Dawson City. Mr. H. G. Wilson spent a few days in town on his way back to Dawson, and brought the sad news here. The deceased represented Canada on two occasions in the annual match against the United States, and his bowling was at times most deadly. His many friends in Toronto and the neighboring towns will learn the sad news with much regret, as Walter was one of those sunny natures whom people never forget.

DOMINION EXPRESS CO. CHAMPIONS

Waterloo Beat London in First Game for Carling Cup—Some Hockey Notes.

The final game of the junior O.H.A. will be played at the Mutual-street Rink to-night, starting at 8.15, between Stratford and Upper Canada College. On Monday night these teams played a draw in Stratford, scoring 4 goals each, and the local hockeyists look on the college boys as the winners of to-night's game. The match should be equal to any played in Toronto. Both teams are fast, and as the game decides the championship, it should be a hard one and well worth seeing. R. D. Schooley will referee. The teams:

U.C.C.: Goal, Lash; point, Keys; cover, Constantine; forwards, Coulson, Morgan, Morrison, Denison.

Stratford: Goal, Woods; point, Rankin; cover, Forbes; forwards, Hern, Fraser, Edmunds, Schmeltzer.

The reserved seat plan will open this morning at Nordheimer's. All holders of reserved seats will be admitted on Mutual-street, and the general admission will be taru the north door on Dalhousie-street.

The ice is in excellent condition.

Toronto Challenge Wellingtons.

The Toronto Bank, champions of the Bank League, have sent their challenge to the O.H.A. senior champion Wellingtons for the Harold A. Wilson Trophy and city championship. The nights named for the match are Friday, March 7, or Monday, March 10, the game to be played at the Mutual-street Rink. George McKay, captain of the Wellingtons, and also a member of the Toronto Bank team, will not play with either side.

Commercial Hockey League.

The semi-final game of the Commercial Hockey League will be played at the Victoria Rink to-morrow night at 8 o'clock, between the Rice Lewis Company and the W. R. Johnston Company. If W. R. Johnston win this game it will make them champions, while if Rice Lewis win it will mean another game. The Johnston team will be strengthened by the services of Matheson on the forward line. This is his first game since he broke his collar-bone early in the season. Rice Lewis are in good shape. F. D. Woodworth has been decided on as referee.

Dentals in Jennings Cup.

The final game in the Jennings Cup series was played at the Mutual-street Rink yesterday afternoon between the Dents and Meds, when the Dental students won by 8 to 3. The score at half-time was 2 to 3 in favor of the Meds. This gives the Dentals the cup and they will have to play off with the O.C.A. of Guelph, who have challenged for it.

Saw-Off at Brockville.

Brockville, March 5.—The saw-off game of the Brockville Trades Hockey League was played to-night on the local rink by the Diamond G.'s and the Bankers. The first half was fast and exciting, resulting in a score of 1 to 0 for Diamond G.'s, the second half ending in favor of the Bankers, 4 to 3. The bankers are an aggregation of young, light fellows, whereas the Diamond G.'s are much heavier and stronger. The victors were principally on the good work of Easton and Field. The presentation of the cup was made immediately after the game by Geo. Wright, manager of the rink, by whom the cup was donated.

Hamilton Ladies Won.

A match was played at the Victoria Rink yesterday afternoon between a team of Hamilton ladies and a team of the fair hockeyists who play at the Victoria Rink. The Hamilton ladies won out by 9 to 0, the half time score being 5 to 0. The game was most interesting and it was surprising to see how well the dear creatures from Hamilton could handle hockey sticks. There were only a few spectators, but it was immensely enjoyed by the lucky ones.

After the Puck.

To-night at Richmond Hill, commencing at 8.15, a tie game will be played off between the T. Eaton Co. and Richmond Hill teams. As both are confident of winning, a good game may be expected. Eaton's team will line up as follows: Goal, Race; point, Boothe; cover, Plecit; forwards, Norton, Stanley, Harper, Marshall.

A burlesque hockey match is billed for the Victoria Rink to-night at 8.15, for the benefit of the Sick Children's Hospital. Among the players to participate will be Messrs. V. Armstrong, W. Worden, D. McArthur, W. Worthington, J. D. McMurrich, F. Maule, N. Cosby, D. Coulson, R. K. Sproule, H. Thorne, A. McMurrich, I. Lash.

Deadlock Over Referee.

Winnipeg, March 5.—(Special.)—There is apparently a deadlock at present between the Victorias and the Montreals in the matter of the selection of a referee for the matches next week. The Montrealers have submitted the names of Quinn, Davidson and Kirby, and none of these are acceptable to the Victorias, as the men are practically unknown in the west. The Victorias on the other hand submitted the names of McFarlane, who refereed the Wellington-Victoria matches so satisfactorily, and Trihey and Farrell of Montreal, who have been declined by the easterners. Further negotiations are at present in progress and it is hoped that a satisfactory man will be selected by to-morrow morning. When the Stanley Cup matches were played in Montreal, the referee's work were Montreal men and it is thought here that either western, or at least one who is well-known here, should act in that capacity.

For the Carling Cup.

London, March 5.—The Tecumsehs of London and the Waterloos of Waterloo, Ont., played the first game in the Carling Cup series to-night at Jubilee Rink, the visitors winning by a score of 7 to 3. The game started off with a rush, Waterloo taking the lead from the start by scoring twice in succession. London tied the score in a very few minutes, but Waterloo was playing a faster game, and added two more goals before half-time was called, making the score 4 to 2 in their favor.

In the second half London played a far better game than in the first, but could only succeed in adding another goal, while Waterloo scored three more, making the final score 7 to 3 in their favor.

London worked hard in the latter half to win, keeping the puck almost continuously in Waterloo territory, but were unable to score more than once. Numerous players were sent to the fence on both teams for rough play.

The next game will be played on Friday night, March 7.

Curling Games.

E. A. Badenach and W. J. McMurtry curl the final for the Walker Trophy to-night in the Granite Rink, starting at 7.30 o'clock.
